m. coccygeus

Диафрагма таза

m.levator ani

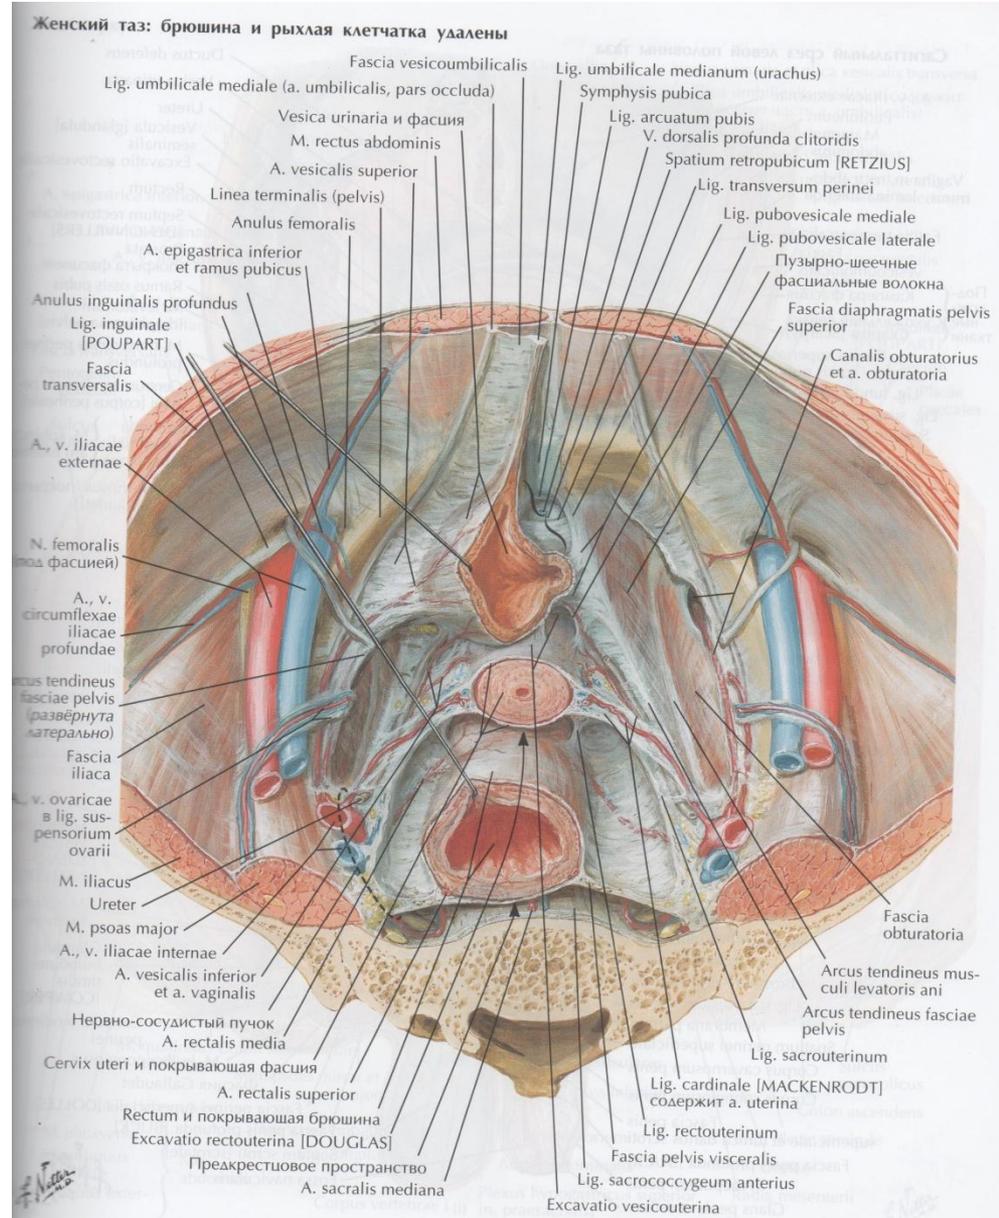

© www.kenhub.com

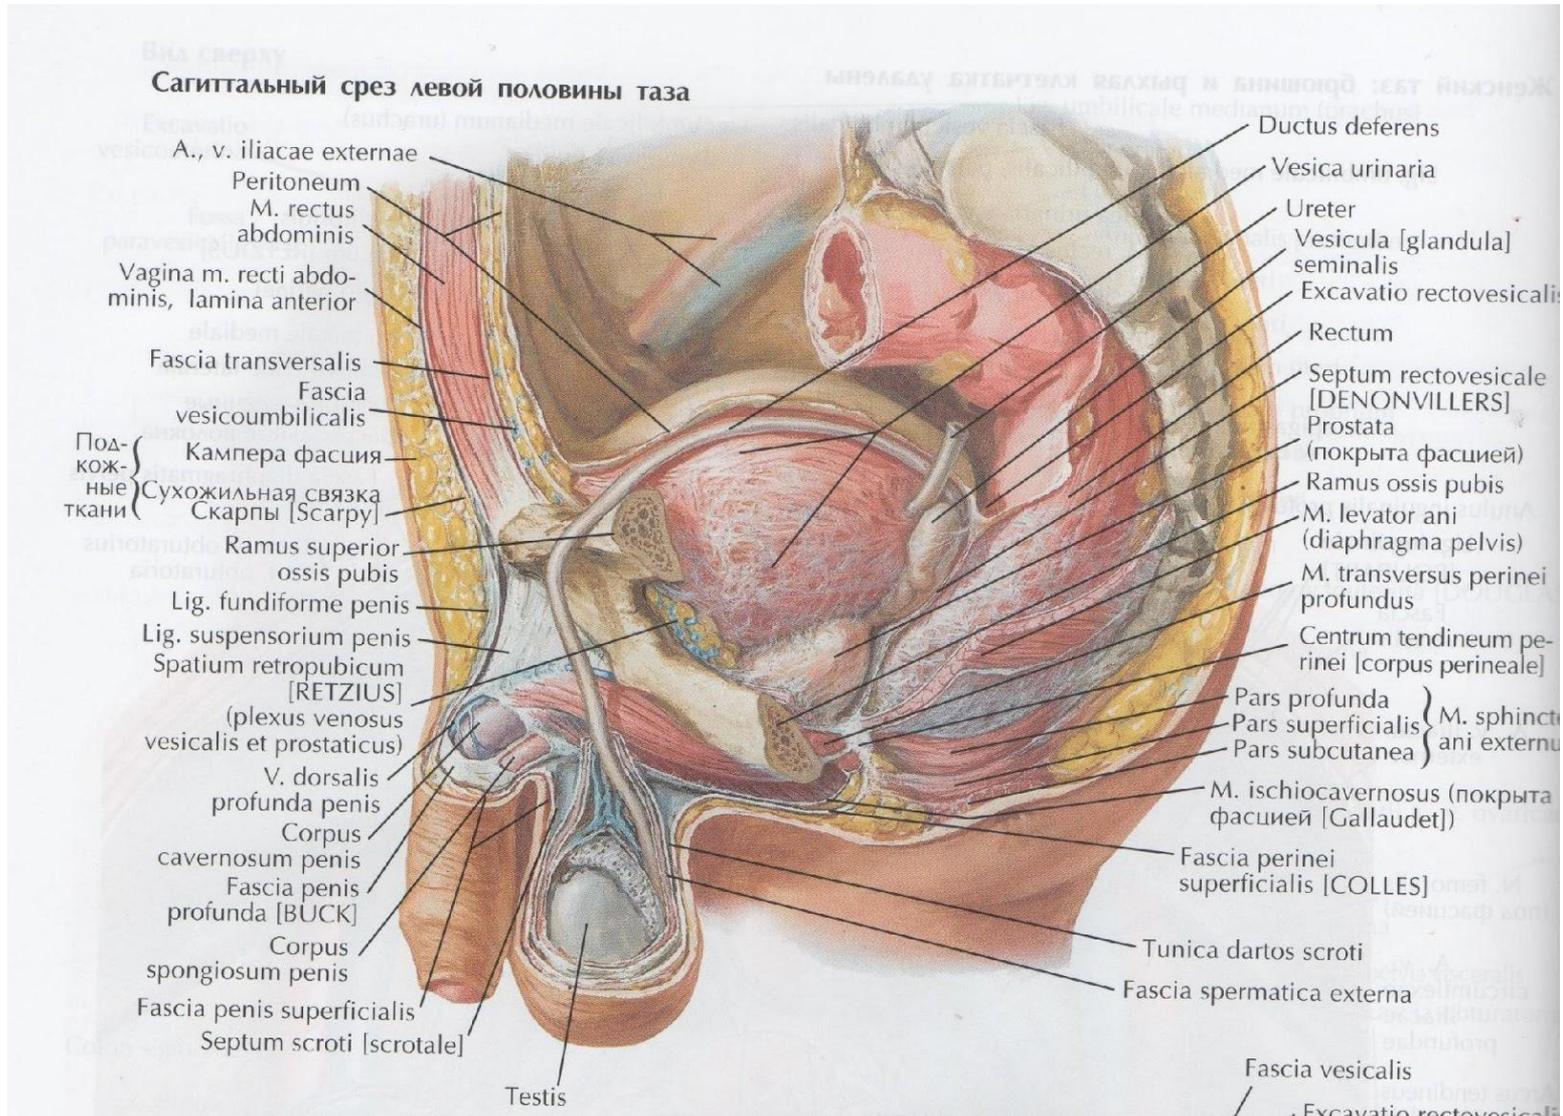

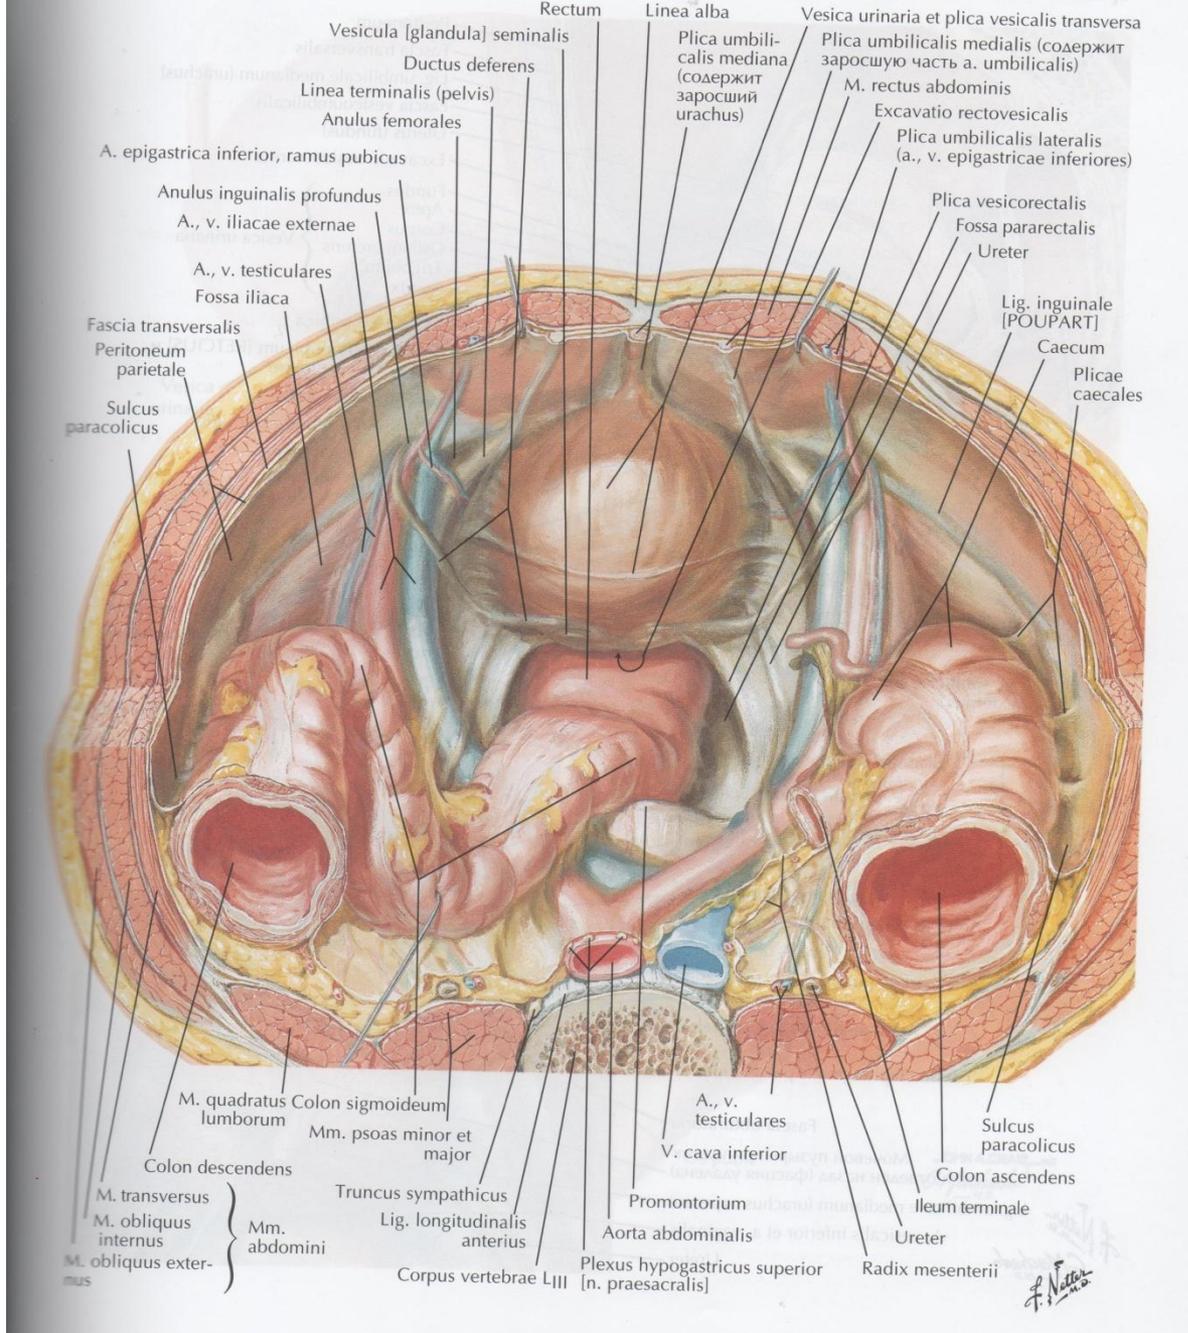

m. transversus perinei profundus

Фасции таза

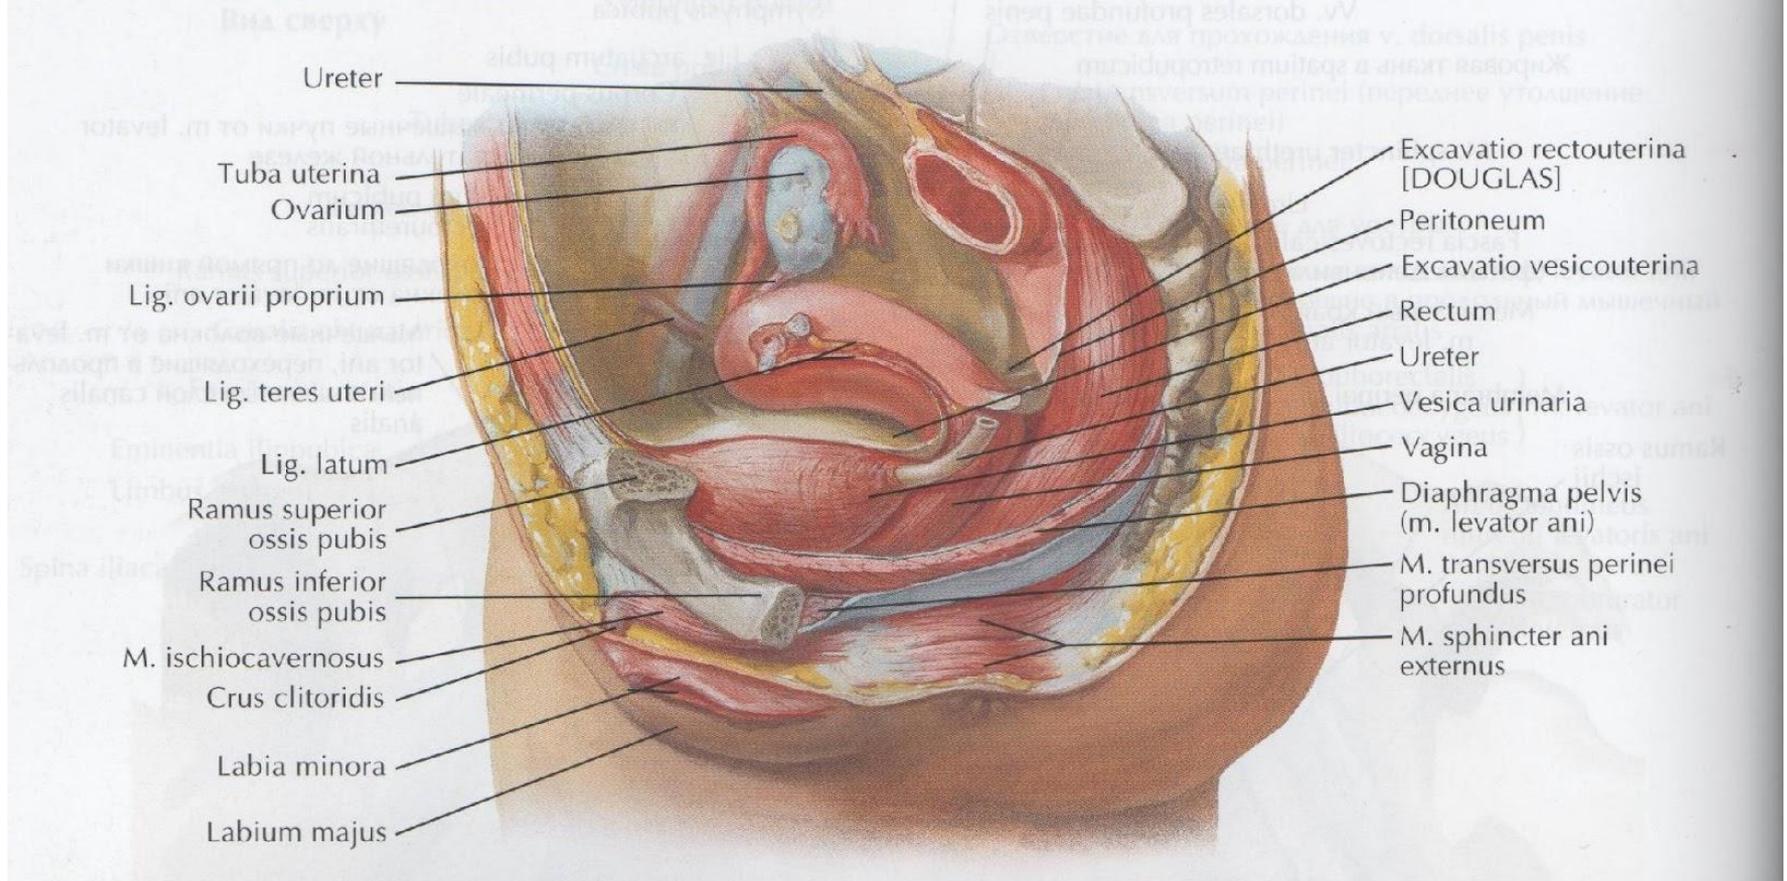

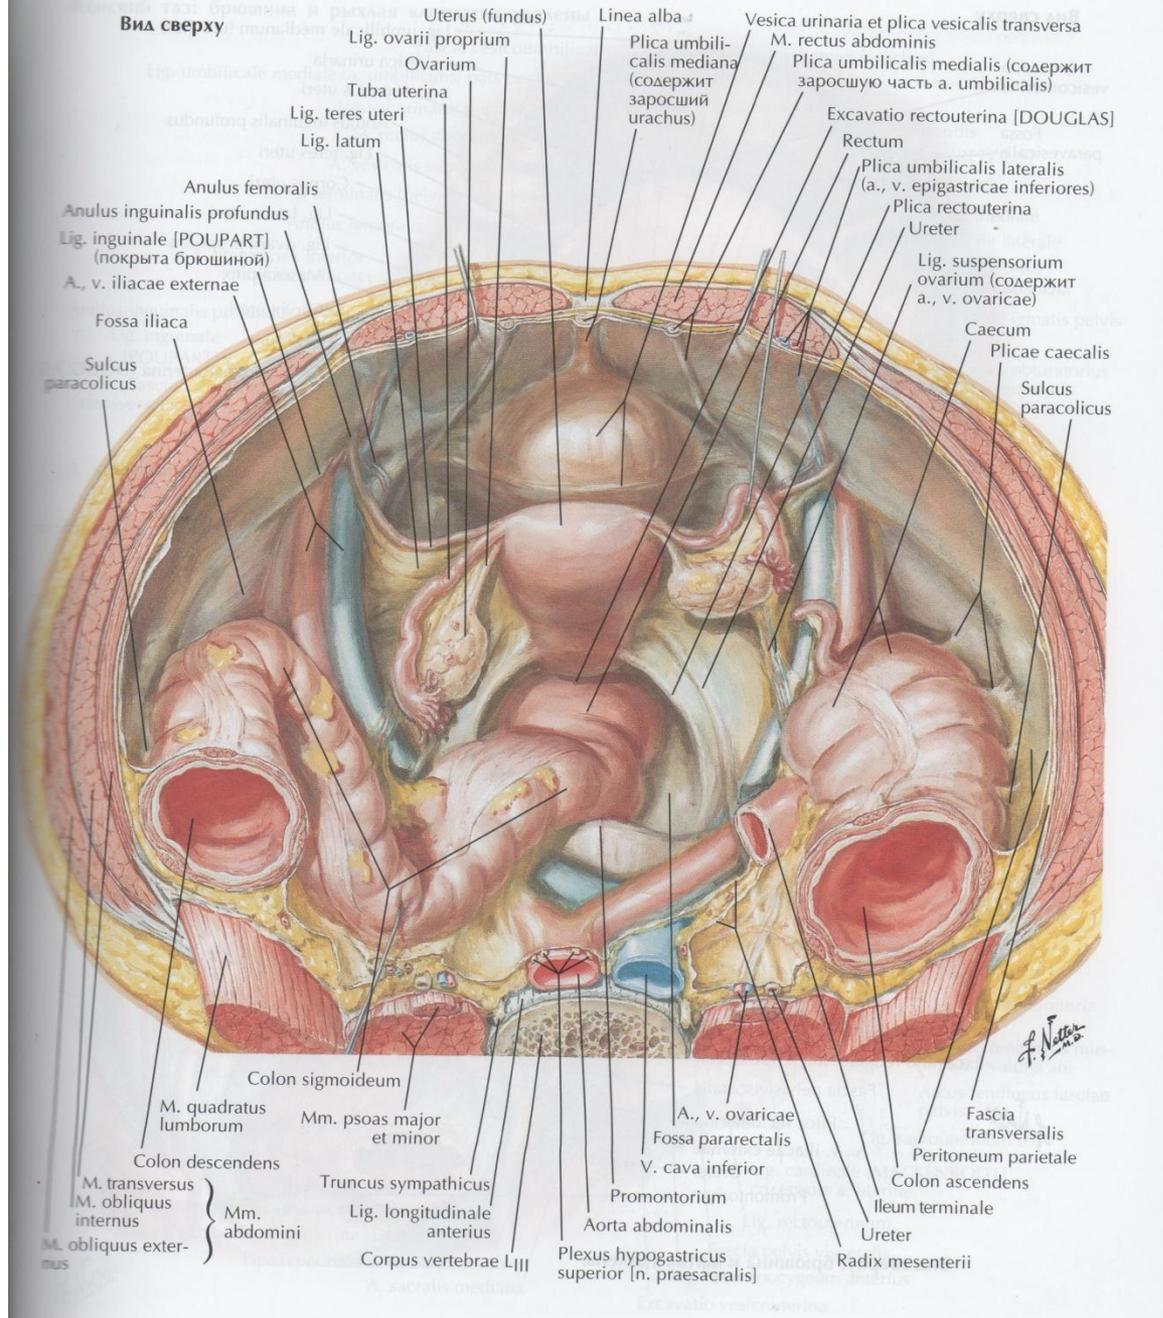

Cavum pelvis peritoneale

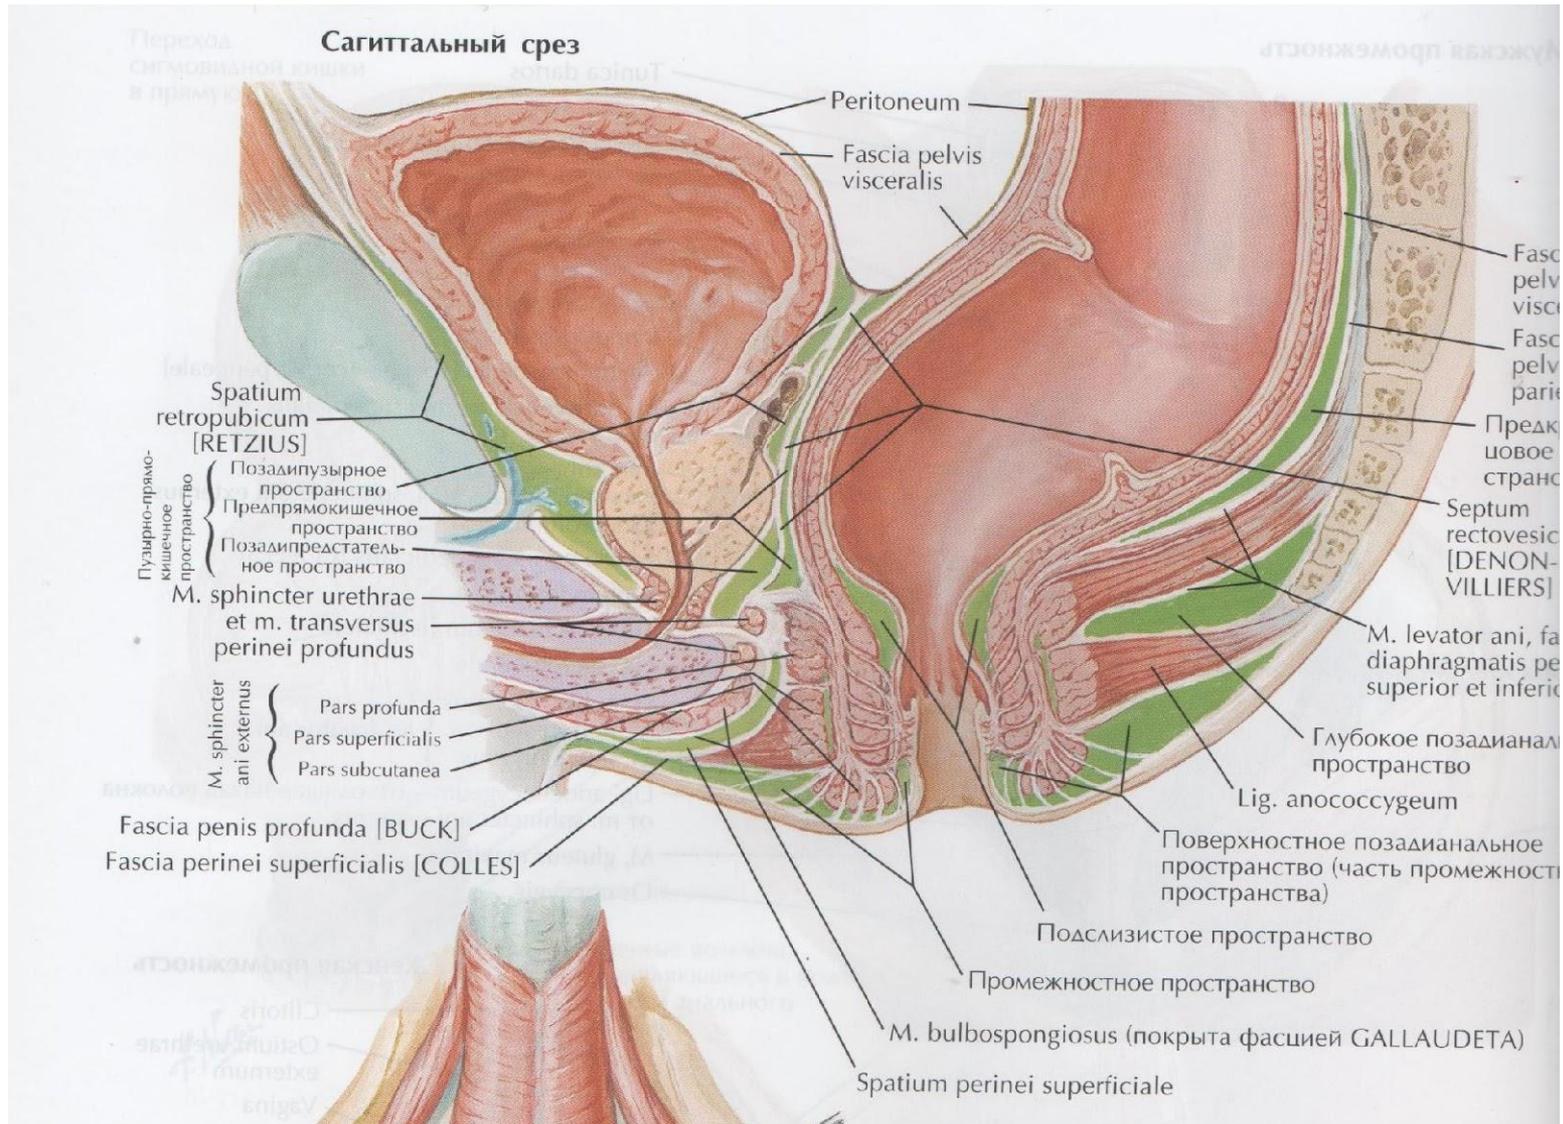

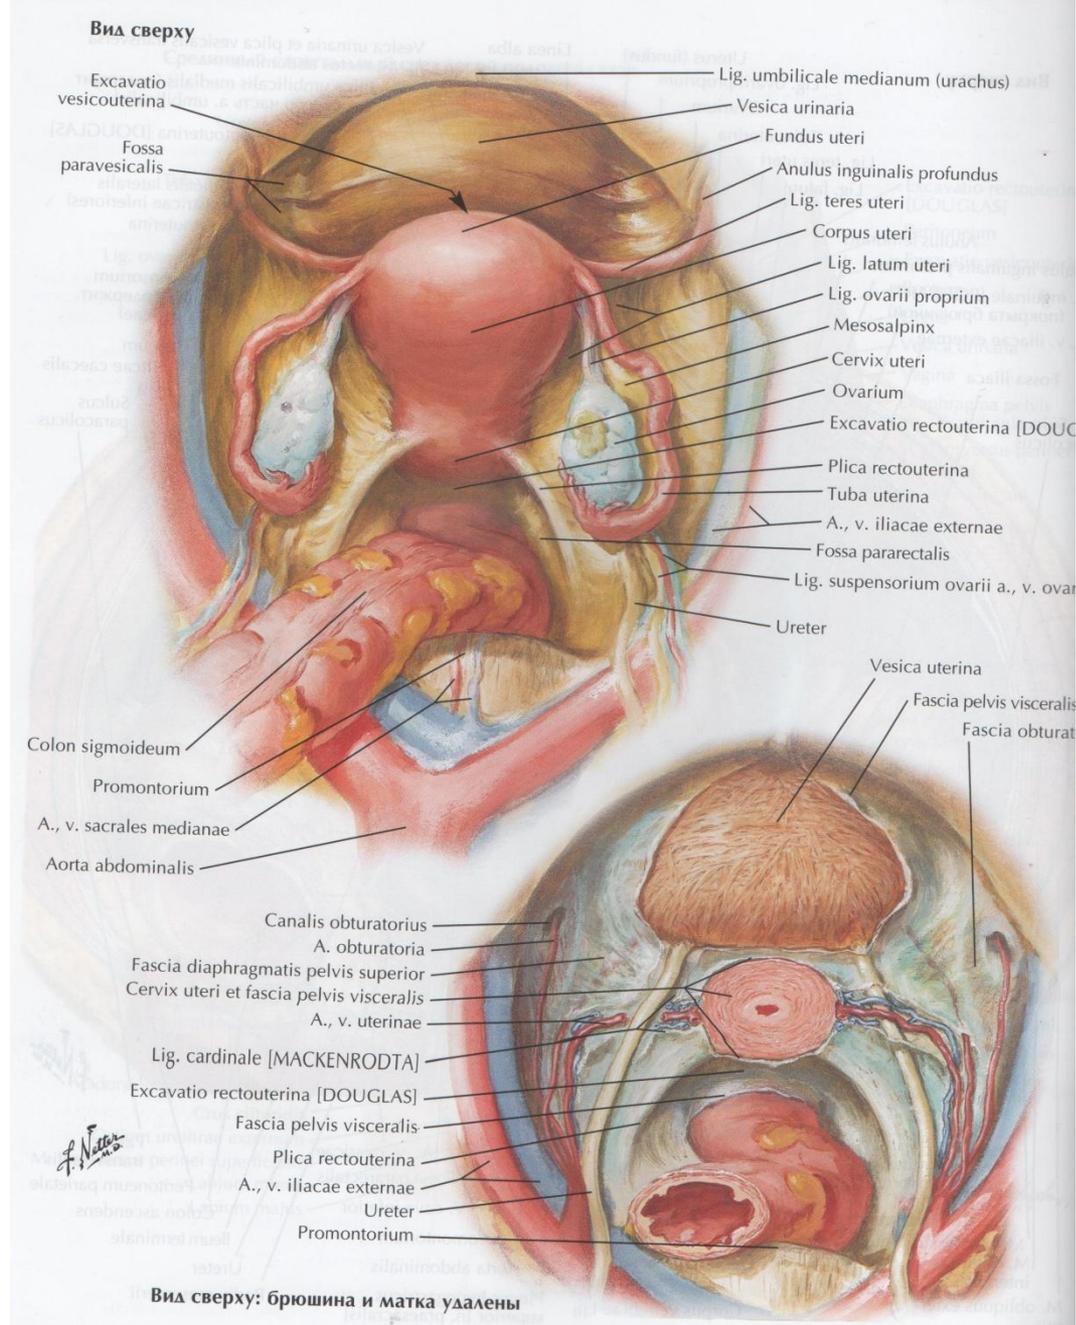

Срединный сагиттальный срез левой половины таза

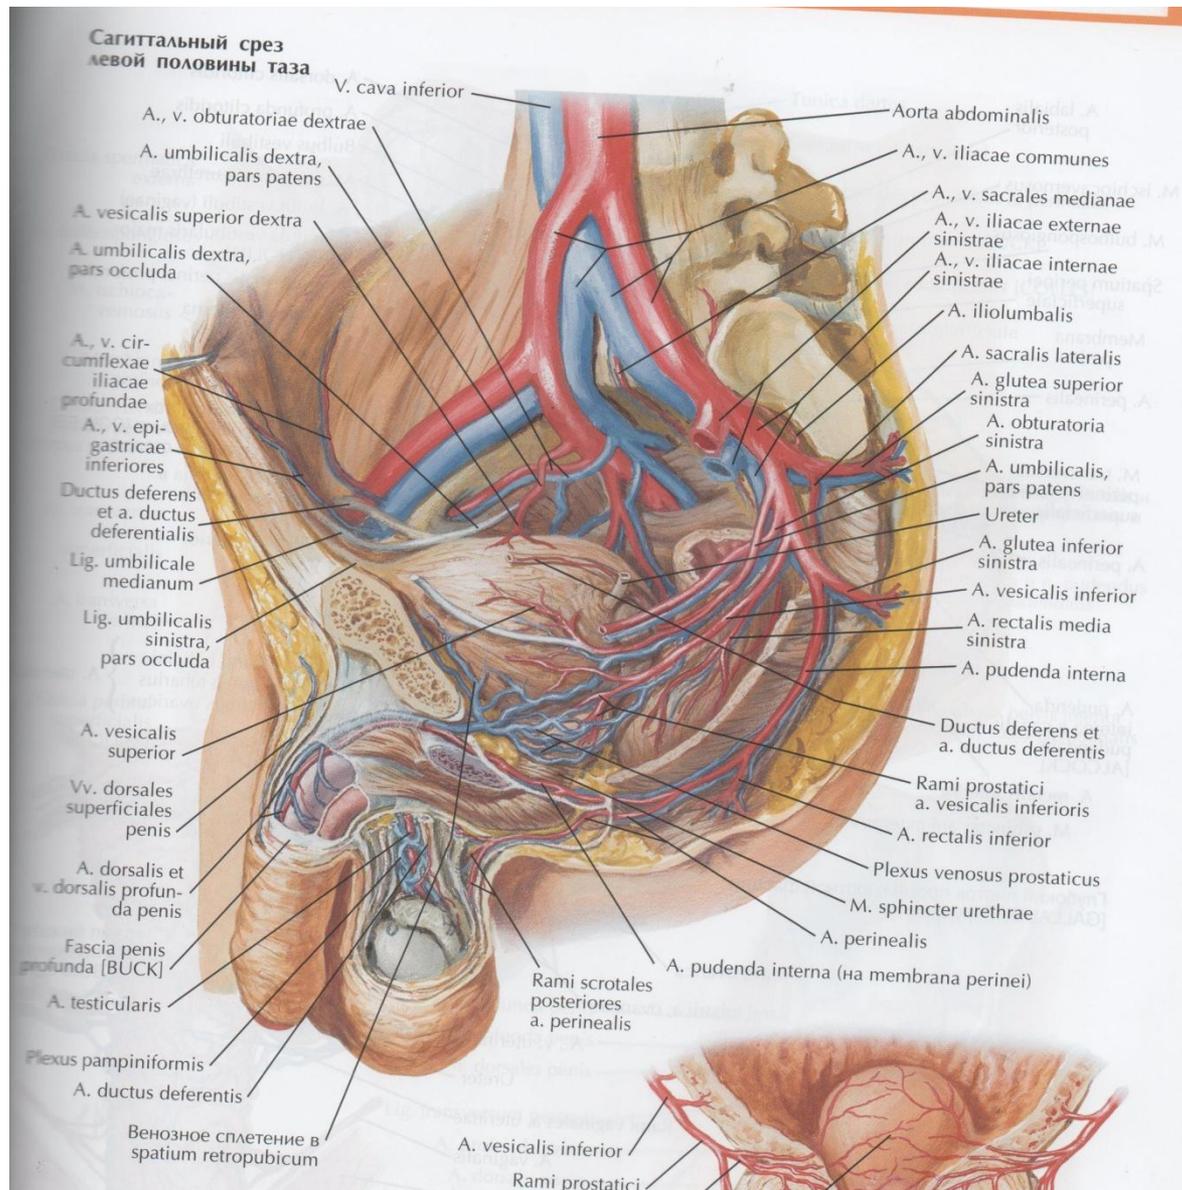

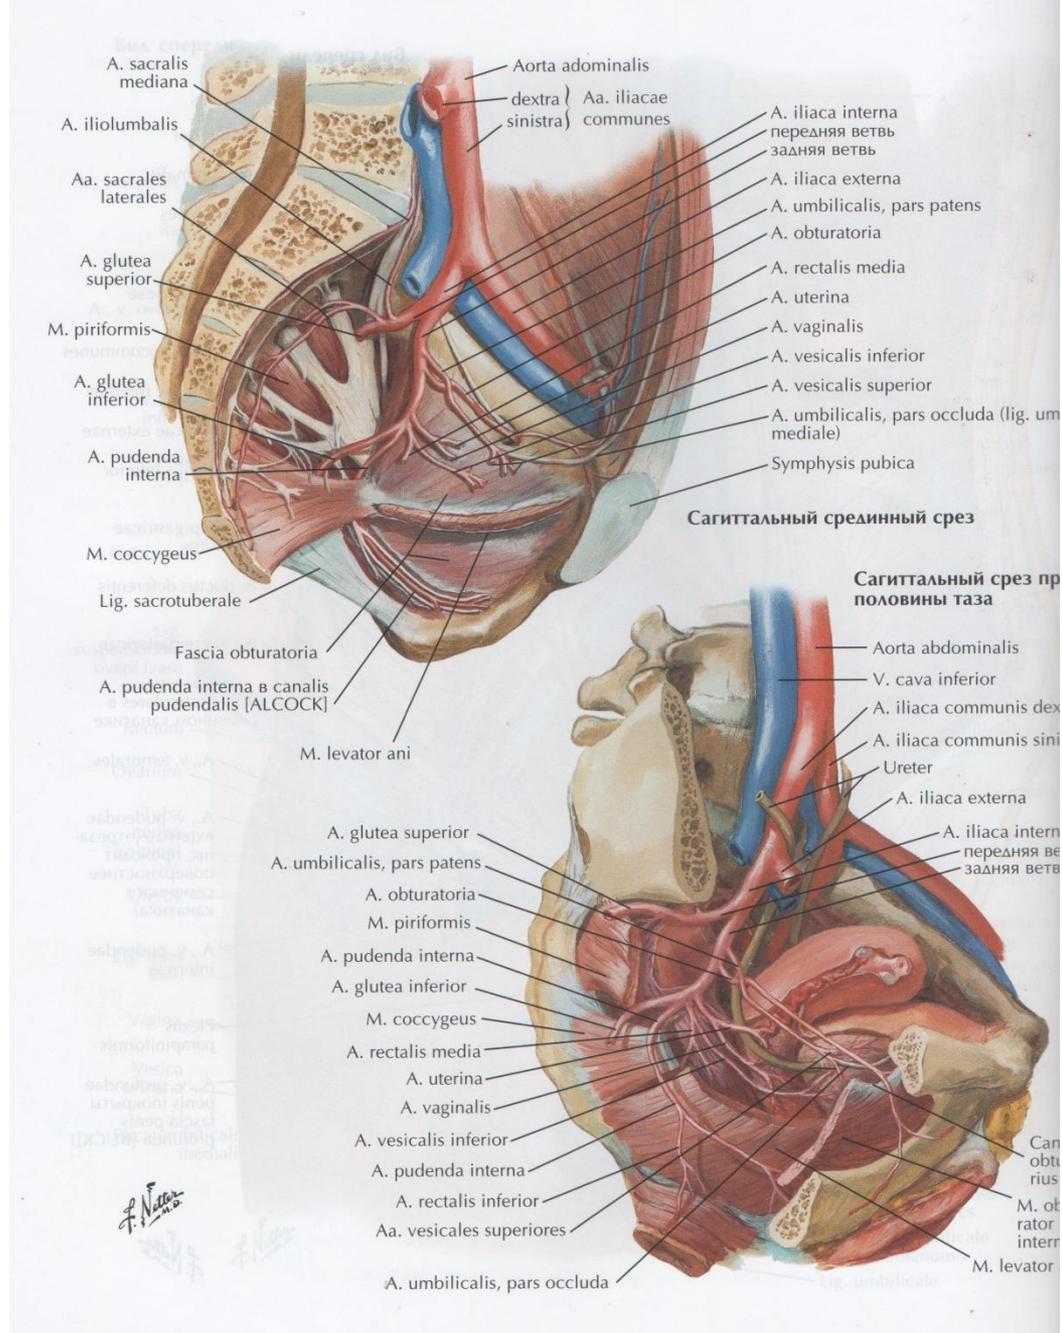

Cavum pelvis subperitoneale

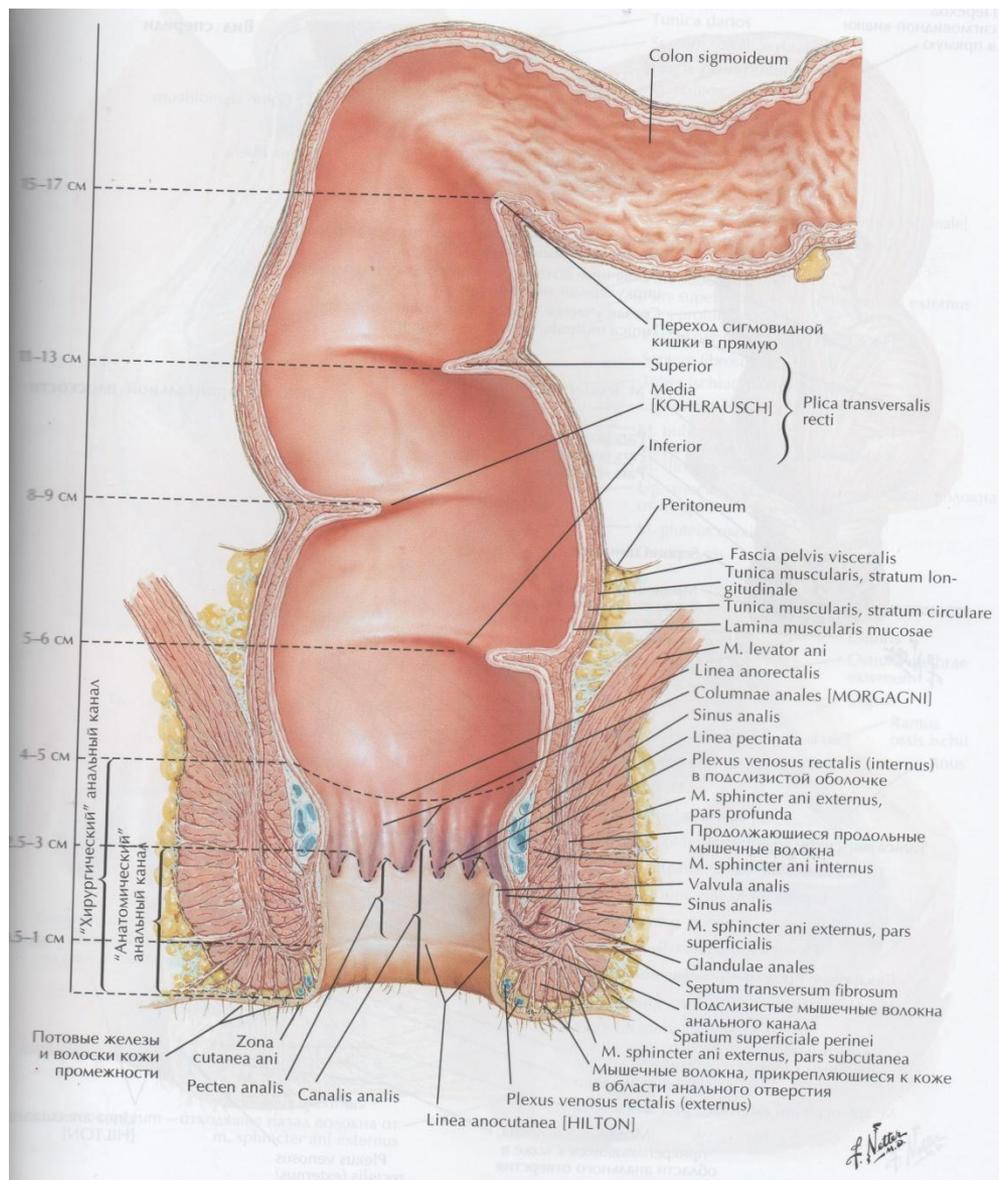

A. iliaca interna

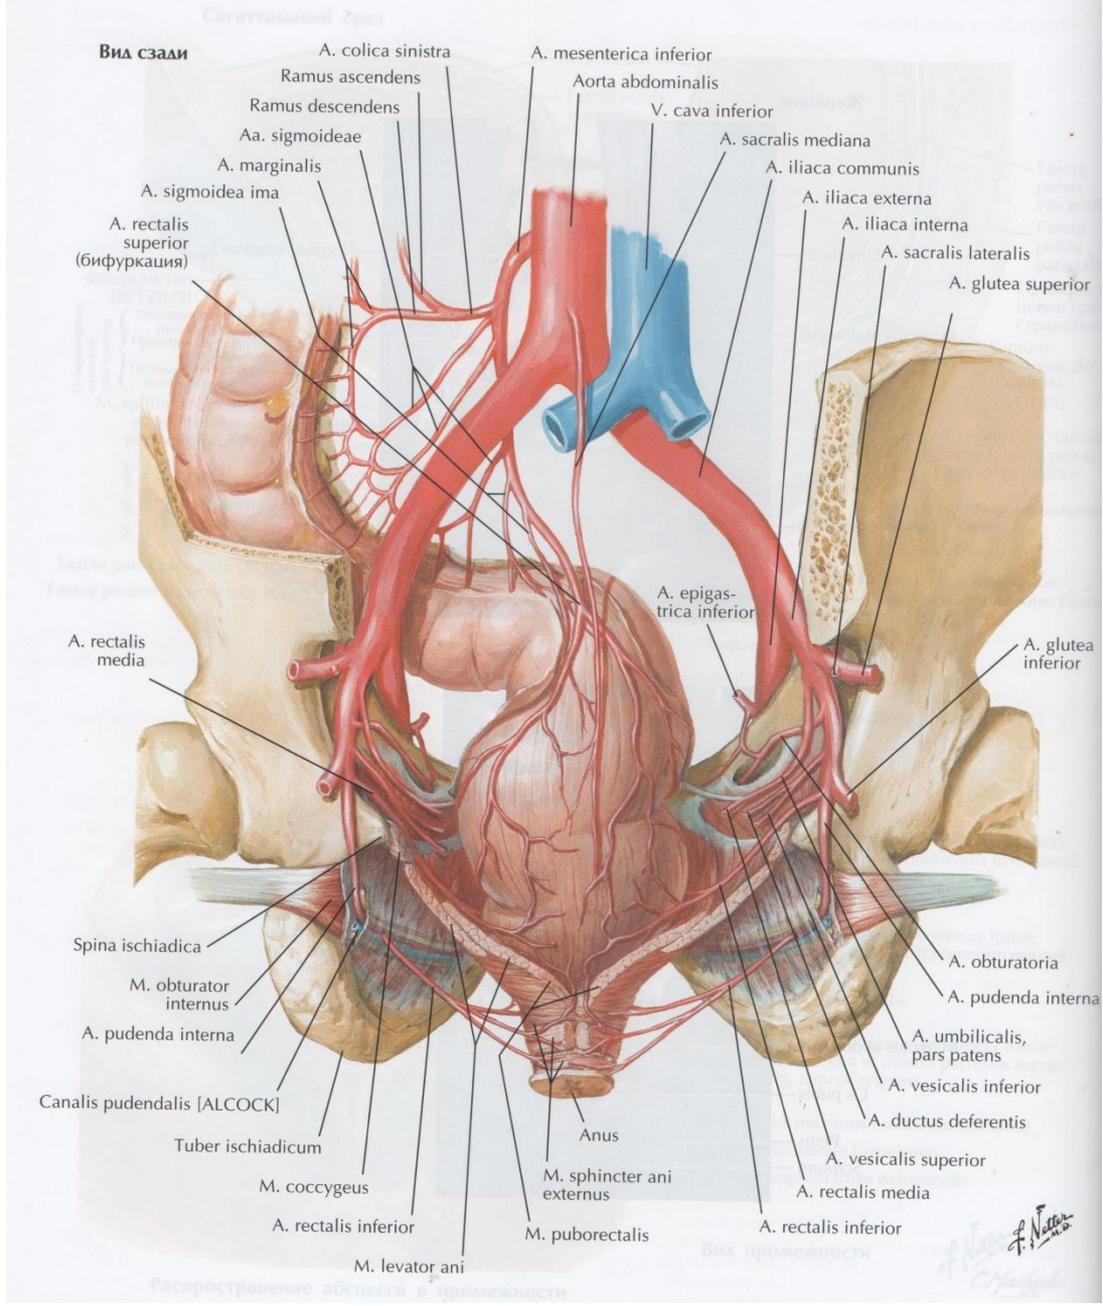

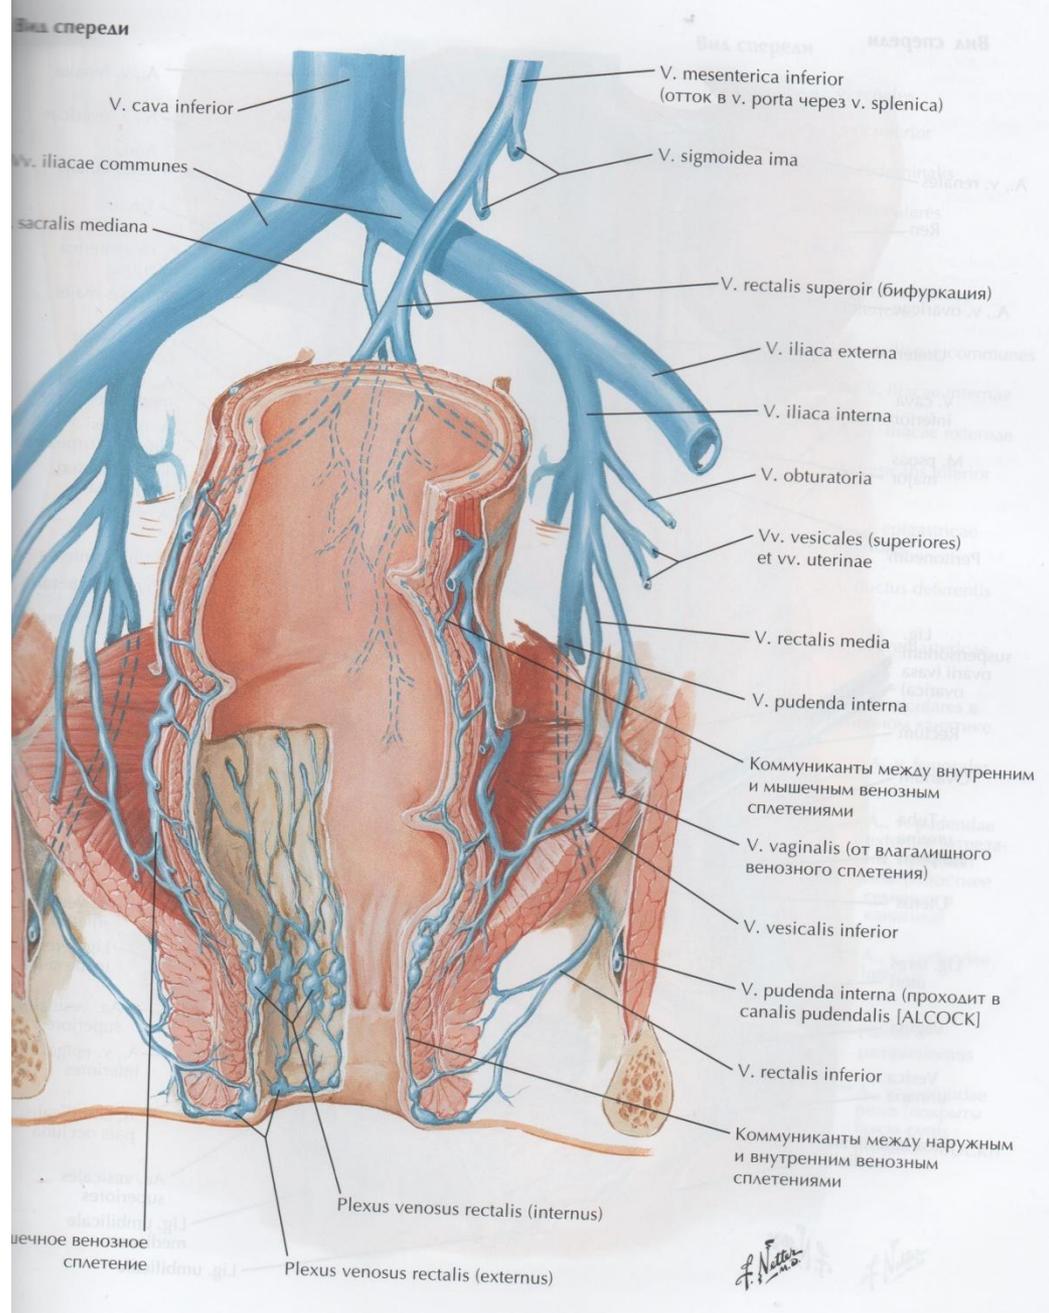

Rectum

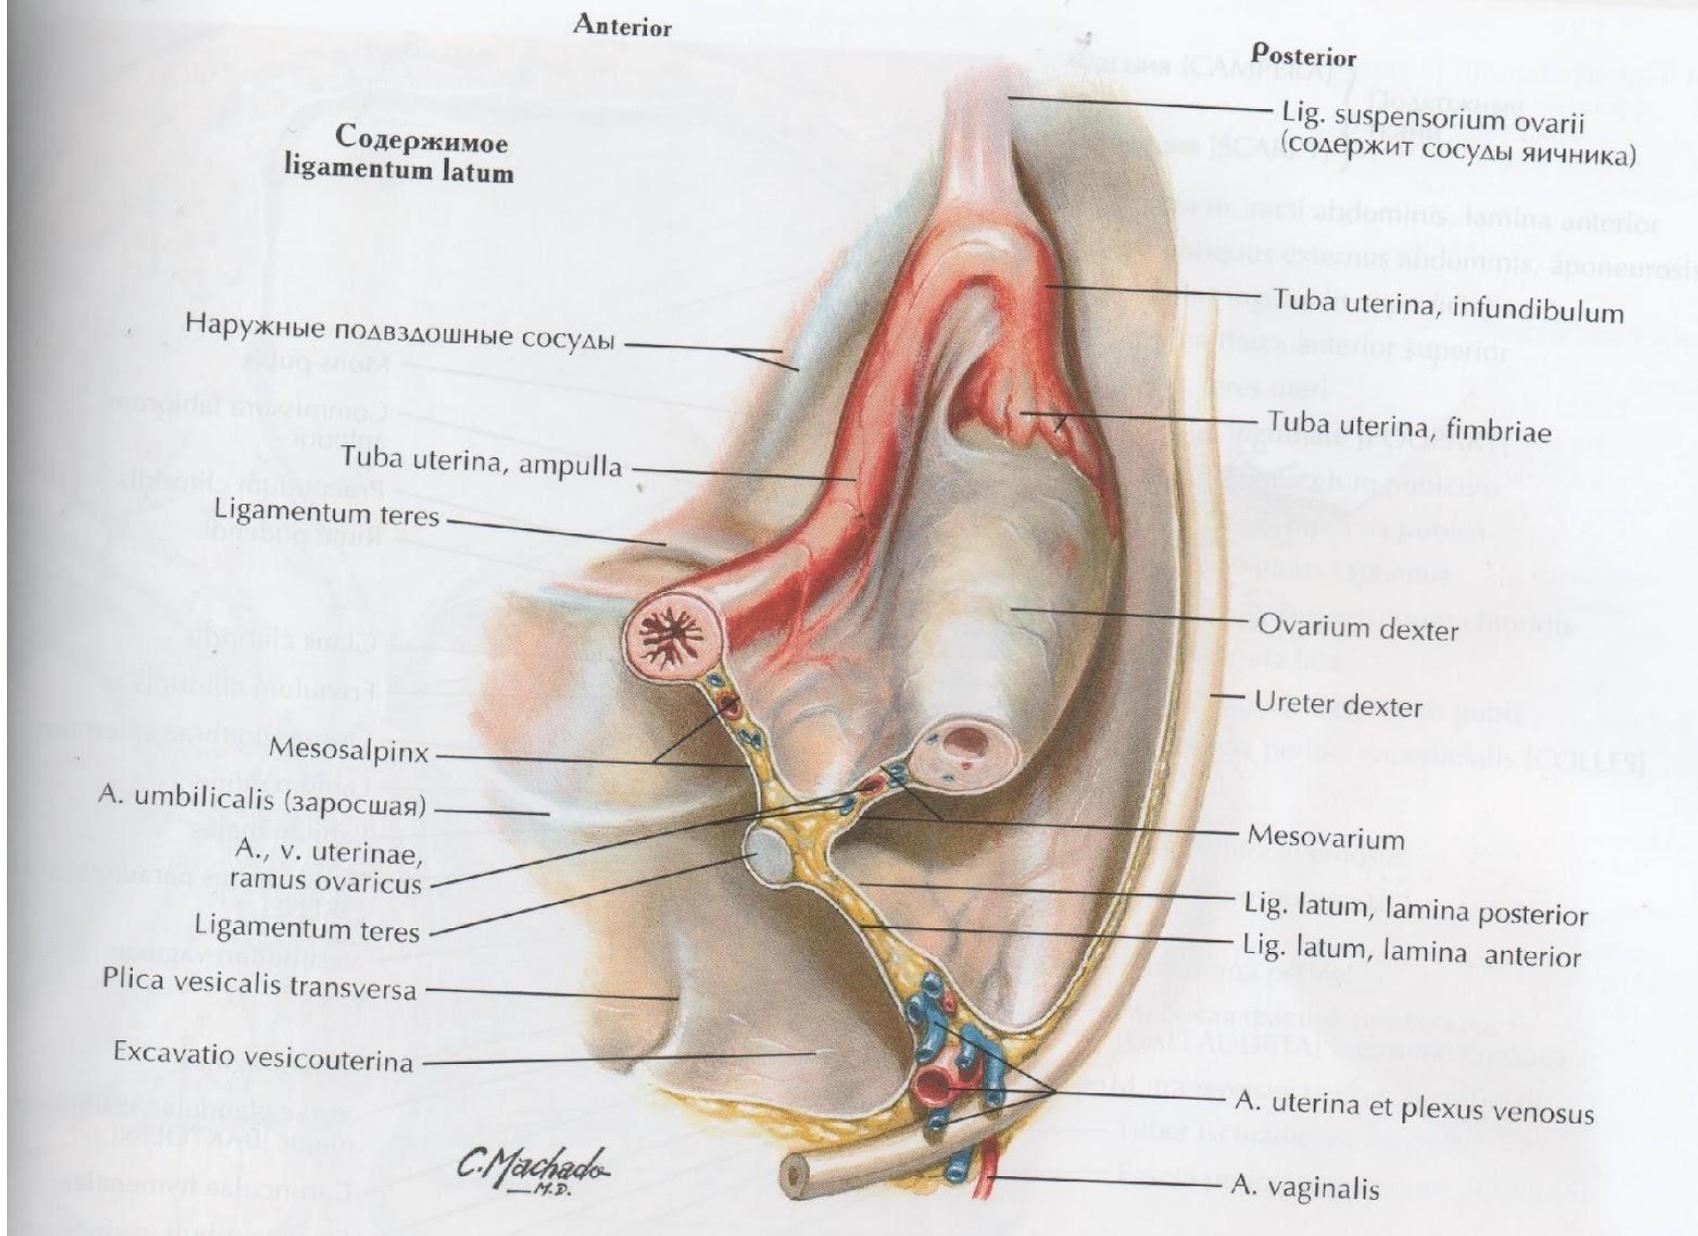

Выпадение прямой кишки (МКБ—10: K62.3)

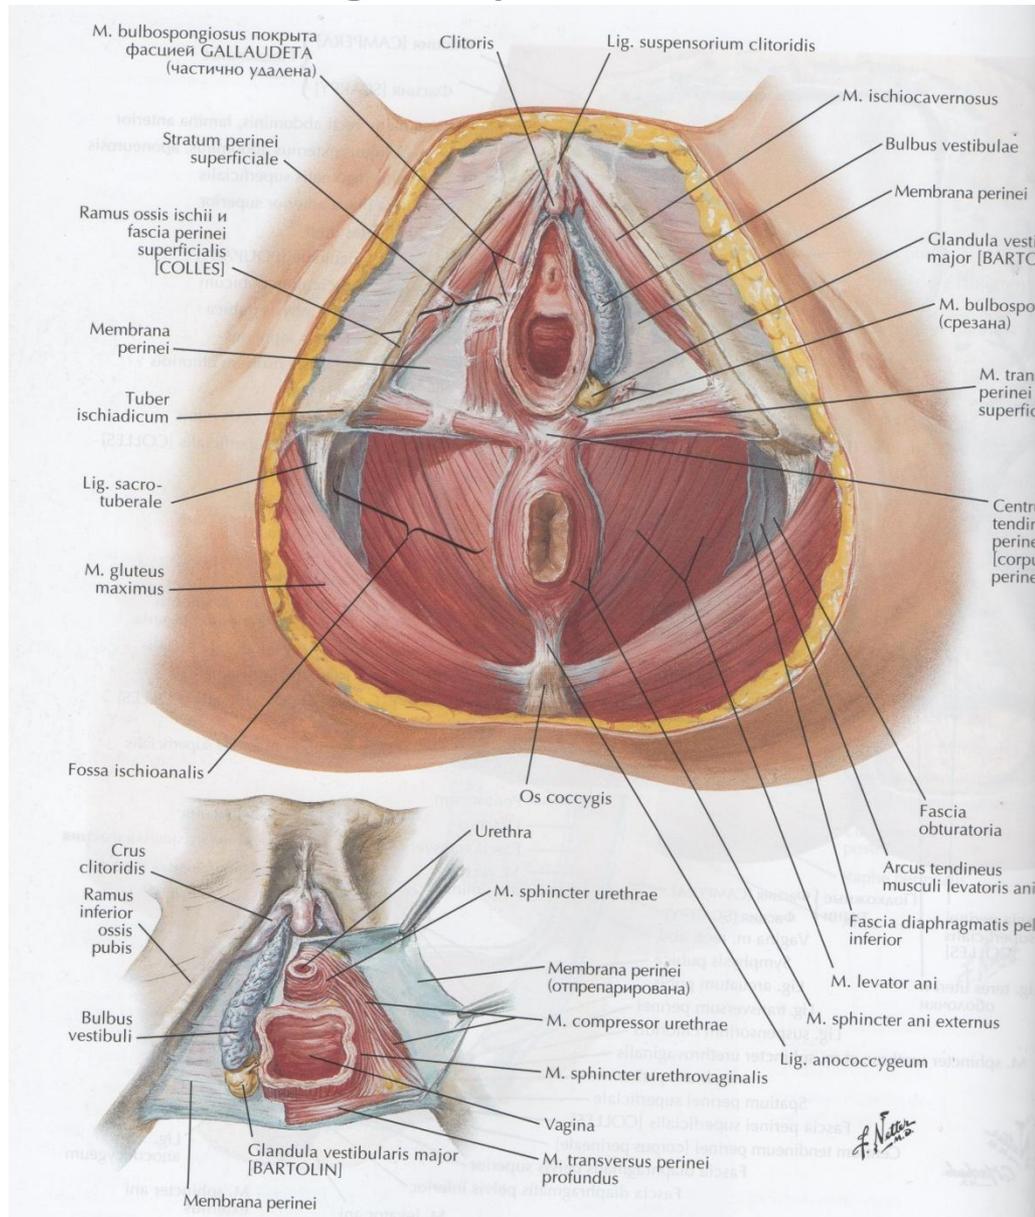

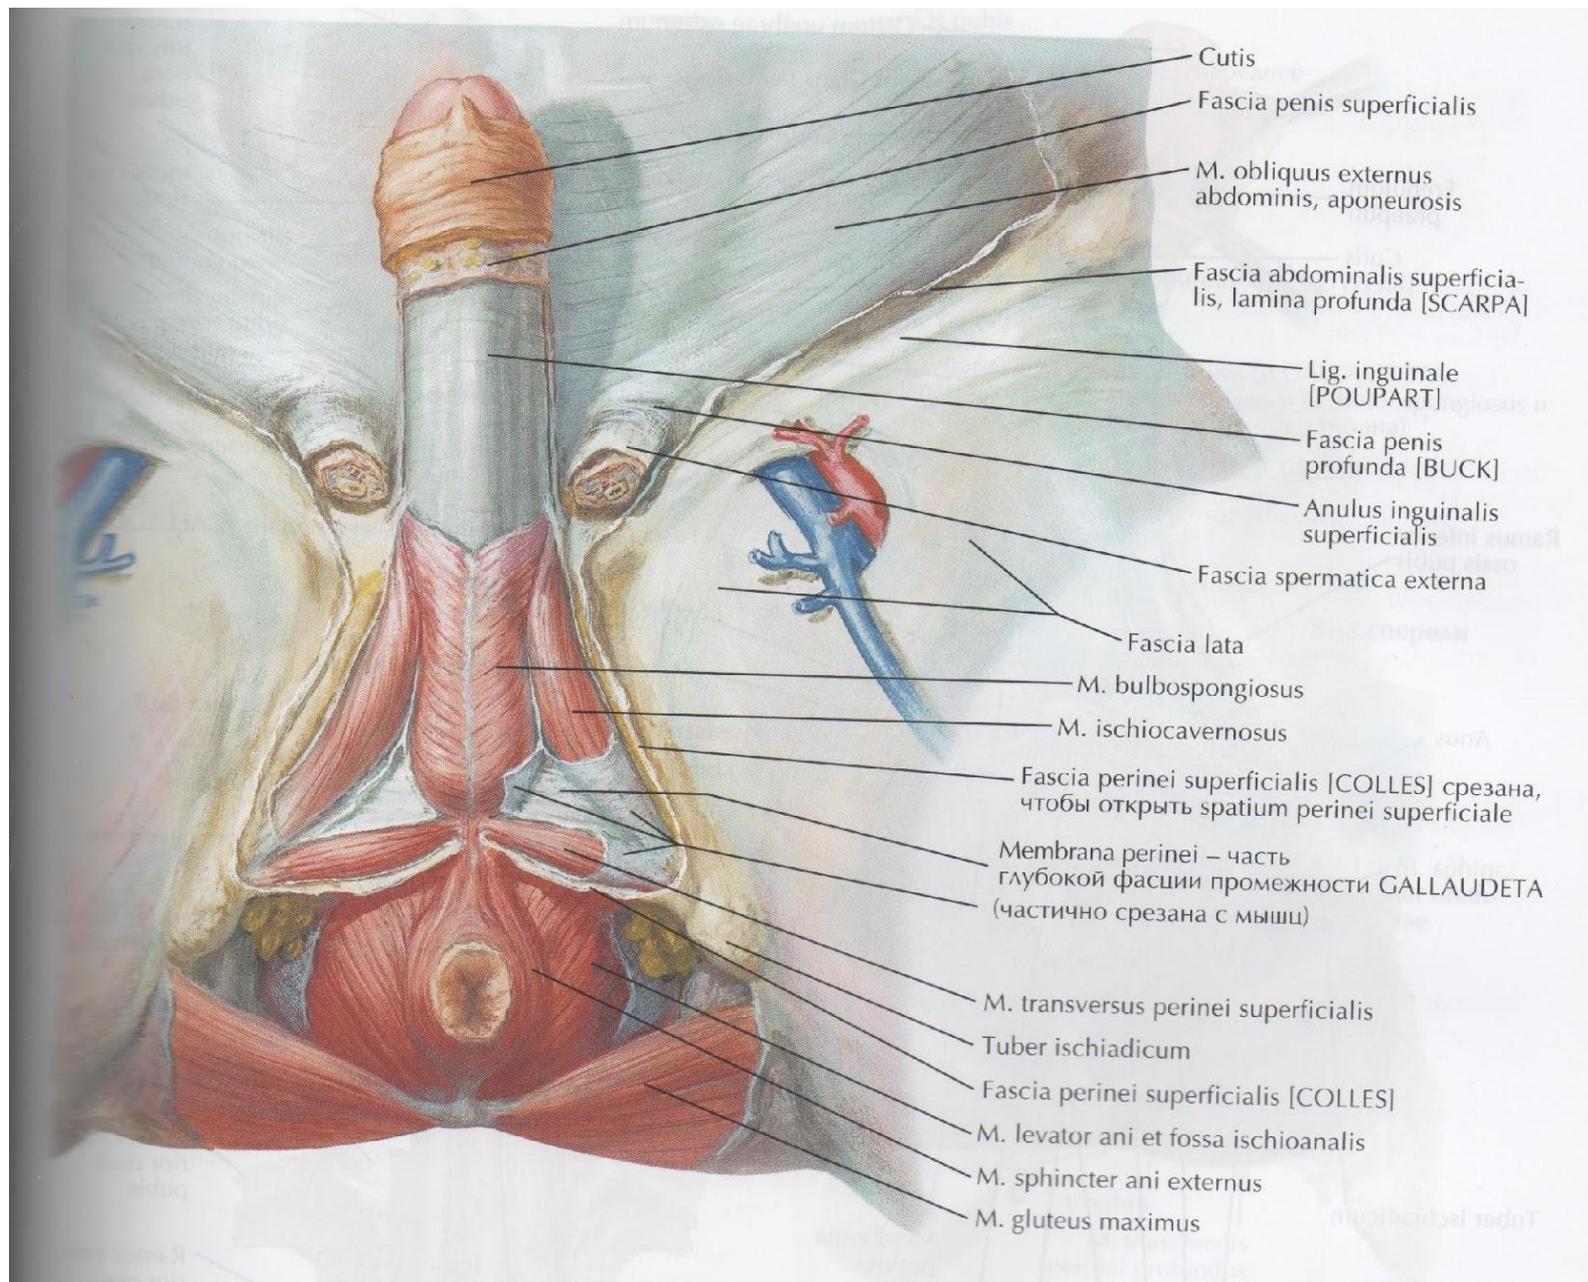

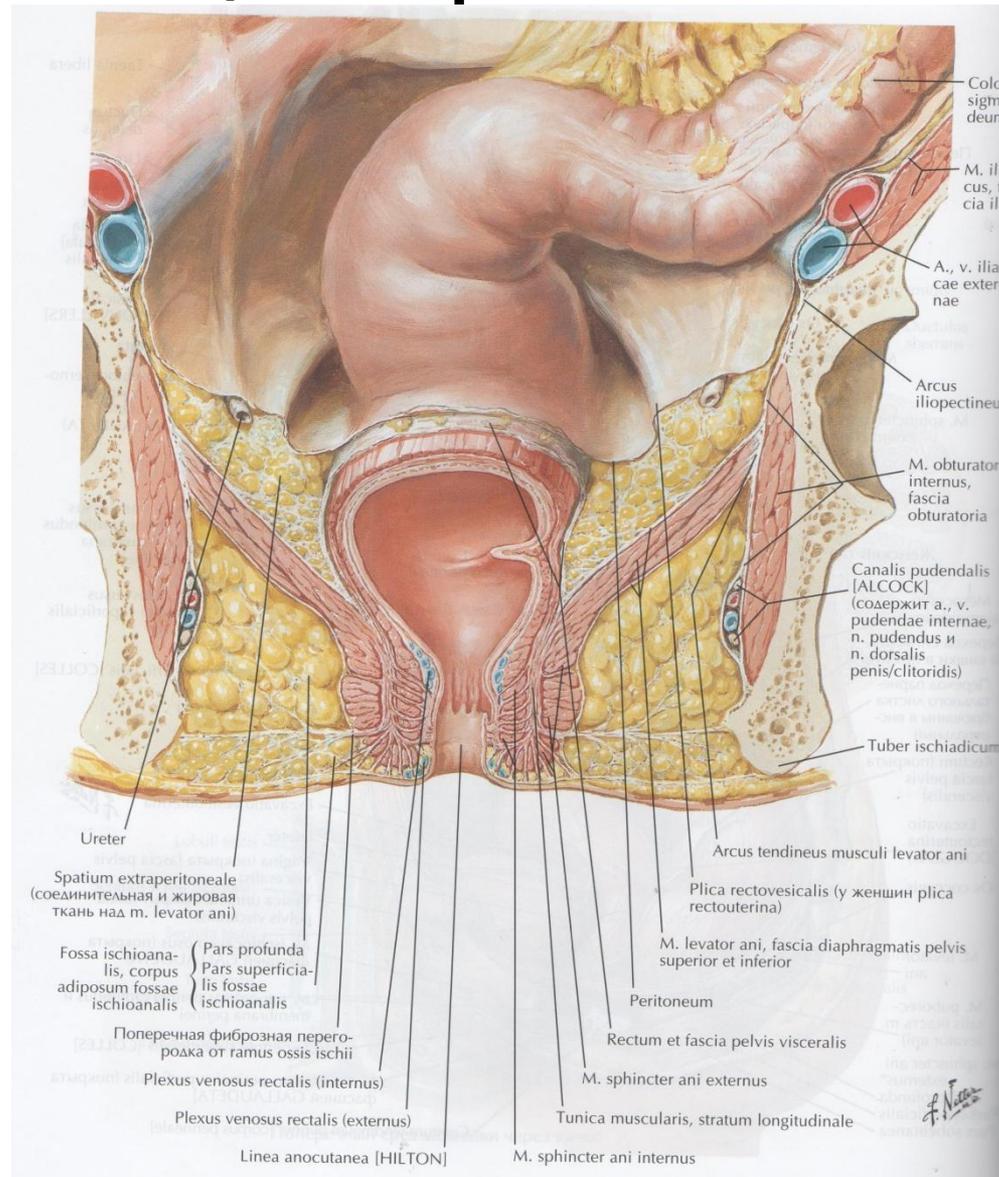

Regio perinealis

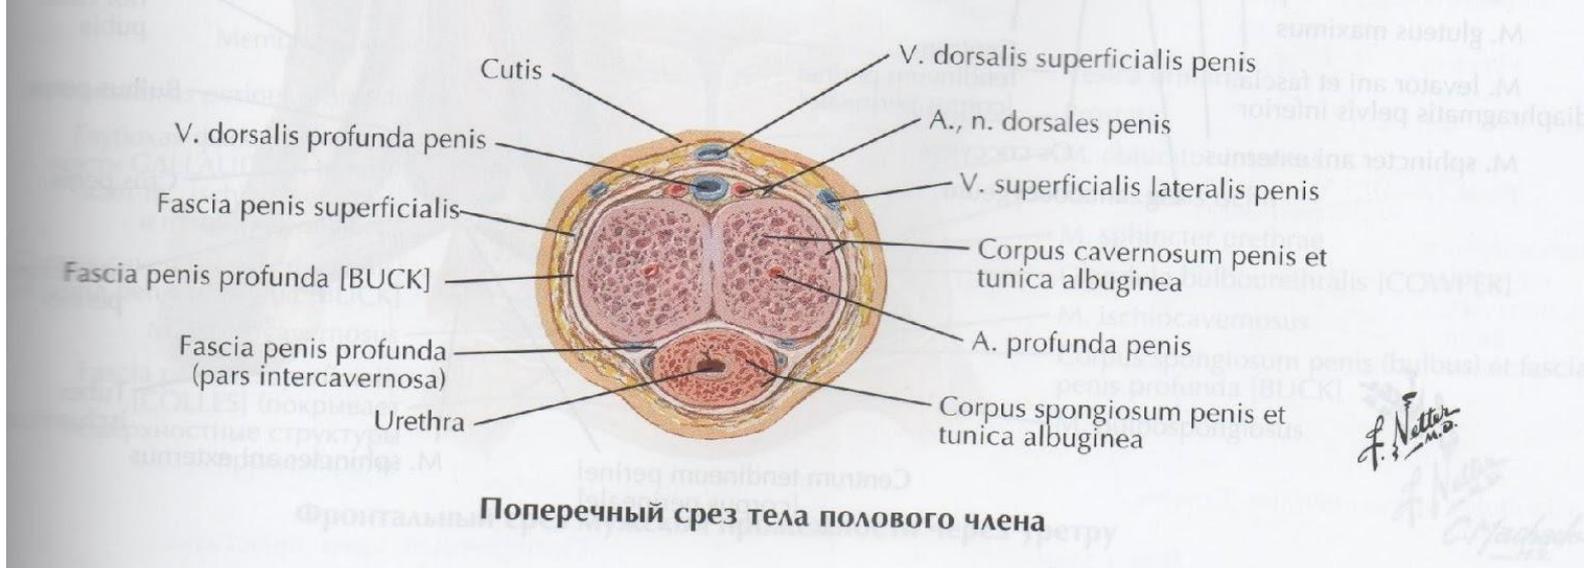

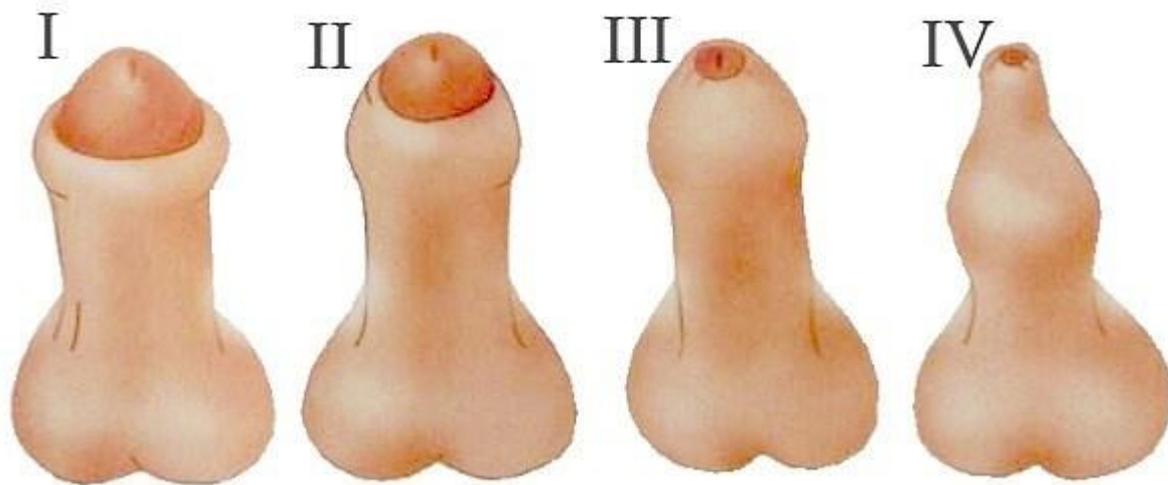

- Cutis
- Fascia penis superficialis
- M. obliquus externus abdominis, aponeurosis
- Fascia abdominalis superficialis, lamina profunda [SCARPA]
- Lig. inguinale [POUPART]
- Fascia penis profunda [BUCK]
- Anulus inguinalis superficialis
- Fascia spermatica externa
- Fascia lata
- M. bulbospongiosus
- M. ischiocavernosus
- Fascia perinei superficialis [COLLES] срезана, чтобы открыть spatium perinei superficiale
- Membrana perinei – часть глубокой фасции промежности GALLAUDETA (частично срезана с мышц)
- M. transversus perinei superficialis
- Tuber ischiadicum
- Fascia perinei superficialis [COLLES]
- M. levator ani et fossa ischioanalis
- M. sphincter ani externus
- M. gluteus maximus

Седлажно-прямокишечная ямка

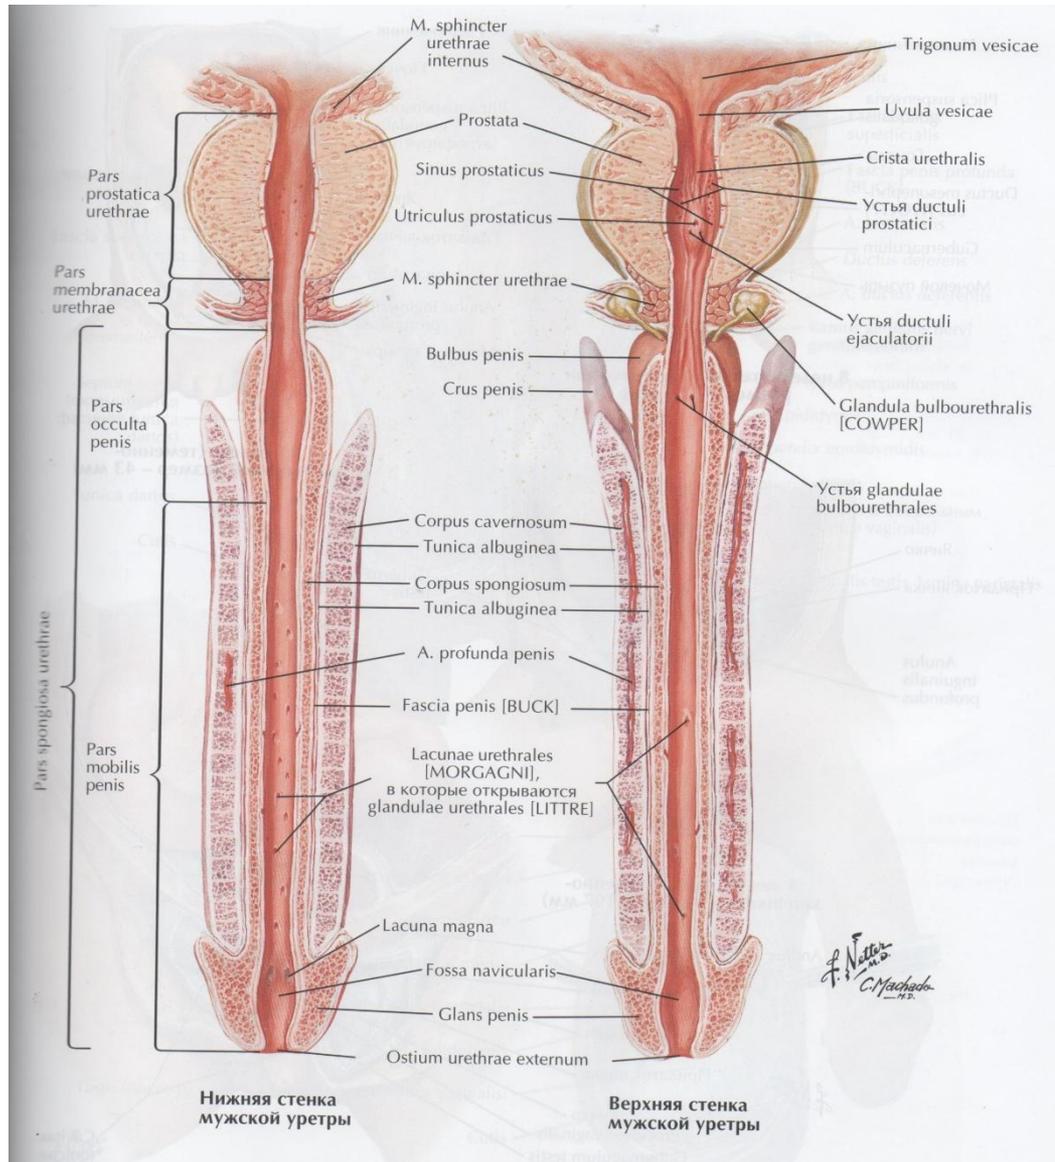

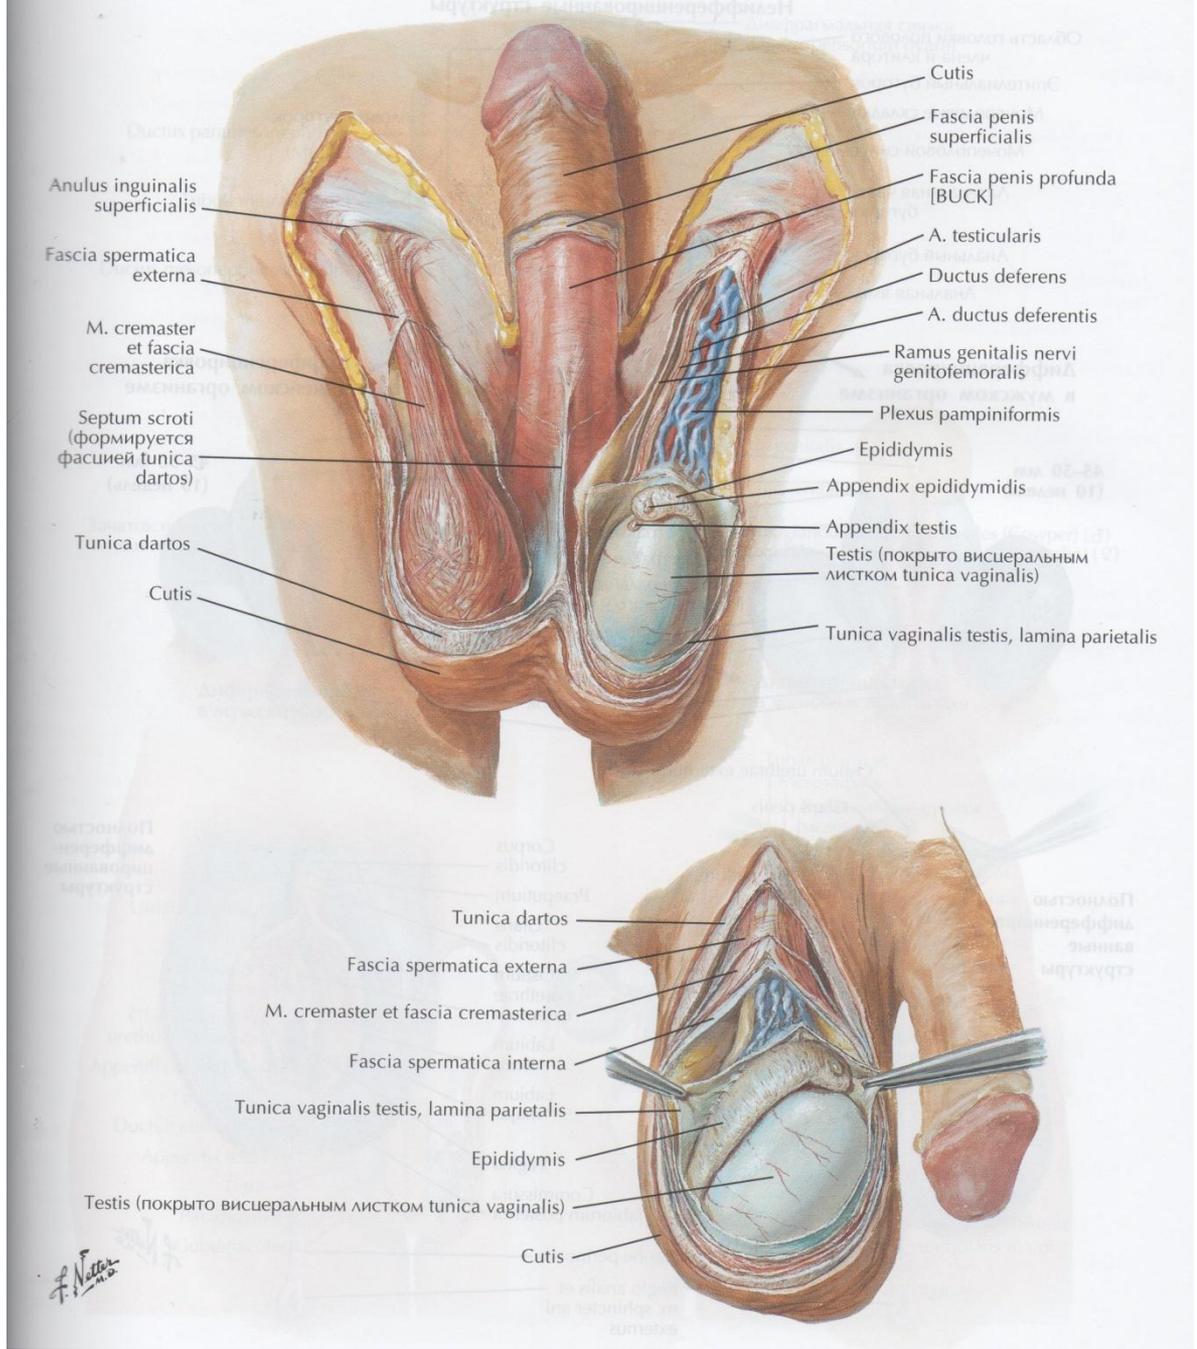

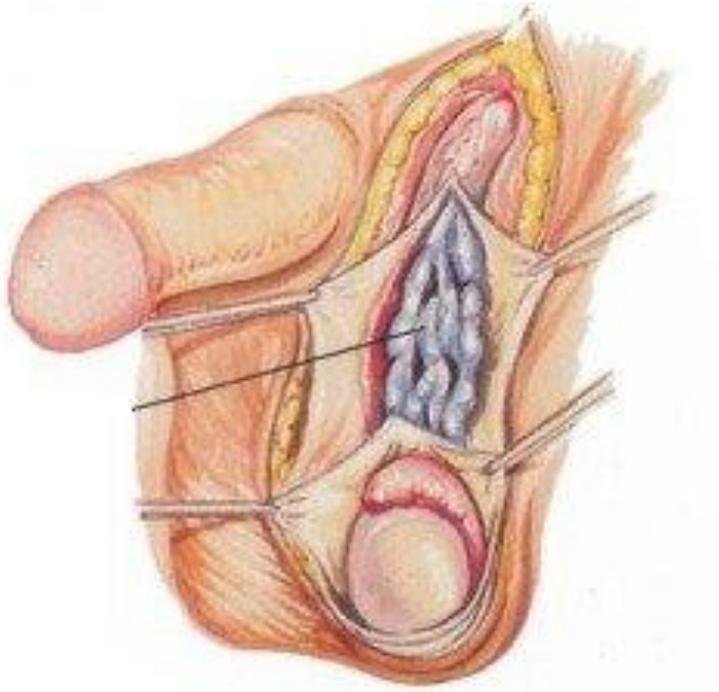

Парафимоз

Мужская уретра

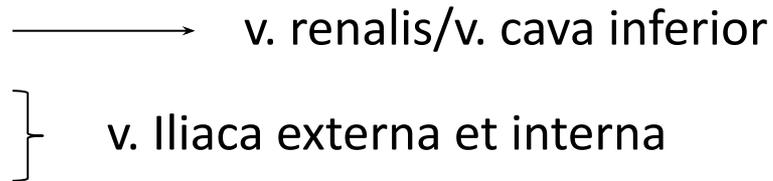

Варикоцеле (МКБ-10: I86.1)

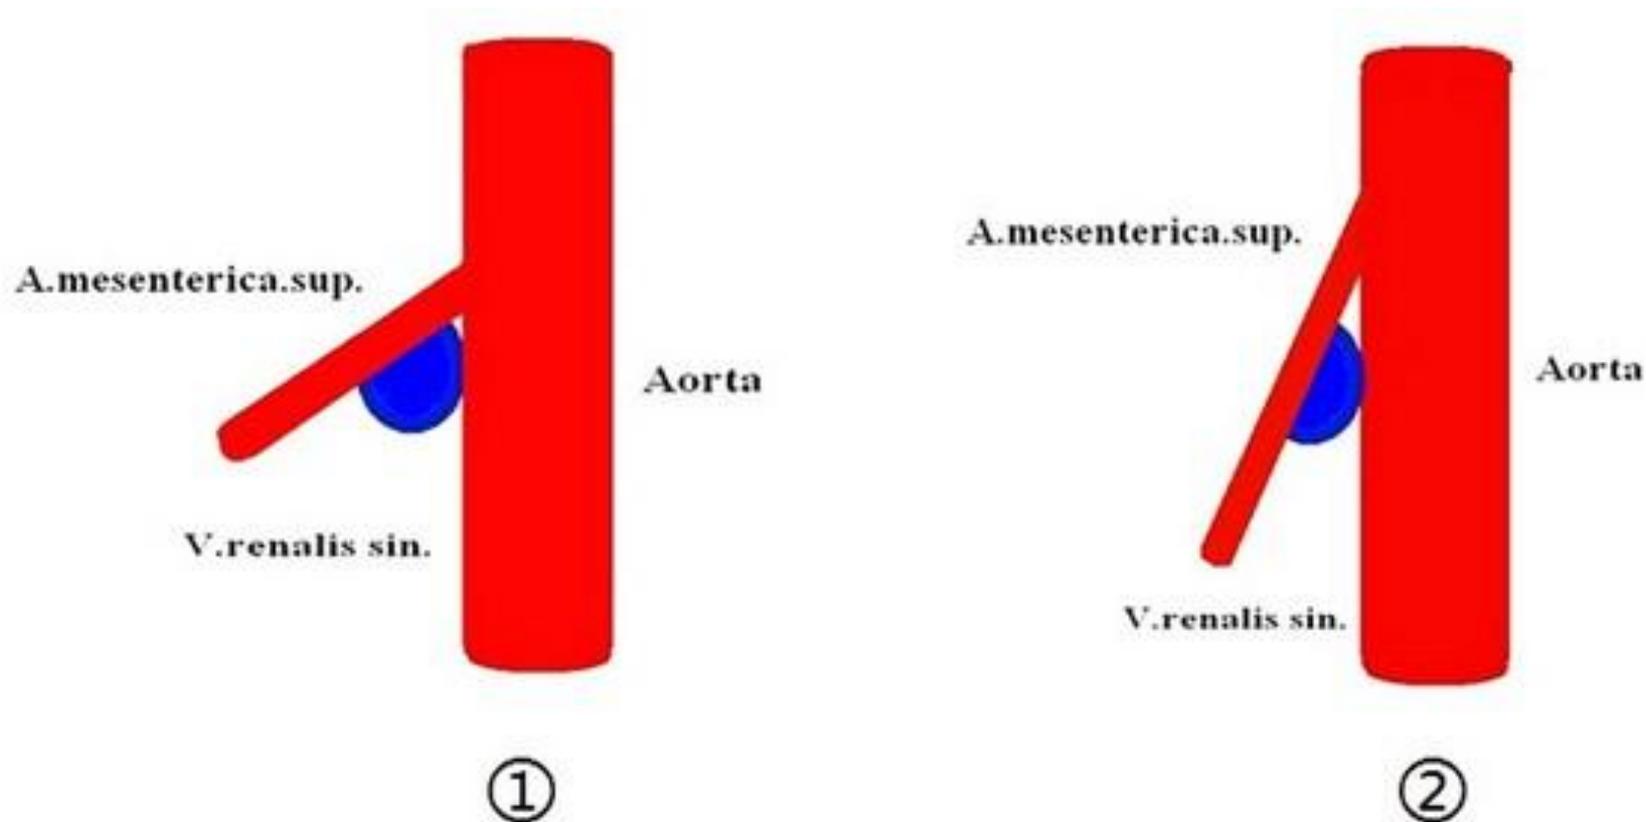

*Венозный отток от
яичка:*

- v. testicularis
- v. cremasterica
- v. ductus deferens

Варикоцеле (МКБ-10: I86.1)

Аорто-мезентериальный
пинцет

Перекрут подвеска придатка яичка (МКБ-10: N44)
