

Creative Toolkit for vegetable spreads range

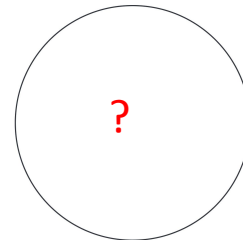

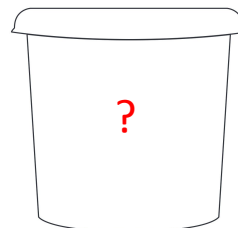

Create a new brand and packaging for the UK

The brief:

Change the current European design to new, fresh packaging for the UK

Image 1. Current (cluttered) designs suitable for Europe

? = new design to be designed by You!

Image 2. The start of a new (transparent) packaging to be designed for the UK

The range in the UK will consist of 3 variants,
and will be launched under a new brand and a new fresh design,
created by you!

The UK range will include 3 **international flavours**:

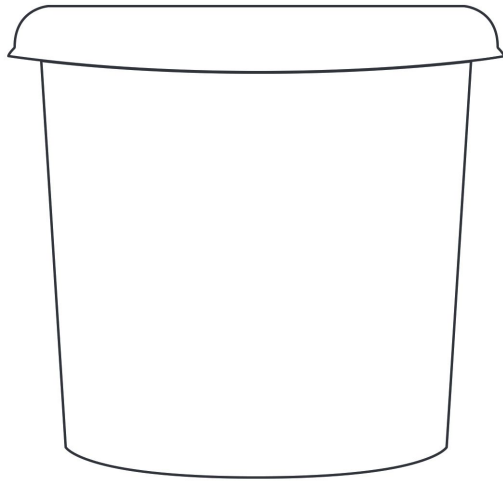

Ratatouille (France)

Chargrilled Aubergine 'Baba ganoush' (Middle East)

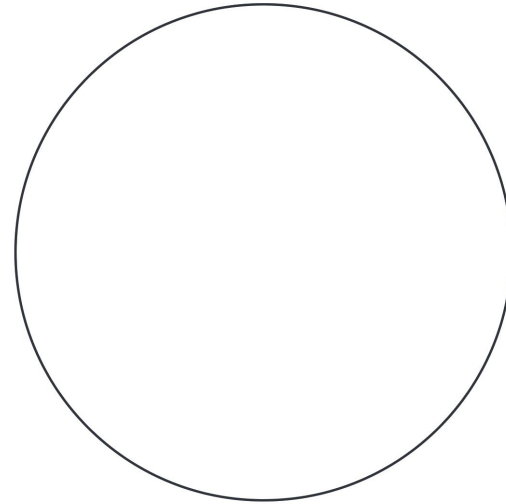

Butternut Ras el hanout (North Africa)
