

A decorative graphic on the left side of the slide, consisting of a network of light blue lines and small circles, resembling a circuit board or a stylized tree structure, extending from the top to the bottom of the frame.

# FOOTBALL IS BACK 2020

2020

# SOCCKER BREAK COVID -19

# FOOTBALL PROBLEMS

The virus has deceived the whole football world of championship and games

Also affected and finance teams

# 3 MONTHS FOOTBALL COULD NOT RETURN TO ITS LIFE

## FIRST COME BACK

Literally at the end of may for the first time in three months official matches took place after the virus .The first

German soccer championship returned to football.

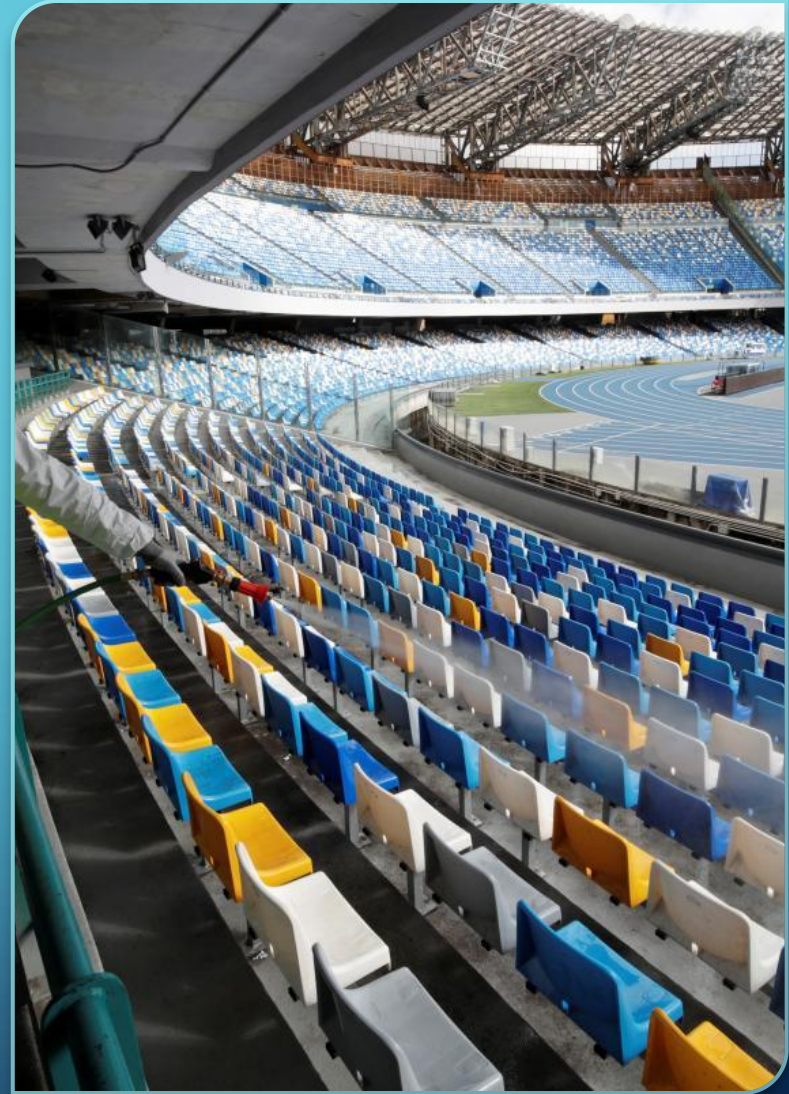

# GOOD NEWS IN FOOTBALL

- Currently the epidemic is declining and modern football is starting to gain momentum but with a precaution.

# SAFETY

Matches are currently held in the empty stands

This is a measure of safety for people and players

# HOPE FOR THE BEST GIVES A SMILE

Now I want to believe that a hundred soon everything will be fine and life will become better in football and in the world

The background is a blue gradient. In the corners, there are decorative white lines resembling circuit traces or a stylized city skyline. These lines connect to small white circles, some of which are larger than others. The lines are more prominent in the top-left and bottom-left corners, and less so in the top-right and bottom-right corners.

THANK YOU FOR THE ATTENTION !
