

The letter from Santa Claus!

Dear friends,

My name is Santa Claus. I am ninety nine years old. I live in Laplandiya.

I have got nine deer.

Today I am sad. I can't find my deer Rudolph!

Help me, please.

Rudolph will come if you get a lot of carrots. He loves carrots very much!

Santa Claus

*Christmas comes!

Christmas in Great Britain is on the 25th of December. It is a very big holiday! People decorate their houses, buy presents and cook turkey (индейка) dinner. Children like to sing Christmas songs-carols. At this time Santa Claus is busy too.

Yesterday he got up early, washed his face and hands with snow. At 7 a.m. he had an ice-cream and a cup of cold tea for breakfast. Then he sat in the sleigh(сани) and flew to different countries. At 2 p.m. Santa Claus came back home. He read children's letters and made Christmas presents for his friends.

He loves to fly in the sky and bring presents to the children.
