# GRADUATION CEREMONY

# HISTORY & SIGNIFICANCE & PURPOSE

For high school, the graduation is the beginning of their journey to self-discovery

A graduation is not just an end, it is a new beginning!!!

**HISTORY**  
Ceremonies for graduating students date from the first universities in Europe in the twelfth century

For college students, the graduation is the beginning of their "real" lives

The tradition of wearing graduation hats in Sweden has been in place since the mid-eighteen century.
