

**Учимся  
рисовать  
зимний  
пейзаж**

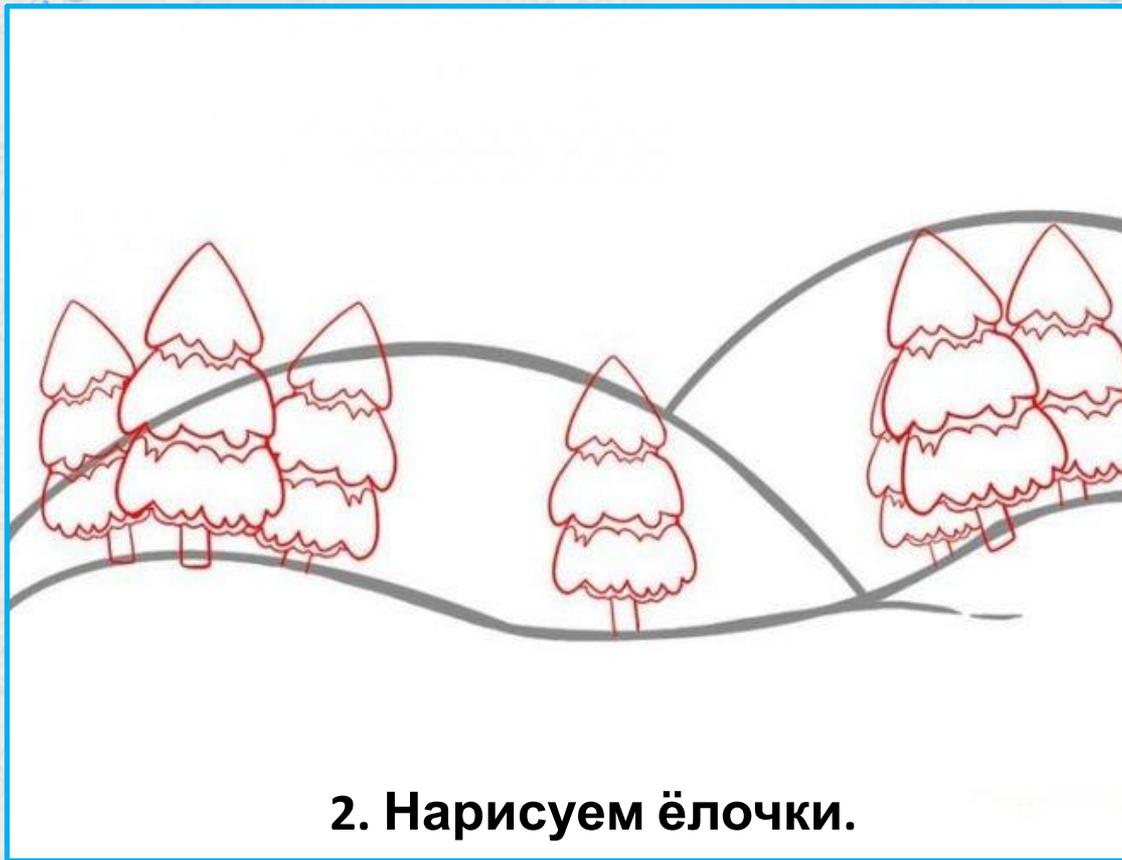

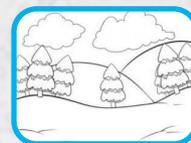

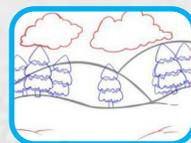

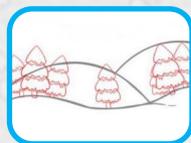

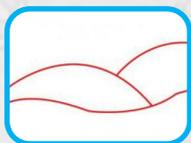

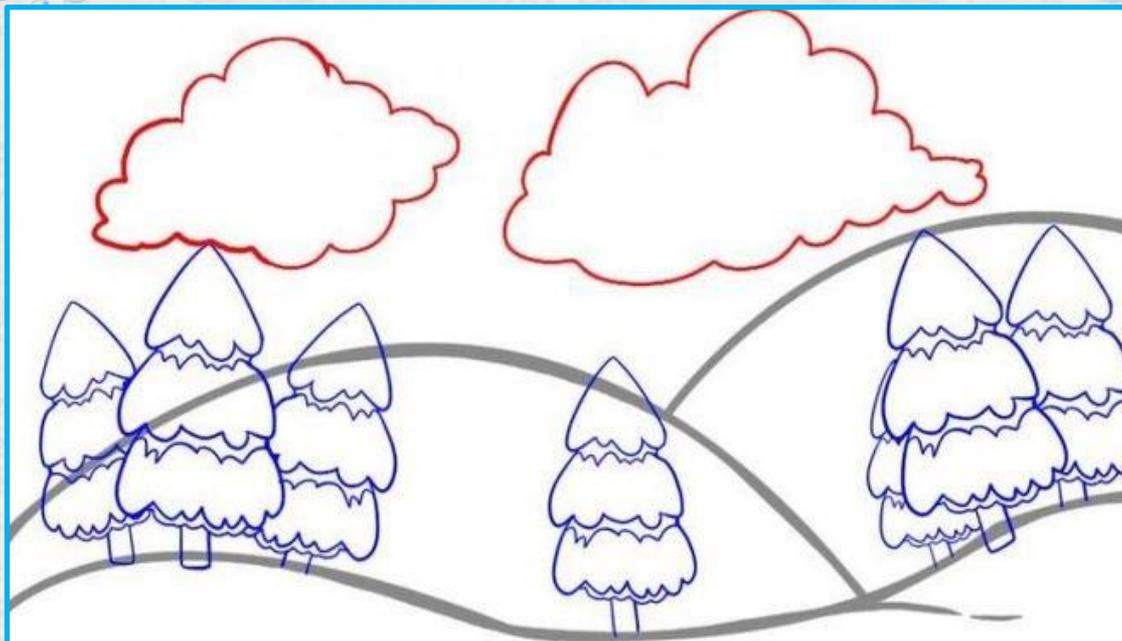

**1. Начинаем рисовать наш рисунок с холмов, для этого проведём линии.**

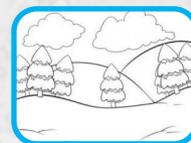

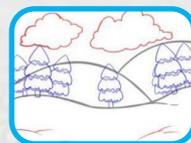

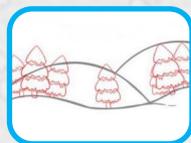

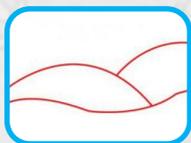

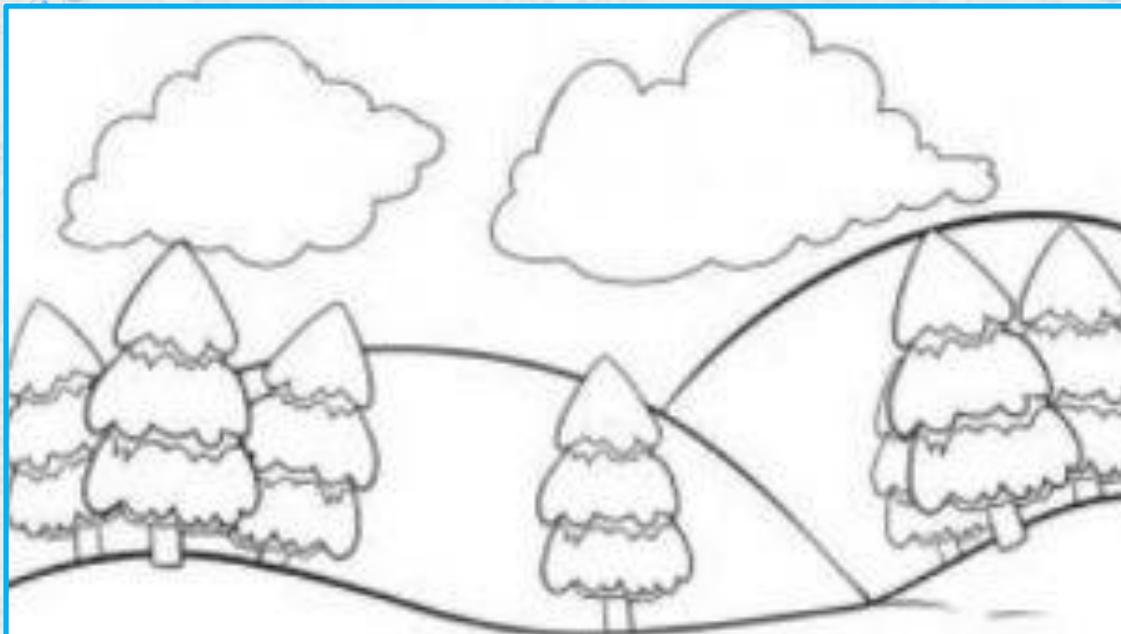

**2. Нарисуем ёлочки.**

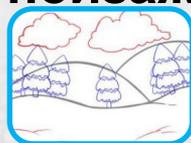

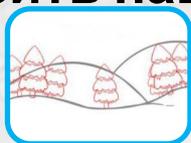

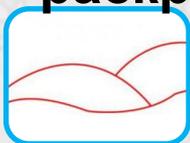

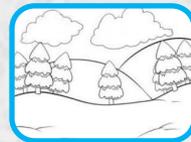

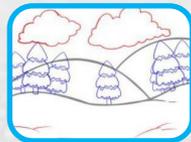

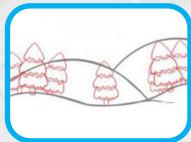

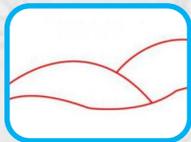

**3. Затем облака. Добавим деталей снежной поверхности, чтобы придать пейзажу немного объёма.**

**4. Заготовка нашего рисунка зимы готова, теперь вам нужно взять цветные карандаши и полностью раскрасить наш пейзаж.**

Спасибо за  
работу!
