

Our Memories

Have prepared:
Basharova Almira
Gallyamova Liana
Rahmatullina Sveta
Gabdullina Elina
Urazaev Danil

The most exciting thing was when we had a sport competition. We were very worried about our team. But at the end we took the 1st place.

The most interesting thing was when we went to the museum for an exhibition of butterflies. There were many different butterflies. They flew in and landed on us.

The most surprising thing was when we had a new year party. Santa Claus and Snow-maiden came to us. We danced, played and sang. It was fun.

The funniest thing was when we went to the cinema.
We watched an interesting cartoon. We laughed a lot.

The most interesting thing was when we had muster array and songs. We walked the whole class and sang a song. We had a long preparing for this and took 1st place.
