Научный видео-контент для современных библиотек

office@metecbooks.ru

Видео-контент в образовании

обогащает прочие виды учебного материала (текст, таблицы, схемы)

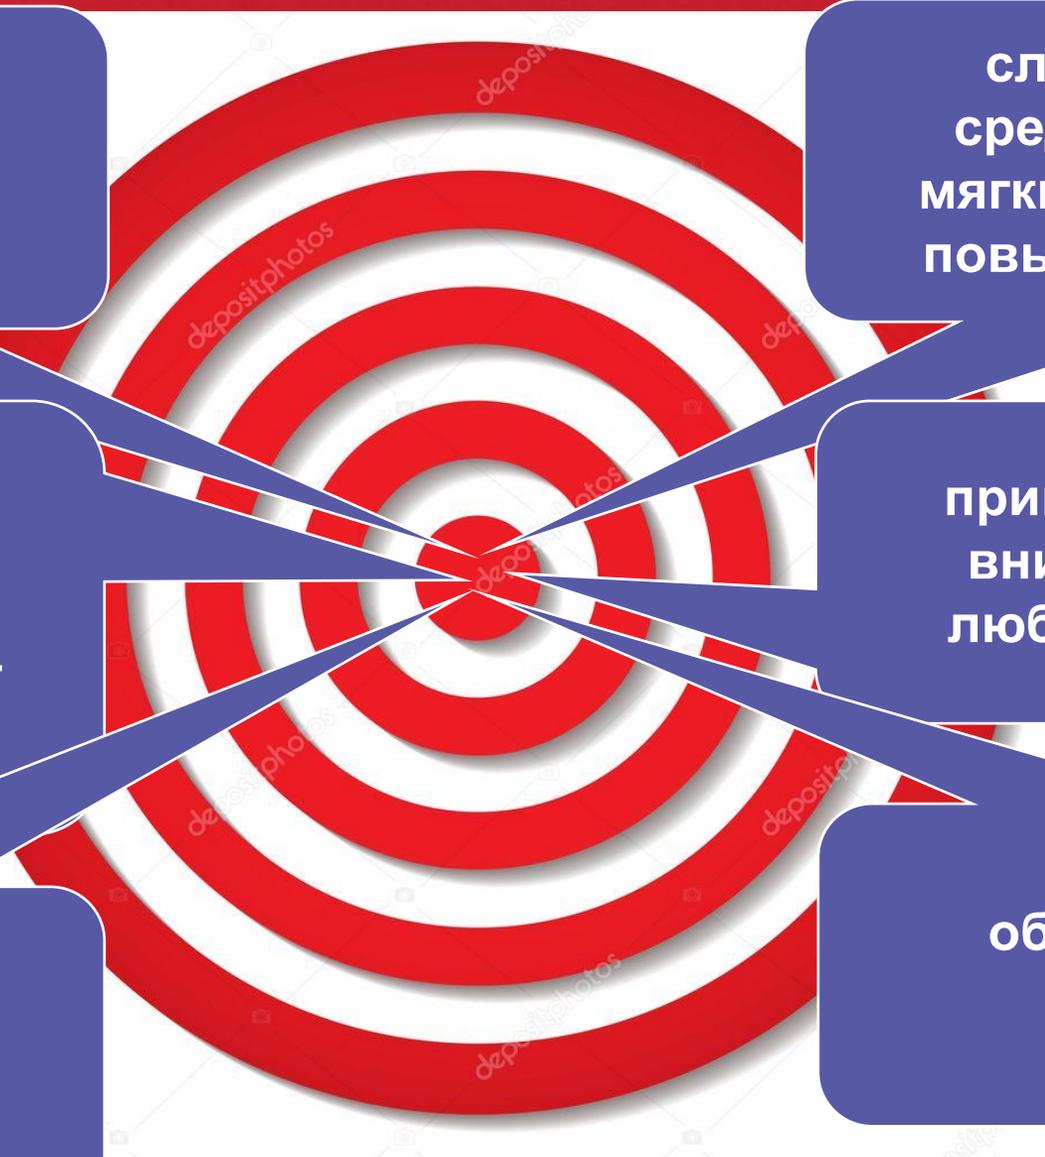

служит эффективным средством для развития мягких и твердых навыков, повышения квалификации и переподготовки

служит способом для демонстрации явлений, ситуаций и событий реального мира, которые нет возможности немедленно продемонстрировать вживую

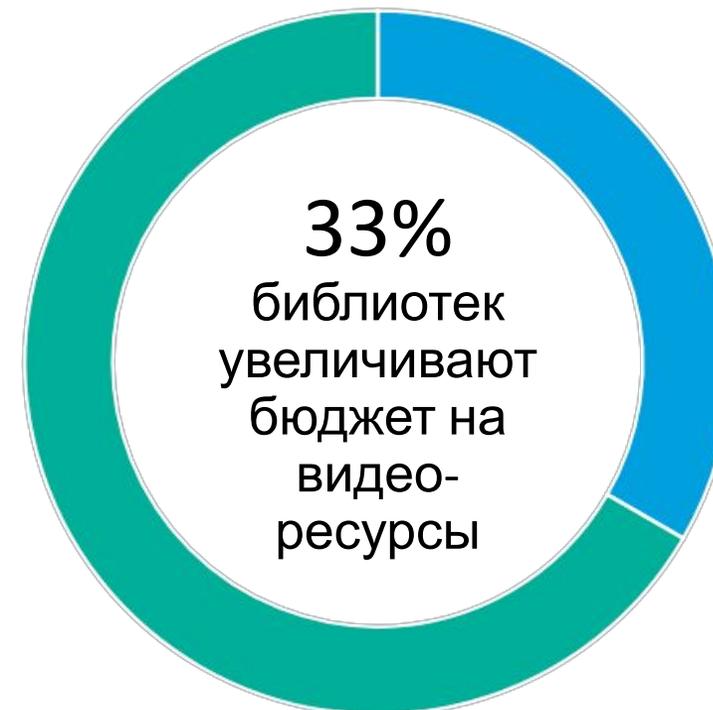

привлекает и удерживает внимание, стимулирует любопытство, вовлекает

становится точкой для начала обсуждения

облегчает восприятие новой и сложной информации

Видео-контент в подписке академических и публичных библиотек

Источник: опрос ProQuest 2019, в котором приняли участие 1353 респондента из числа выпускников со всего мира и преподаватели-исследователи.

Databases

Empowering Researchers with Extraordinary Information

Empower your researchers with less time spent searching for information and more time devoted to research. ProQuest databases provides a single source for scholarly journals, newspapers, reports, working papers, and datasets along with millions of pages of digitized historical primary sources and more than 450,000 ebooks. Renowned abstracting and indexing makes this information easily navigable, while content tools, including instant bibliography and citation generators, simplify management and sharing of research.

on each two hours that you just don't notice where the time's gone. The biggest surprise for me

00:23:30 [music]

00:23:35 LAURA PENHAUL : I think the overall effect of living life in two-hourly chunks is that you're so focused on each two hours that you just don't notice where the time's gone.

00:23:40 NATALIA COHEN : The biggest surprise for me is actually how quickly we adapt as human beings, physically and mentally, to a situation that we've put ourselves in.

00:23:55 [music]

00:24:00 NATALIA COHEN : My main concern right now is that we have a weather window when we look at the full picture for getting to Cairns. The longer we take on this leg, the less time we have to do the other legs, and it has a knock-on effect.
