A registration form titled "Prøv i dag - jobb i morgen". The form contains three input fields: "Jan Harald Nordbye" (with a person icon), "jhnordbye@gmail.com" (with an envelope icon), and "+4791773035" (with a phone icon). Below these fields is a large green button with a white arrow and the text "Kom igang". Below the button is a red-bordered error message box containing the text "There was an error trying to send your message. Please try again later." At the bottom of the form is a small disclaimer: "* Vi behandler all informasjon konfidensielt *". A black arrow points from the text "The information should be sent to; hallo@blirfint.no" to the "Kom igang" button. Three red arrows point from external text to the form: one to the top right, one to the "Kom igang" button, and one to the error message box.
