

Welcome to Russia

**When we visit, we push the
right hand and pass
wherever they tell us**

which are we at a party?

We **have to** behave
politely, without screaming
and frantic, If something is
asked, then create one!**!?!?!?**

Care of the guests

WHEN THE GUESTS LEAVE, DO NOT FORGET TO SAY THAT EVERYTHING WAS FINE, AND IF YOU SAY "COME AGAIN", ANSWER "SKIPPED" AND SHAKE HIS RIGHT HAND MAN AND **KISS ON THE CHEEK WOMAN,**
