# *Awful Sound (Oh Eurydice))*

*"Before the awful sound  
Started coming down"*

# *Awful Sound (Oh Eurydice))*

*"But when I say I love you*

*Your silence covers me*

*Oh, Eurydice, It's an awful sound"*

# *Awful Sound (Oh Eurydice)*

*"Oh, how could it be,  
Eurydice*

*I was standing beside you*

*By a frozen sea*

*Will you ever get free?*

# *Awful Sound (Oh Eurydice)*

*"I know there's a way*

*We can make 'em pay*

*Think it over and say*

*"I'm never going back  
again."*

# *Awful Sound (Oh Eurydice)*

# *Awful Sound (Oh Eurydice)*

*You fly away from me*

*But it's an awful sound*

*When you hit the ground*

*It's an awful sound*

*When you hit the ground*

# *It's Never Over (Hey Orpheus)*

*« Hey, Orpheus!*

*I'm behind you*

*Don't turn around*

*I can find you»*

*«Just wait until it's over*

*Wait until it's through»*

# *It's Never Over (Hey Orpheus)*

*«Hey, Orpheus!*

*De l'autre côté de l'eau*

*Comme un écho»*

# *It's Never Over (Hey Orpheus)*

*«And if I shout for you*

*Never doubt*

*Don't turn around too soon*

*Just wait until it's over*

*Wait until it's through»*

# *It's Never Over (Hey Orpheus)*

*«It seems so important now*

*But you will get over*

*It seems so important now*

*But you will get over*

*And when you get over*

*When you get older*

*Then you will remember*

*Why it was so important then»*

# *It's Never Over (Hey Orpheus)*

*«He told you he'd wake you up*

*When it was over*

*He told you he'd wake you up*

*When it was over»*

# *It's Never Over (Hey Orpheus)*

*«Boy, they're gonna eat you  
alive (eat you alive)»*

*But it's never gonna happen  
now*

*We'll figure it out somehow»*

# *It's Never Over (Hey Orpheus)*

*We stood beside*

*A frozen sea*

*I saw you out*

*In front of me*

*Reflected light*

*A hollow moon*

*Oh Orpheus, Eurydice*

*It's over too soon*
