

FOOTBALL IS BACK 2020

2020

SOCCKER BREAK COVID -19

FOOTBALL PROBLEMS

The virus has deceived the whole football world of championship and games

Also affected and finance teams

3 MONTHS FOOTBALL COULD NOT RETURN TO ITS LIFE

FIRST COME BACK

Literally at the end of may for the first time in three months official matches took place after the virus .The first

German soccer championship returned to football.

GOOD NEWS IN FOOTBALL

- Currently the epidemic is declining and modern football is starting to gain momentum but with a precaution.

SAFETY

Matches are currently held in the empty stands

This is a measure of safety for people and players

The background is a solid teal color with a subtle gradient. In the four corners, there are decorative white line-art patterns resembling circuit boards or neural networks, with lines connecting to small circles.

HOPE FOR THE BEST GIVES A SMILE

Now I want to believe that a hundred soon everything will be fine and life will become better in football and in the world

The image features a blue gradient background with white circuit-like lines in the corners. These lines consist of straight paths that turn at right angles and terminate in small circles, resembling a printed circuit board layout. The lines are positioned in the top-left, top-right, bottom-left, and bottom-right corners, framing the central text.
