A vibrant, dramatic sky scene. The top half is a deep, clear blue with scattered white clouds. A bright rainbow arches across the middle. Sunbeams (crepuscular rays) fan out from behind a low horizon, illuminating the lower half of the sky with warm orange and yellow light. The bottom half is filled with large, dark, billowing clouds that catch the low-angle light, creating a sense of depth and intensity.

***ТОК ЛЮБВИ,
КАК КРОВИ ТОК!!!***

A close-up photograph of a bumblebee in flight, approaching a daisy flower. The bee is positioned in the upper left quadrant, with its wings spread and its body angled towards the flower. The daisy is in the lower right quadrant, with its white petals and yellow center clearly visible. The background is a soft, out-of-focus green, suggesting a natural outdoor setting. The overall composition is dynamic and captures a moment of natural activity.

A serene sunset scene over a tropical lake. The sky is a warm orange and yellow, with the sun low on the horizon. In the background, several jagged karst mountains are silhouetted against the bright sky. The water in the foreground is calm, reflecting the colors of the sunset and the silhouettes of the mountains. A traditional wooden boat with a thatched roof is visible on the water, with several people on board. The overall atmosphere is peaceful and idyllic.
