Spring

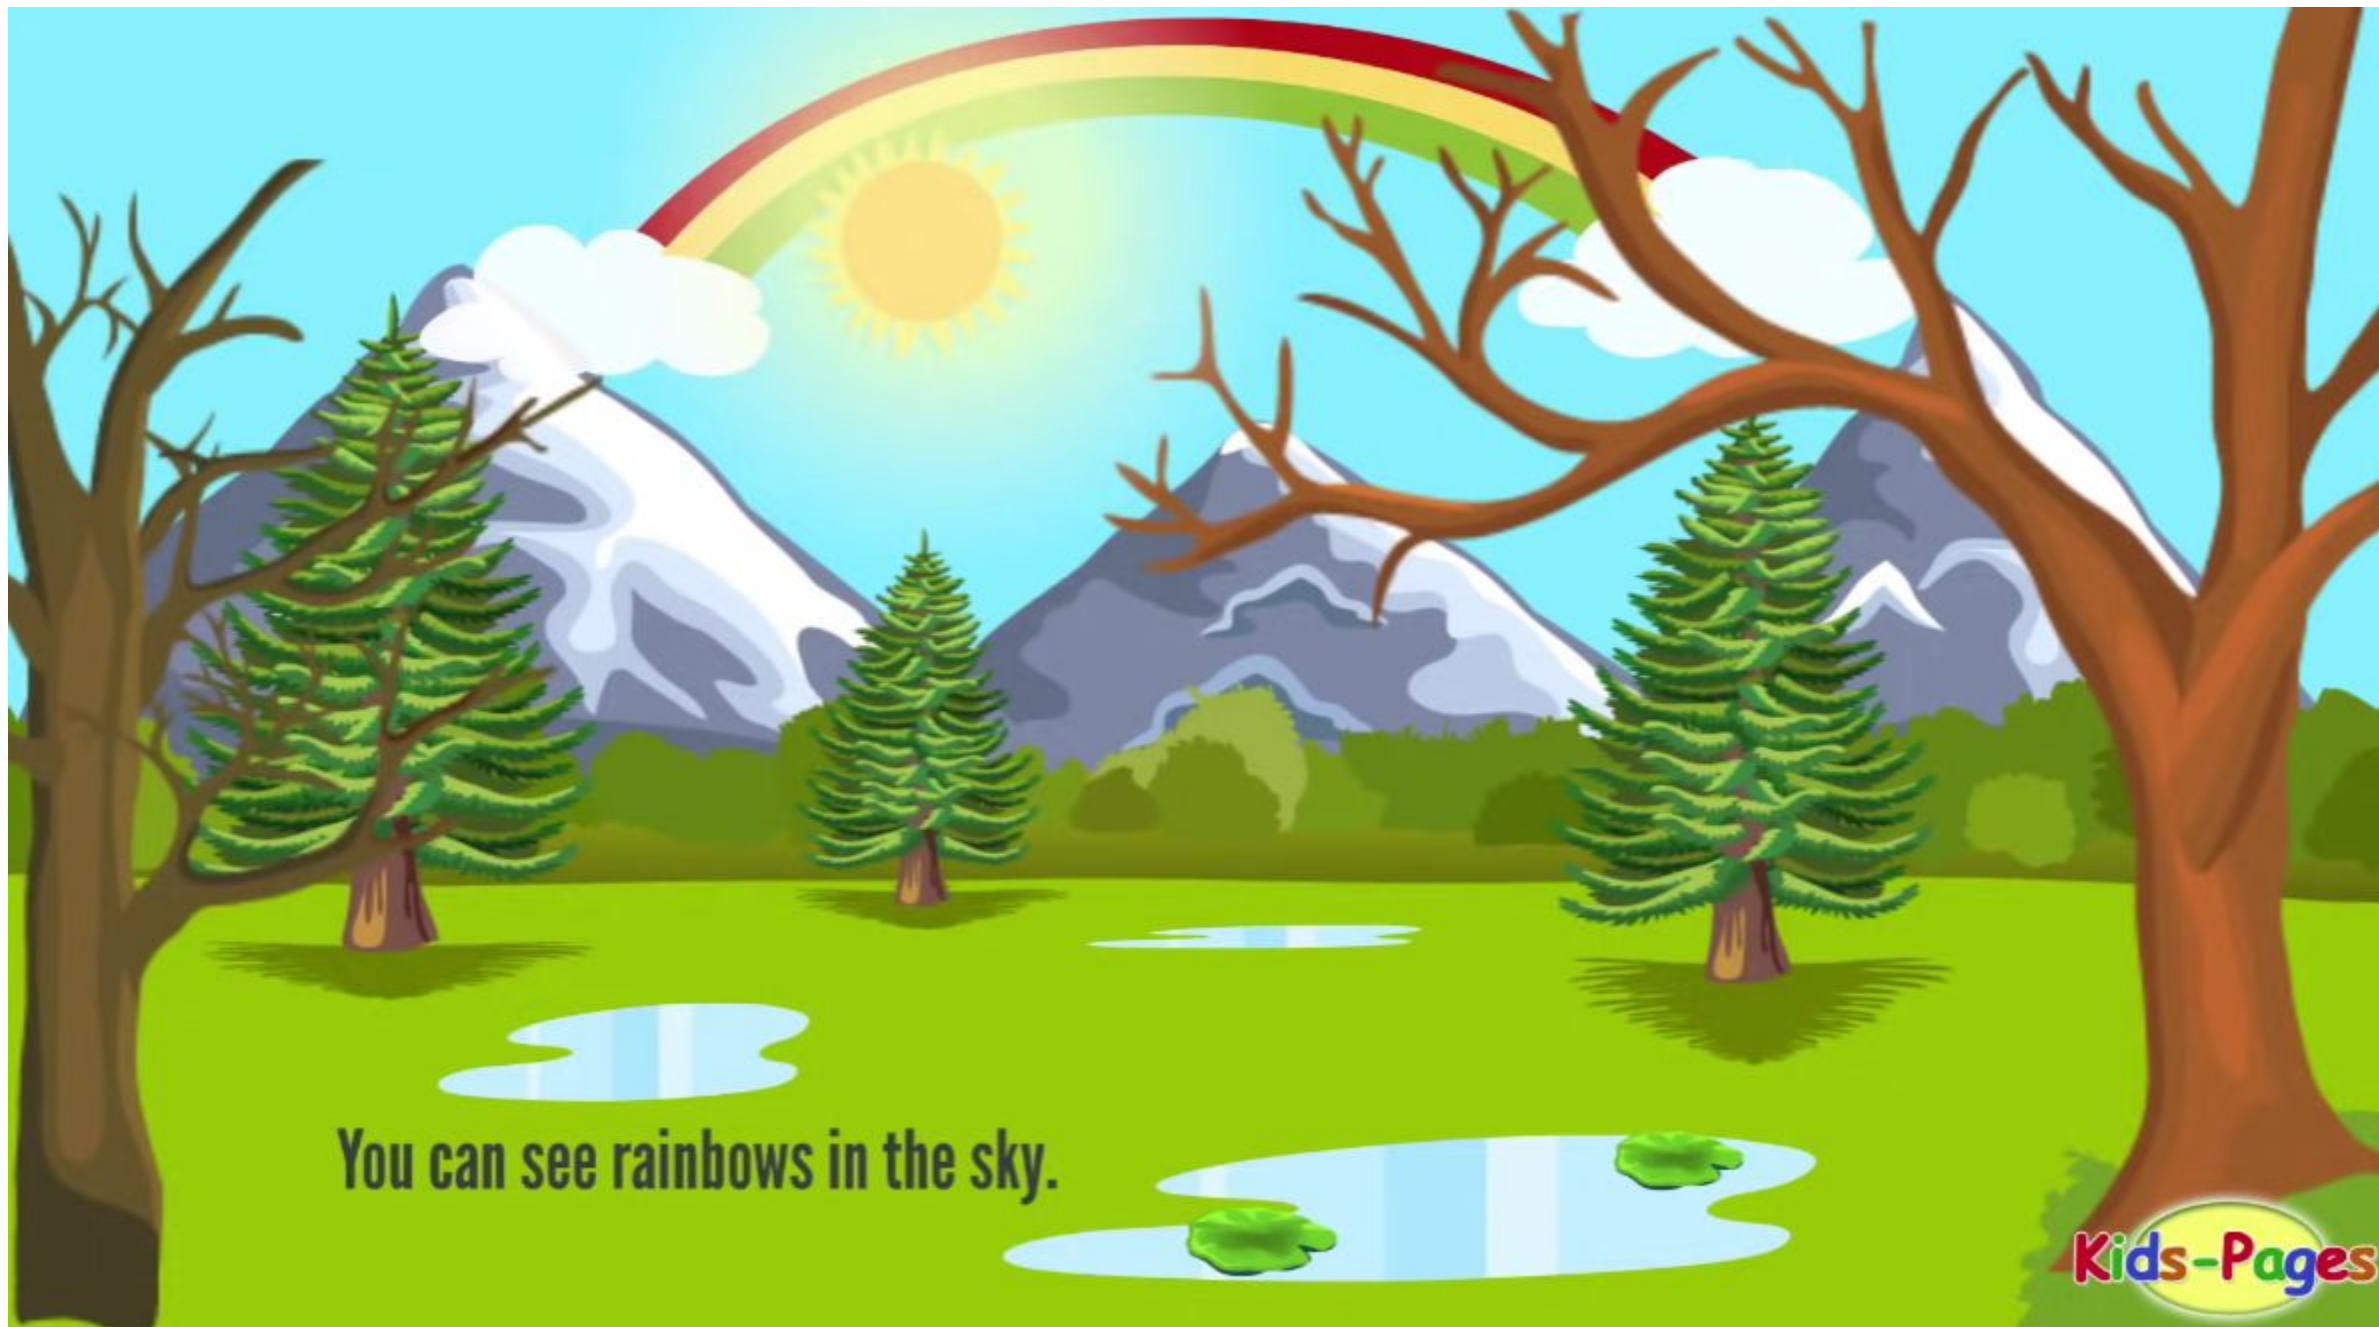

www.kids-pages.com

In April you will see more rain showers.
They help the plants grow.

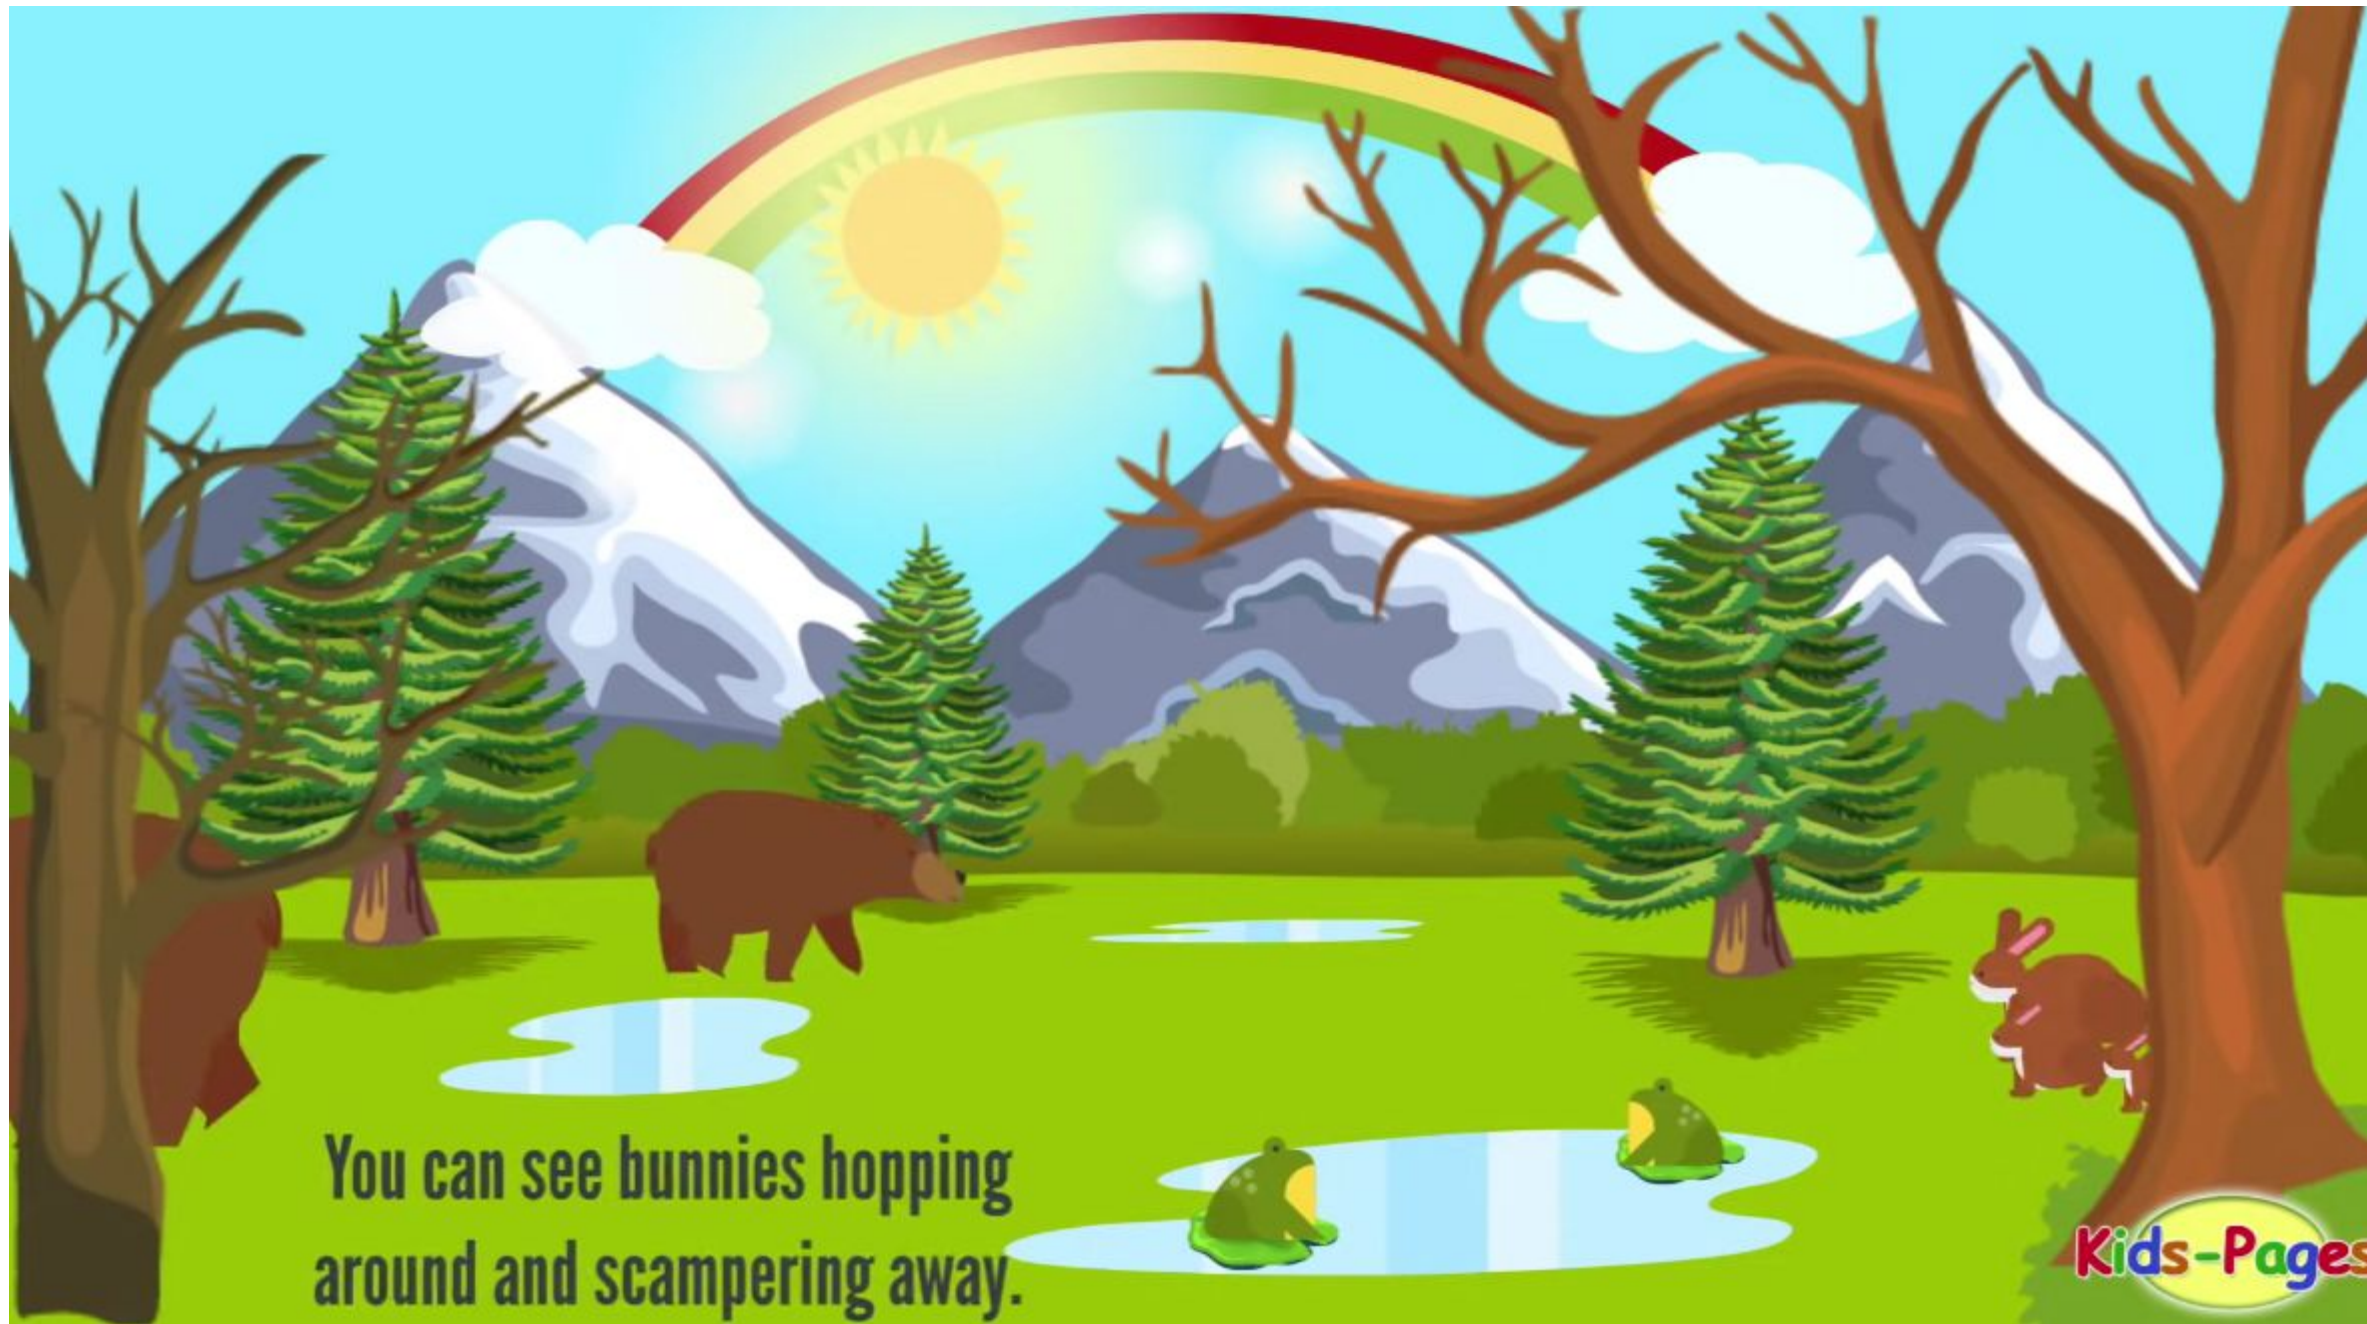

You can hear the birds singing sweet songs.

You can see rainbows in the sky.

You can see bunnies hopping around and scampering away.

A vibrant illustration of a spring landscape. In the foreground, a large tree with pink blossoms stands on the left, and another large tree with pink blossoms stands on the right. Between them are two smaller evergreen trees. The ground is a bright green field with three small blue ponds. In the background, there are blue mountains with white snow. A bright sun is in the sky, with a rainbow arching over it. The text "Trees bloom in the spring." is written in a black font inside a white cloud shape in the upper middle part of the image.

Trees bloom in the spring.

Flowers bloom.

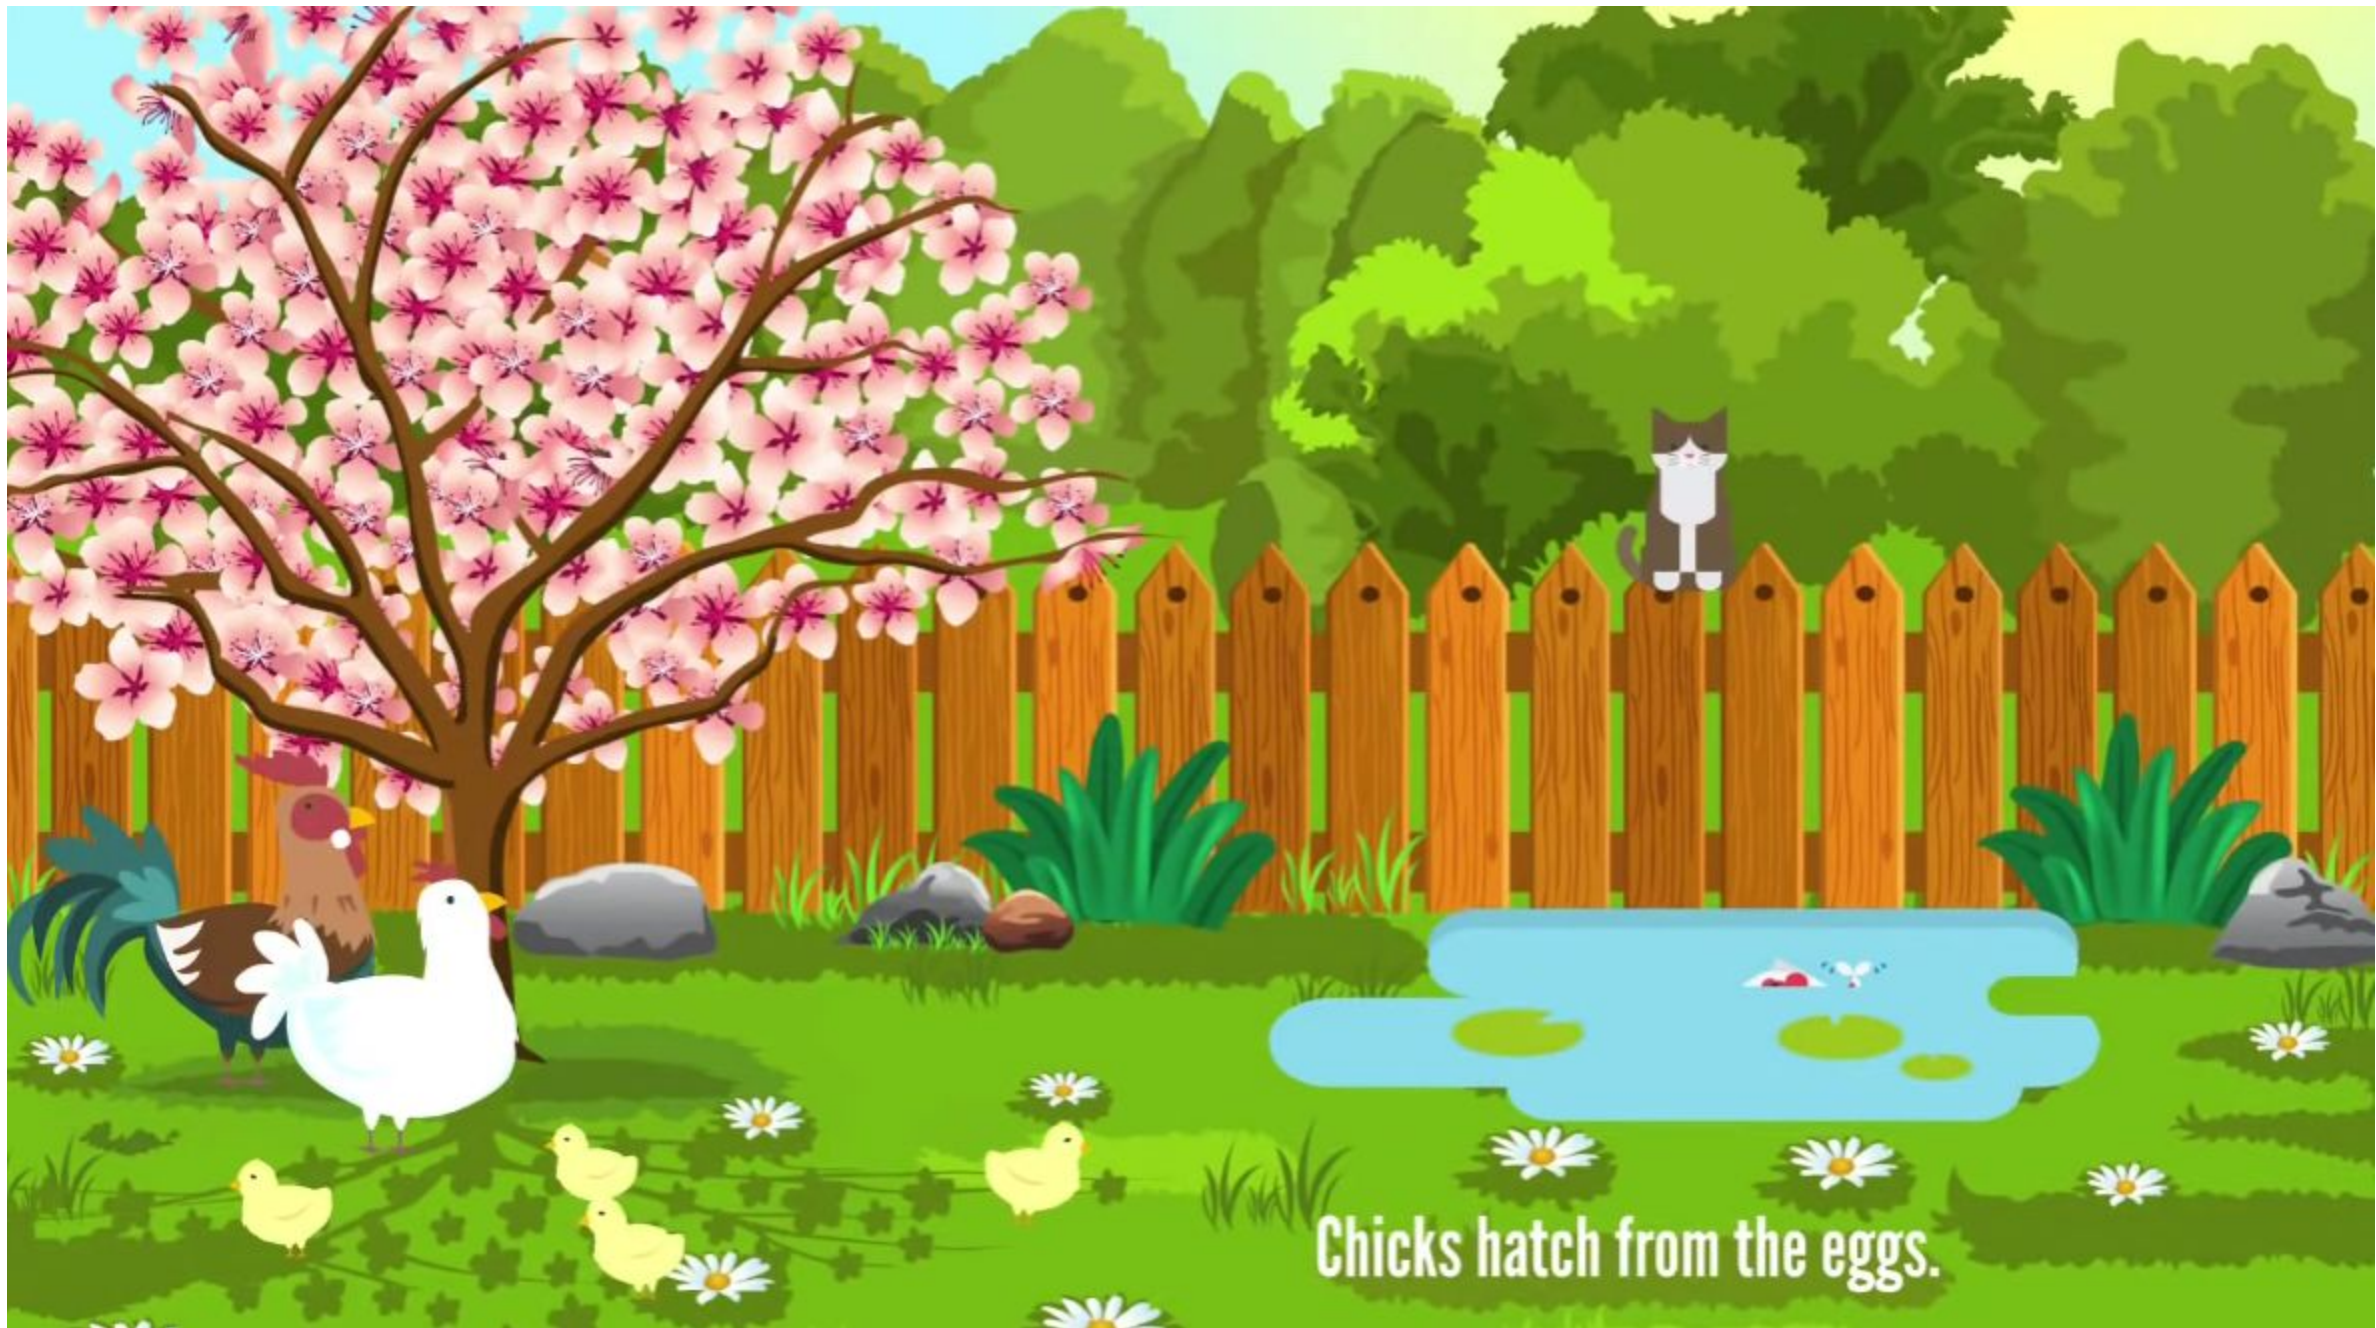

cute ladybugs...

Bees fly from flower to flower.

Chicks hatch from the eggs.

Then, they water the seeds which will grow into vegetables
and flowers.

Families enjoy a picnic in the
spring sunshine.

Children have fun flying a kite.
