Overall description:

- Modern design;
- No cramming up with furniture;
- Generally dark hints inside.

The exterior is coloured in beige and brown. The plot is spacious and has a pleasant opened frontage. There is a balcony which overlooks woodland. On the right we can see a piazza, where dinner set is situated.

1st Floor

Entertainment system consists of TV and hi-fi. On the right of the TV a vase with plant is situated. Back to the sofa a floor lamp is staying.

Above the bed a vast pedant lamp is hanging, which has many little spots.

Cozy kitchen and nothing extra.

Garage with many tools, working table and a special tool on the left – tile saw. Also the garage includes a repair pit under the floor.

2nd Floor

We can see on the table a computer which is assessed by broad monitor. On the other side of the room there is a door to the balcony.

Towel hanger is fixed on the bottom of the tabletop. There is shower cubical and bath.
