A registration form titled "Prøv i dag - jobb i morgen". The form asks the user to register to receive more information about the app. It contains three input fields: "Jan Harald Nordbye" (with a person icon), "jhnordbye@gmail.com" (with an envelope icon), and "+4791773035" (with a phone icon). Below these fields is a large green button with a white arrow and the text "Kom igang". A black arrow points from the text "The information should be sent to; hallo@blirfint.no" to the "Kom igang" button. Below the button is a red-bordered error message box containing the text "There was an error trying to send your message. Please try again later." A red arrow points from the text "Got this error message" to this error box. At the bottom of the form, there is a small disclaimer: "\* Vi behandler all informasjon konfidensielt \*".
