

heart goes out to (someone)
искренне сочувствовать,
жалеть кого-либо

*to the bottom of the heart
— до глубины души*

to take to heart

— *принимать близко к сердцу*

to lose heart - отчаиваться, падать духом

Watching movies is a very exciting activity. Watching an interesting film is like living a small life. The American film "Hachiko" bottom of the me heart. The plot of the film is a sad story of friendship between a dog and a man. The dog, infinitely loyal to its owner, does not to lose heart after parting with a man, waits for his friend until the last minute of his life. I was particularly impressed by the dog's eyes full of sadness, grief and grief. I took this film to heart and could not calm down for a long time ...
