**What modern gadgets  
do you know?**

## Technologies in our Life

### I. Read the text:

**Gadget** is very useful for people. Read about **modern** gadgets:

This **alarm clock** wakes you up every morning. You can **control** it with your voice. It can smell like coffee and can play music you'll tell it.

Look at this super **flower pot**. It can water the plants. How does it work? You put **water** into flower pot. The special **mechanism** takes as much water as your plant needs. When there is no water the pot will say it to you.

This refrigerator has a big **screen** with the **internet**. The online program helps you to **order** products from a super market. The fridge has 3 cameras and controls what products you have. When there is no milk, your fridge tell you to order it.

Have a pet? It is a **special** gadget for you and your cat or dog. This gadget takes a selfie with your pet that goes to your phone. You call and gadget gives a **treat** to your pet. So, your lovely pet will never be hungry;)

This **smart** gadget is oombrella. The smart umbrella lets you know when it rains and says you to take the umbrella with you. It is not the most necessary thing in the world, but it's interesting.

Which  
gadgets do  
you use for  
home?

T-E-C-H-N-O-L-O-G-Y

T-E-C-H-N-O-L-O-G-Y, technology, technology!

CDs, DVDs and **1** \_\_\_\_\_

Ohh technology!

Computers and **2** \_\_\_\_\_ in every home!

Ohh technology!

It's in your school, it's in your street.

It's over your head, it's under your feet.

Ooh technology!

There is no doubt about it.

We can't live without it.

Ooh **3** \_\_\_\_\_!

My grandma could live without it!

But I can't live without it.

Ooh technology!

You have to be **4** \_\_\_\_\_ all you boys and girls!

Ooh technology!

You have to be smart. It's a **5** \_\_\_\_\_ world.

Ooh technology!

Everywhere you go, everything you see

**Ask your  
partner  
and  
make  
notes**

1. Which gadget do you like?
2. What gadget do you want?
3. Which gadget is the most interesting for you?
4. How often do you use your gadget?

What gadgets  
are hiding  
there?
