A vibrant collage of school supplies. At the top left, a bundle of colorful pencils is tied together. To their right is a watercolor palette with various colored circles and a paintbrush. In the top right corner, there are colorful autumn leaves. On the left side, a white calculator is visible. Below it are two rulers, one green and one orange. At the bottom, there is a spiral notebook with a pencil resting on it, and a pair of blue-handled scissors. On the right side, there are stacks of colorful paper or fabric with horizontal stripes in shades of pink, blue, yellow, and red.
