Dear Helen,

Thank you for your letter. It was great to hear about your new flat!

As for my new school, it's very big! It has three computer rooms and wonderful sports facilities. Actually, it seems a nice place and I enjoy studying there. The pupils in my class are very friendly. I've already made some new friends and we often meet after classes and spend good time together. I've got only one new subject this year. It's Physics and I'm beginning to think that it's not difficult, after all!

By the way, what fashion style do you prefer? Have you got any favourite brands? How often do you buy clothes? As for me, I prefer classical style.

I'd better go now. Mum is calling me. Take care and stay in touch!

Lots of love,

Olga

an idea came to him. He thought it would be fun to leave a banana peel (шкурка) in the street and then watch someone slip over it. He didn't think somebody could get hurt. He watched a few people come and go but nobody fell. By this time Sam was bored. He went home and forgot all about the banana peel. Later that evening, an ice cream man came by.
