

- Ireland is also known as The Emerald Isle because of its amazing green countryside.

- **Belfast** is
- the capital
- of Northern
- Ireland.

- **Belfast Castle of Road Antrim**, which was constructed in 1870.

- Visitors to Belfast like to go to **Botanical Gardens**, which are located near to University.

- Ireland is famous for many interesting places, for example, **Track of Giants**. It is a fascinating natural phenomenon...

- Here you can see Track of Giants....

•And here...

- And here!!!

- 
- The image shows a section of the City Walls of Londonderry. The wall is constructed from dark, rough-hewn stone and features several cannons mounted on its top. A modern, multi-story building with a curved facade is visible in the background. In the foreground, a wooden signpost holds two informational panels. The left panel is titled 'THE WALLED CITY' and the right panel is titled 'THE LIVED HISTORY'. A person is walking along the path next to the wall, and a red van is parked further down the street.
- Tourists admire the City walls of old Londonderry...

- Also they can visit **Lake Loch Neigh** ...

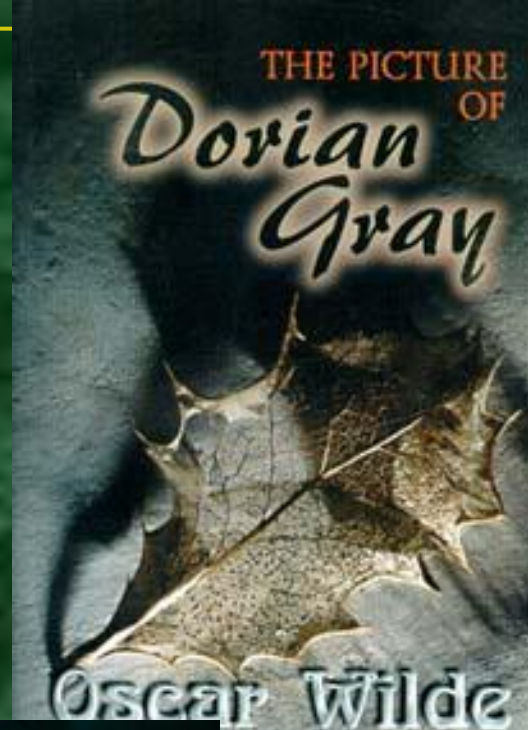

- N. Ireland gave the world many famous writers and, of course, Oscar Wilde.

- He wrote «The
- picture of
- Dorian Grey»...

And «The Ghost  
of Centerville  
Castle»...

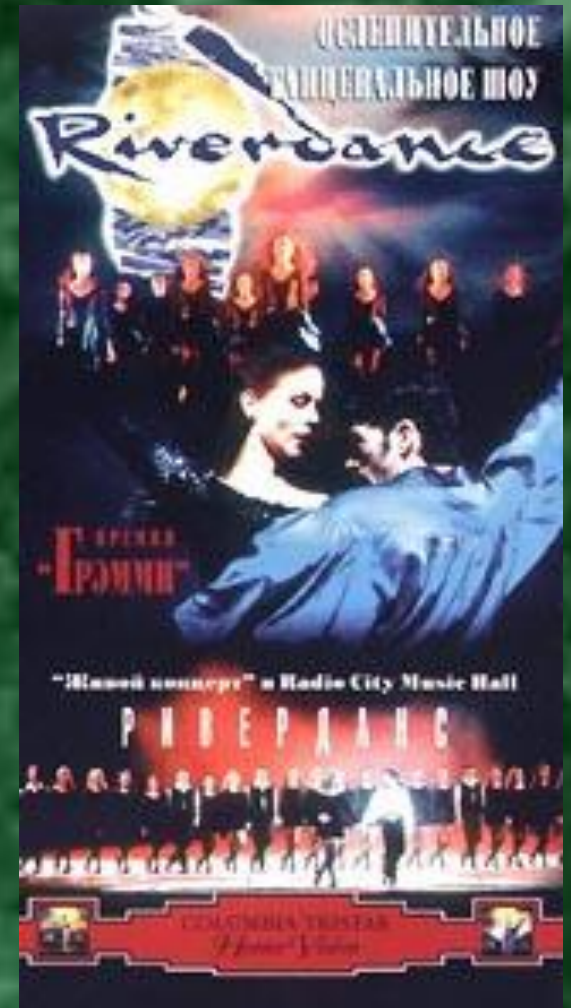

- Many people say, that N. I. is home of **leprechauns**...

- The last, and I think, the most magnificent symbols of N.I. is the national dance - «Riverdance».

- Thanks for watch
