

- ★ **The text should be printed using a font size of 12-14 points at a half interval. The dissertation pages should have the following fields: left - 2.5 cm, right - 1 cm, top - 2 cm, bottom - 2 cm. The indent should be the same throughout the text and equal to five characters.**

- ★ **All pages of the dissertation, including illustrations and appendices, are numbered in order without omissions and repetitions. The first page is the title page, on which page numbering is not put, the next page puts the number "2", etc. The page number is printed in the middle of the page header.**

- ★ **The illustrations used in the dissertation are placed under the text in which the reference to them was first given, or on the next page, and, if necessary, in the appendix to the dissertation. Illustrations are numbered in Arabic numerals by continuous numbering or within a chapter (section). All illustrations should be referenced in the text of the dissertation. When linking, you should write the word "Figure" with an indication of its number.**

- ★ **The tables used in the dissertation are placed under the text in which the reference to them is given for the first time, or on the next page, and, if necessary, in the appendix to the dissertation. Tables are numbered in Arabic numerals by continuous numbering or within a chapter (section). All tables should be referenced in the text of the dissertation. When linking, you should write the word "Table" indicating its number. The list of tables is indicated in the list of illustrative material.**

- ★ **The list of references should include bibliographic records on the documents used by the author when working on the topic. The list should be placed at the end of the main text, after the glossary of terms.**

The location of the text on the page. Requirements for the fonts used.

- ★ **The text is located on one side of an A4 sheet. The following borders of the frame (fields) are set: 2 cm - at the top and bottom of the page; 1 cm - on the right side of the page; 3 cm - on the left side of the page. The text is formatted to fit the width of the page, i.e. it should be aligned to the left and right edges. Paragraphs with standard indentation (1.25 cm) from its left border are highlighted in the text structure.**

- ★ **Sets one and a half line spacing (distance between lines of text) throughout the text, including line spacing between paragraphs. The size (font size) is set as follows: - for the main text - 14; - for footnote text, for footnote sign - 10.**

- ★ **All text should be done in one font. It is recommended to use the font Times New Roman. An exception is the headings of sections (chapters), which can be executed in a different font (in this case, however, it is necessary to ensure uniformity in the use of fonts in the design of headings throughout the text of the work). The main text of the work is done in direct light font. Section headings can be made in direct bold. If necessary, light or bold italics can be used.**

Bibliographic description of publications included in the list of references

- ★ **A bibliographic description is a collection of information about a document or its component part, given according to certain rules in order to identify and general characteristics of documents.**

Bibliographic description of books

- ★ **Scheme of bibliographic description of the book: Title of the description. Primary title: Title / liability information. - Information about the publication. - Place of publication: Publishing House, year. - Area of physical characteristics. - Series area.**
