The image shows the iconic entrance sign to Disneyland. The word "Disneyland" is written in a stylized, red, cursive font. The "D" is particularly large and ornate. The sign is set against a backdrop of a blue and white checkered pattern, which is part of the entrance's architectural design. In the foreground, there are several yellow, arched structures that resemble stylized arches or gates. The overall scene is brightly lit, suggesting a sunny day.

ISLANDS OF ADVENTURE

A scenic view of the Hollywood sign in Los Angeles. The sign is white and stands out against the hazy, blue-tinted hills in the background. A large, green palm tree is in the foreground on the right side, partially obscuring the view. The sky is a pale, hazy blue.
