What time does Santa read letters?

What time does he drink tea?

What time does he have lunch?

What time does he make a video for his blog?

What time does he start to work?

What time does he take a break?

What time does he dance?

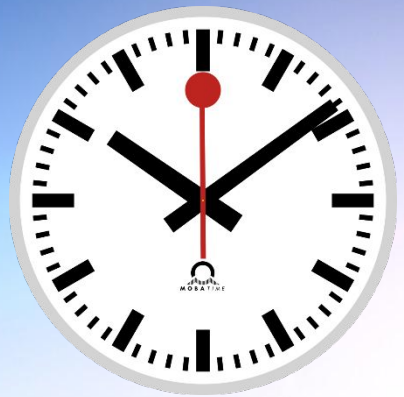
What time does he do sports?

What time does he deliver gifts?

What time does he play football?

What time does he snowboard?

What time does he ski?



What time does he skate?

What time does he ride a bike?

What time does he drive a car?

What time does he play golf?

What time does he go to bed?
