You will get upgrade for your weapons ONLY in phase 6, in Naxxramas, from Kel'Thuzad. Its just unfair to give such power again. In Classic 2019 it was difficult to change this mess and decrease damage of weapons, which players already have. But in SoM we have a power of some changes. World buffs was just a fraction of why raids was too easy. Rank 14 weapons is the big deal, and something should be done about it, atleast in PvE
