

**Учимся
рисовать
зимний
пейзаж**

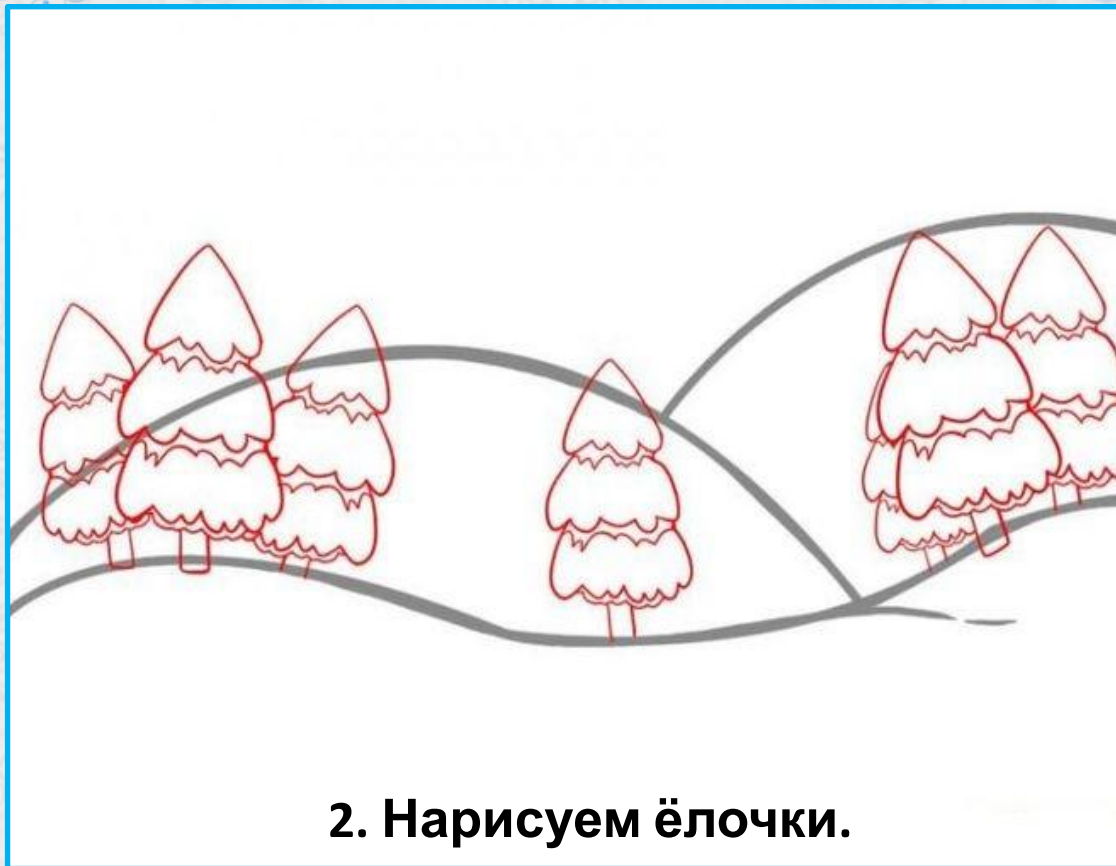

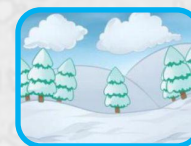

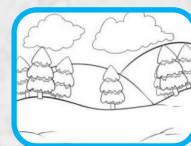

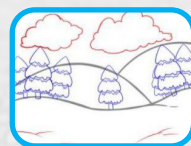

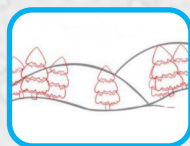

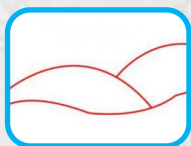

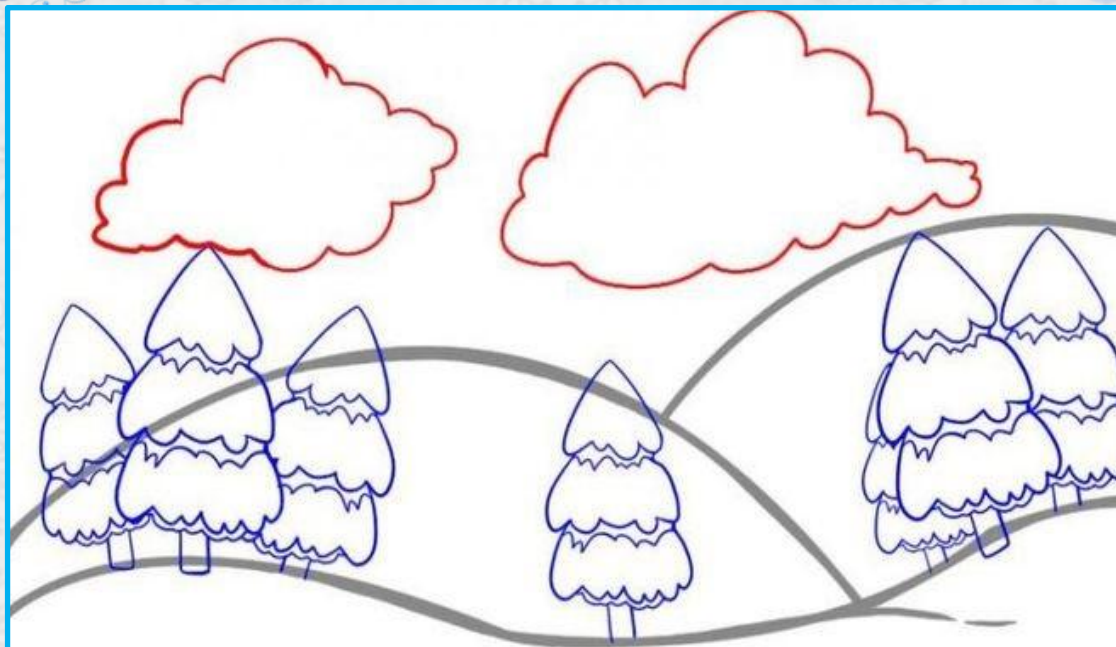

1. Начинаем рисовать наш рисунок с холмов, для этого проведём линии.

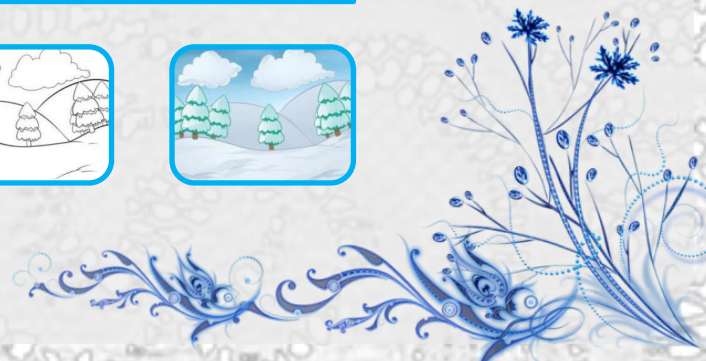

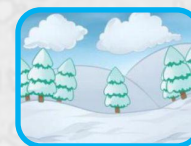

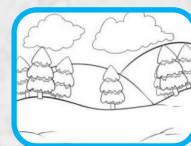

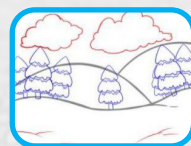

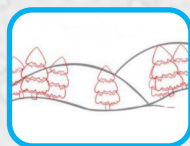

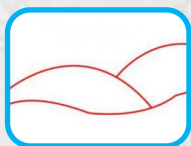

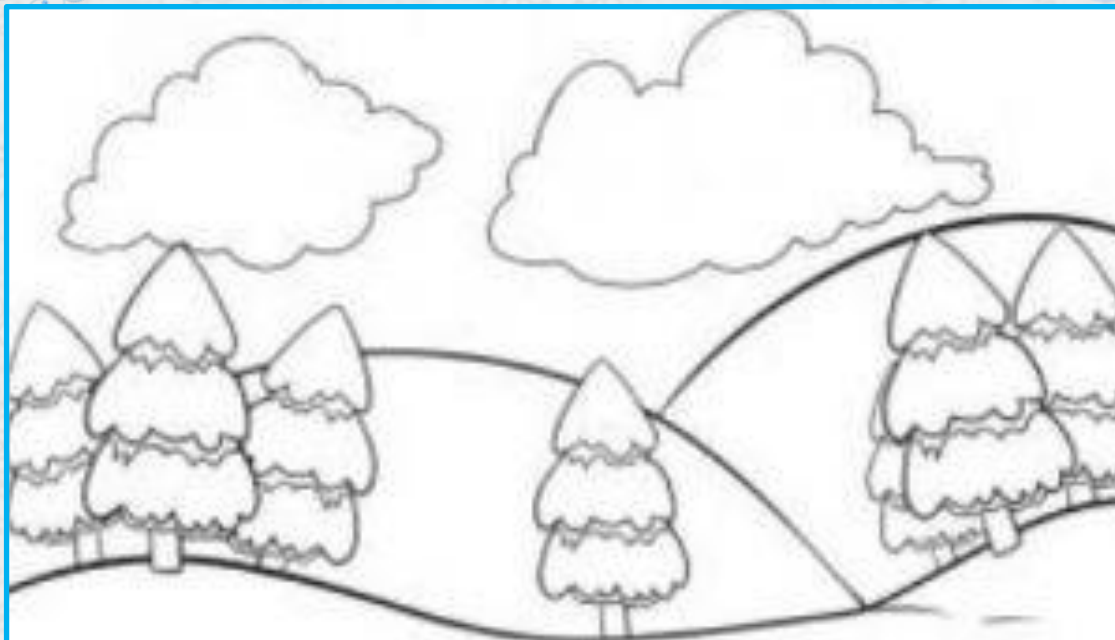

2. Нарисуем ёлочки.

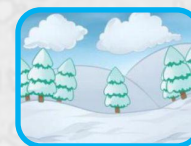

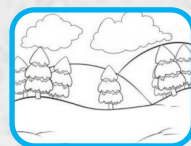

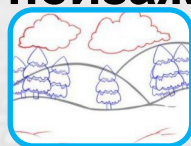

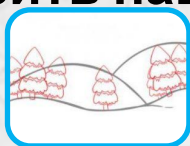

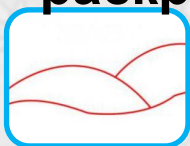

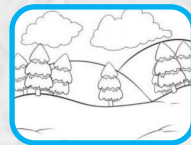

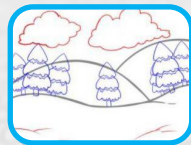

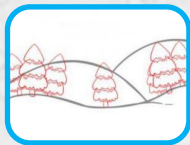

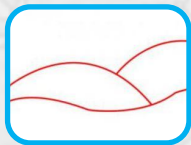

**3. Затем облака. Добавим деталей
снежной поверхности, чтобы придать
пейзажу немного объёма.**

4. Заготовка нашего рисунка зимы готова, теперь вам нужно взять цветные карандаши и полностью раскрасить наш пейзаж.

Спасибо за
работу!
