An aerial photograph of Kuril Lake, a large, clear blue lake with a white sandy beach. The lake is surrounded by lush green forested hills. In the background, a large mountain with patches of snow is visible under a blue sky with scattered white clouds. The text "Kuril Lake" is overlaid in the bottom left corner.

An aerial photograph of the Commander Islands coastline. The image shows a series of green, rolling hills that descend into dark, rocky cliffs overlooking the ocean. The sky is overcast with grey clouds, and some mist is visible near the peaks of the hills. The water is a deep blue-grey color with some white foam from waves crashing against the rocks. The overall mood is dramatic and somewhat somber due to the weather.
