The central building is a modern architectural structure featuring a curved glass facade that reflects the surrounding environment. It has a prominent cylindrical tower section with a glass exterior. The building is surrounded by other structures, including a classical building with a dome in the background. The ground floor of the central building has several storefronts, including one labeled "HAAS HAUS" and another with a "U" logo. The building is situated in a city square with people walking on the street in the foreground.

The building on the right is a modern, multi-story structure with a light-colored facade and a grid of windows. It has a prominent glass-enclosed upper section. The ground floor features a storefront with a red sign and a "Felsen" sign. The building is situated in a city square with people walking on the street in the foreground.

The building on the left is a classical structure with a prominent dome and ornate architectural details. It is situated in a city square with people walking on the street in the foreground.

The street in the foreground is a wide, paved area with people walking. There are several outdoor seating areas with white umbrellas and tables. A "U" logo is visible on the ground, indicating a subway station entrance. The sky is clear and blue.

A photograph of a Best Buy store building. The building is a large, single-story structure with a reddish-brown brick facade. The roof is a simple gable design. A prominent sign above the main entrance features the Best Buy logo (a yellow price tag with a red and blue border) on the left and the word "BEST" in large, white, serif capital letters on a dark background to the right. A person is walking on the sidewalk in front of the entrance. To the right of the entrance, there is a tall, narrow window with a white frame. The sky is clear and blue. The overall scene is brightly lit, suggesting a sunny day.

A photograph of a BEST store building. The building has a light brown brick facade. The word "BEST" is mounted on the wall in large, red, three-dimensional block letters. Below the letters is a glass entrance area where a person is visible. The building is surrounded by green trees and bushes under a clear blue sky.
