

# The Complete Guide to Search Engines

What are search engines?

The image shows the logo for the Russian search engine Yandex. The word "Яндекс" is written in a stylized font. The first letter "Я" is red. The second letter "н" is black. The third letter "д" is black with a red underline. The fourth letter "л" is yellow with a black top curve. The fifth letter "о" is blue. The sixth letter "г" is blue. The seventh letter "е" is green. The eighth letter "л" is red. The ninth letter "е" is red. The logo is centered on a white background with blue decorative elements in the corners.

# Search Engine Disadvantages

- 1) Restrictions on user requests.
- 2) Old keeping servers
- 3) Restrictions on browsing pages on the website.
- 4) Problems with update dates
- 5) Not the most up-to-date information.
