[ɜ:] - world, work, word, burn, turn

[dʒ] - project, join, cage, enjoyable

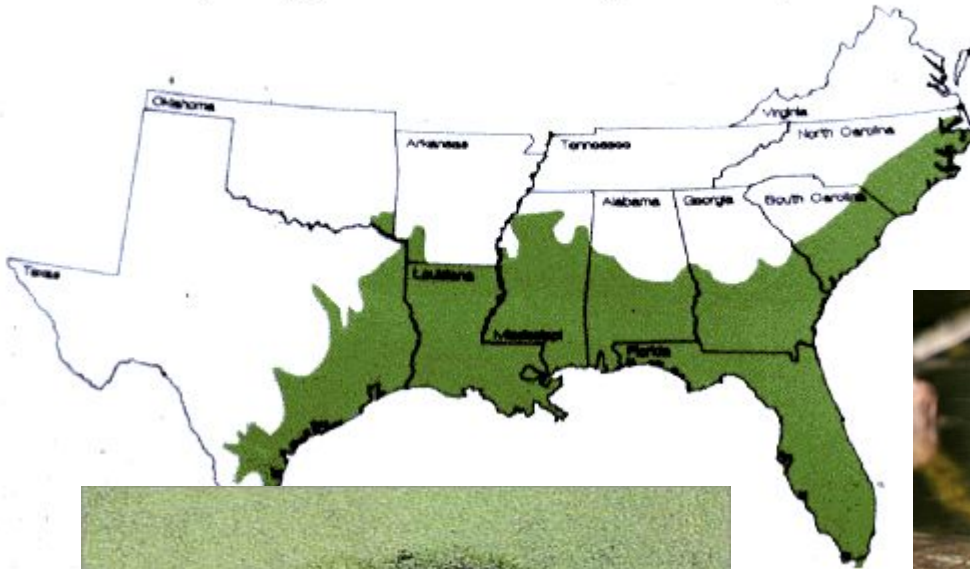

[æ] - natural, catch, habit

Never try to feed alligators or walk too close to the edge of the water!

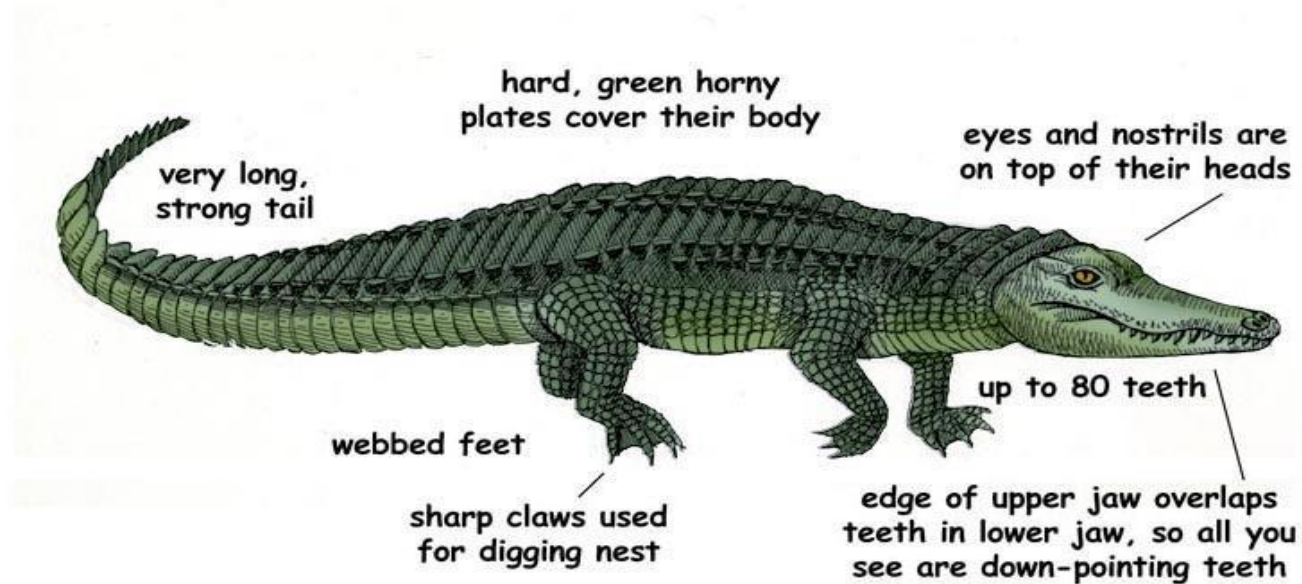

Range of the American Alligator
(*Alligator mississippiensis*)

Alligators are usually 3 to 5 metres long. They have about 80 constantly replacing teeth.

American Alligator

Alligator mississippiensis

Grizzly bears can be unpredictable and ferocious. Don't run if you attacked!

If you know there are rattlesnakes around, wear strong leather boots!

Range of the Mohave rattlesnake (*Crotalus*)

Raccoons carry many diseases. If you are ever scratched by one, wash the scratch well and see a doctor immediately!

Read again. Which animal:

1 often steals food from people? **the racoon**

2 isn't seen very often? **the grizzly bear**

3 can kill soon after birth? **the**

4 is more dangerous at certain times? **rattlesnake**
the grizzly bear

5 usually eats its food in one piece? **the**

4

Read the table. What are the verbs in bold in your language? Try to add more animals to the categories. Check with your partner.

- 1 mosquitoes, ants, dogs
- 2 cats, parrots, rabbits
