What a
Wonderful
World

I see trees
of green
red roses too. I see an
open. For me & u. & I think to
myself what a wonderful
World. I see skies are
blue. clouds of
white. Bright
blosses days.
Dark scaped
nights. & I
think to
myself what
a wonderful
world. The colors
of the rainbow so
pretty in the sky. & also on
the faces of people going by.
See friends shaking hand saying
how do you do. they're really I love you. I
hear babies cry. I watch grow. they'll
learn much more. The I'll never know
& I think to myself what a
wonderfull world.

Say your prayers

Exit light! Enter night! take my hand

I'll take the world awake pay the load my
soul to keep

and the back in your chest is your soul
and the Enter night Grain of sand

Some things... And they are of the world
Pearly... Dreams of West
Dream of Dragon fire!
So of things will bite! sleep

pillow

were off to never
never land

Exit light! Enter night!

never never land

Said Said
Said I remember when we used to sit
In the government yard in Trenton
Obs. observing the hypocrites
As they would mingle with the good people we meet
Gmail friends we know too. Oh good friends we're lost
In this bright future you can't change your past
So dry your tears I say
No woman No Cry No woman No Cry
Oh woman No Cry No woman No Cry
No woman No Cry No woman No Cry

My feet is my only carriage
So I've got to push on through
But while I'm gone
Everything's gonna be alright
Everything's gonna be alright
Everything's gonna be alright. Everything
Gonna be alright. Everything's
