Let's watch a cartoon.

A 3D-rendered computer monitor with a black frame and stand, positioned on an orange surface. The monitor's screen is a solid cyan color, and the word "REVIEW" is displayed in the center in a large, bold, black, sans-serif font. The monitor is tilted slightly to the right. In the bottom right corner of the monitor's bezel, there are five small, white circular icons representing control buttons. The background is a light blue gradient.

Show and guess.

let's play

The text 'let's play' is written in a large, rounded, lime-green font. Three blue stick figures are integrated with the text: one is running on top of the letter 'y', one is standing on its hands inside the letter 'p', and one is climbing the letter 'y' from the bottom.
