

PRACTICAL PHONETICS

Lesson 4

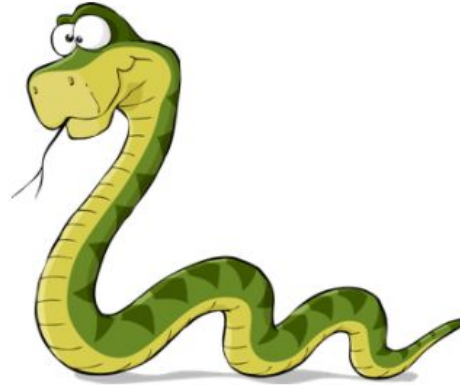

The **voiceless (unvoiced) S sound** ([IPA](#) symbol: **s**) can be found in English words such as **said, sad, sit, box, bus, cats, face, and circle.**

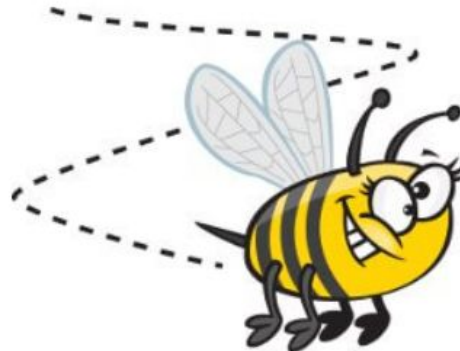

The **voiced Z sound** ([IPA](#) symbol: **z**) can be found in English words such as **zip, exist, buzz, boys, his, was, and is.**

When making the **S and Z sounds**, air is pushed down the center of your tongue and between the tip of your tongue and your top teeth. The movement of the air makes the **S and Z sounds.**

The **S sound** is a hissing sound like a snake.

The **Z sound** is like the sound of buzzing bees.

□ Practice the **voiceless S sound** by saying these words:

- **s**ay
- **s**ad
- **s**o
- **s**its
- **s**ound
- **s**ister
- **s**its
