I'll tell you a
story, guys.

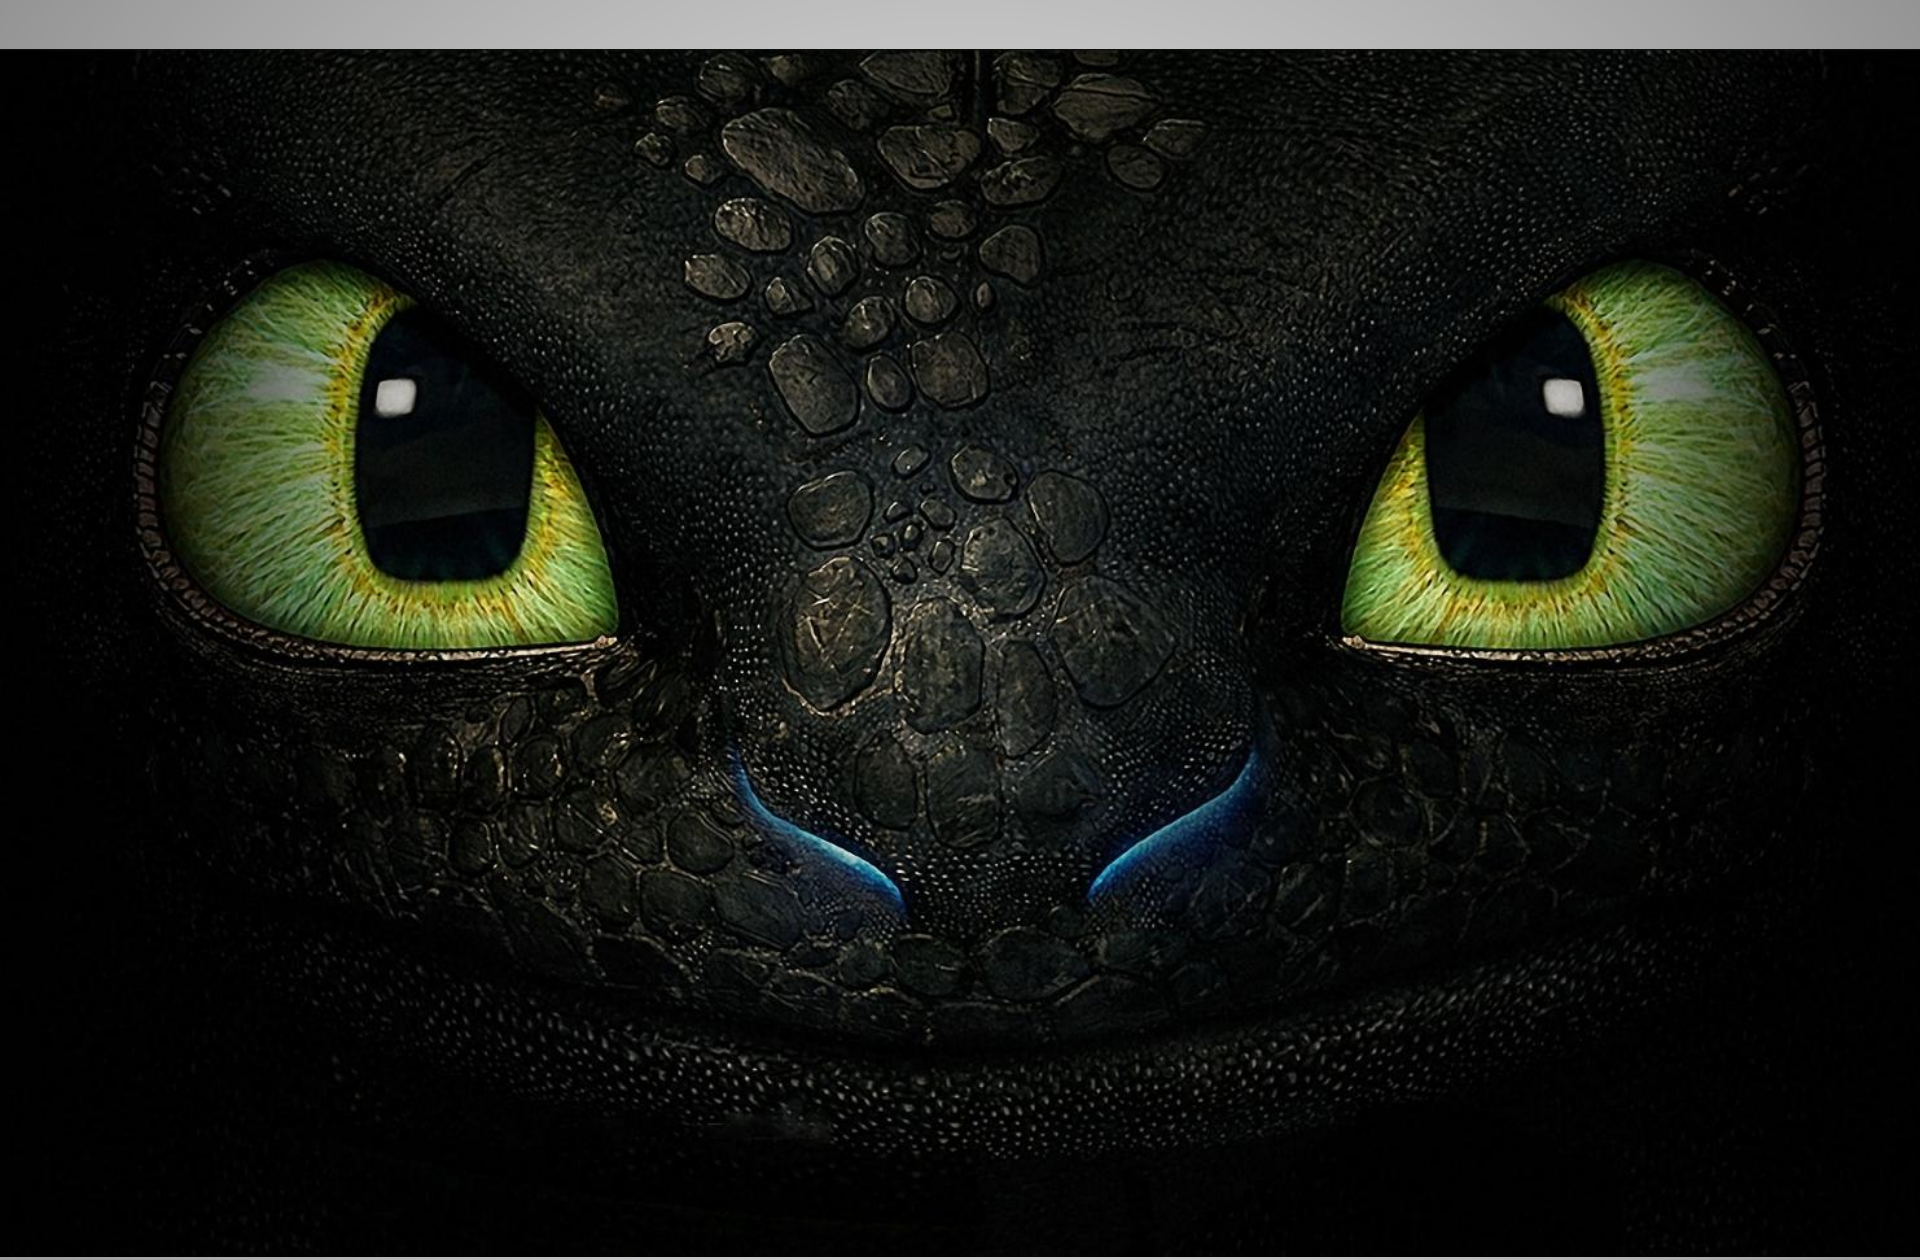

It's a good
story and it's
hard to
believe, but...

The Dragon Clan

OLIMP,

The legend says that
somewhere

near the Black
Sea,

there is a
clan.

The wisest

and the bravest
people are in
that clan.

They are
always
ready to
help

Helen: - The
ceiling is
falling!

: Stay
here! I'll
find
some
help!

Imran
&
James
&
Helen
: - OK!

Always
ready for
any
cooperation

Catherine: - See you in the hall, at 12:00!

All: - Aga! Aga!

**время выезда
12:00**

**время заезда
14:00**

They are very creative

Always ready
to sacrifice
whatever for
learning
some more
English

Tiffany: -
I cannot
go to see
the
dolphins,
I need to
study.

10 minutes later

s
later

...

They say, all the
members of the
Dragon Clan
have 2 special
traits.

Scientists still
haven't
found out
which ones.

And the head of it
is a black dragon
that protects
people ...

and gave
them great
power.

Keily: - My eyesight is perfect. I can see a 'BOTTAKOFO' dolphin out of here!

'I
fly
!'

Whack!

'I can
bent
like
that!'

'OK,
OK!
Let's go
and
have
some
fried
fish.'

look a
little
bit
like
me, I
think

‘Look
who
came
to me!’

Who wants to
join the Clan?
