

PRESENTATIONS

Software

PowerPoint, Keynote, iMovie

NO TEXT!!!

ONLY IMAGES!!!

And sound effects

Tips

- Be simple.
- Maintain coherence. Be sure that your slides flow smoothly and logically.
- Maintain a connection between what is shown and what you are saying.
- Practice.
- Be creative.
- Use images, also funny ones.
- Engage your audience.

“

Create mystery to ignite curiosity!
Motion creates emotion!
Express yourself genuinely and honestly!
Interact with your audience!
NEVER READ!
Less is more!
Know your subject matter!

”

Luc Chenier

The Art of the Presentation

“If a picture is worth a thousand words, then imagine what a great presentation can deliver?”

USEFUL LANGUAGE

First,
First of all,
I'm going to talk about....
To begin/ start with,

Then,
After that,
So,
Then,
But the question is...
This raises the problem of...
Perhaps I should mention...

In addition,
And another thing,
Not to mention the fact that
What's more,
Perhaps I should mention...
It may seem...
Some people think...
In reality
But in fact,
But actually,
The truth of the matter is...

The main reason is...
The other/ another
reason is...
Besides that,
And on top of that,
And finally,

Do you realize that...
Believe it or not,
It may sound strange, but
Surprisingly,
Oddly enough,

I suspect that
I'm pretty sure that...
I'm fairly certain that
It's my opinion that
I'm convinced that
I wonder if...

Bearing in mind...

Considering...

If you remember

Allowing for the fact that...

There are exceptions of course.

To give you an idea...

By way of illustration...

At the end,

Finally,

To sum up,

All in all,

You can do it perfectly!
