Let's watch a cartoon.

A computer monitor with a black frame and stand is shown from a three-quarter perspective. The screen is filled with a solid cyan color, and the word "REVIEW" is centered on the screen in a large, bold, black, sans-serif font. The monitor is placed on a light orange surface against a blue background. In the bottom right corner of the monitor's bezel, there are five small, white circular indicators.

Show and guess.

let's play

The text 'let's play' is written in a large, rounded, lime-green font. Three stylized blue figures are integrated with the letters: one is running on top of the 'y', one is standing on its hands inside the 'p', and one is climbing the 'y'.
