

**I'M MAD
ABOUT
PIZZA !**

© Joshua McManus 2016

I'm mad about
pizza, isn't that
neat? A pizza a day is what I eat.

A pizza with cheese while in the bath;
I am not joking nor having a laugh.

A pizza with ham,
isn't that great?
When eating it
quietly, staying
up late.

A pizza with mushroom, yes all
for me! And a slice in my pocket
while climbing a tree.

A pizza with pepperoni,
that is a long word!
But a slice was taken
by a huge bird!

A pizza with chicken, I sure
like to hog; And a slice in
my mouth while walking
the dog!

A pizza with sausage, wow
how cool! A slice in my mouth
as I bomb dive the pool.

A pizza with pineapple, oh what a
pain; Trying to eat while flying
plane.

Whooooosh!

A pizza with salami,
oh what a treat; While
drumming the sound of
an awesome beat!

A pizza with olives,
that sounds okay;
While sailing a boat
on a lovely day.

A pizza with bacon,
wow how yum!
Sliding down stairs
using my bum.

A pizza with peppers, a
slice or two; Scoffing it
quickly while on the loo.

A pizza with fish, oh how
delish; I must tell the chef
what a wonderful dish.

Whoosh!

A pizza with beef, that's
enough said; I caught it mid
air as I bounced off my bed.

A pizza with
onions, I guess it
was fine;
As I dug a huge hole
as big as a mine.

A pizza with steak, I sure
did like; Scoffing a slice
while jumping my bike.

A pizza with garlic, please
don't tell; I grossed out the
teacher with the smell.

A pizza with meatballs, I
can't help but sing! While
gulping it quickly going fast
on a swing!

I'm mad about pizza,
it's no surprise; I told
you, I did, I tell no
lies!

But wait a second,
what is that?
Oh no! My tummy is
\$0000000000

FAT!

I didn't see my tummy grow;
It happened, quick I didn't
know!

So be careful what you put in your
tummy, You've only got the one.
Because if you get so very round It
really ain't no fun.

THE
END!
