# Весёлая перемена

A vibrant collage of school supplies. At the top left, a bundle of colorful pencils in various colors like blue, green, yellow, and red. To their right is a watercolor palette with circular wells of red, orange, green, purple, and black paint. Below the pencils is a white calculator with black buttons. In the center, a yellow ruler is partially visible. At the bottom, a spiral-bound notebook with a white cover and a blue pencil are shown. To the right, a pair of blue-handled scissors is open, and a stack of colorful paper with horizontal stripes in pink, blue, yellow, and red is visible. The background is a mix of these items, creating a rich, colorful scene.
