39. *You have received a letter from your English-speaking pen-friend Tom who writes:*

... In our city we have an annual competition for teenagers who make their own short films. This year I got the second prize for a film about my grandparents. Do you think it's important to record family history? Who do you think should do it? How can it be done best?
This month is my mom's birthday and now I am thinking about a gift for her. I want it to be very special...

Write a letter to Tom. In your letter:

- *answer her questions,*
- *ask **3 questions** about his mom.*

*Write **100—140** words.*

1. Intro Постановка проблемы (две точки зрения), переформулирование темы эссе из КИМа

It has become fashionable for some young people argue that while at school we should focus mainly on studying. However, there are others, who think that working part-time is a good option how to spend your time and energy while at school or university.

Some young people believe that while at school we should concentrate on studying; others think that working part-time has many advantages.

2. Your opinion + 2 arguments

To my way of thinking, it is better decision to try part-time job than dedicate all time to studying. There are many things to be said in favour of this point of view. **Firstly**, you can attempt working in a sphere that you are interested in. You can learn more about professional skills and decide if you want to work in this area in your future. **Secondly**, you can earn some money and become more financially independent from your parents.

3. Another opinion + 1 argument

However, there are other young people, who claim that while we are studying at school, we should not work. These people are convinced that it is better to get higher education at first and then find a well-paid job. **In their opinion**, if you work, you do not have enough time to concentrate on studying and you have bad marks at school.

4. Contrargument

I cannot agree with this opinion. **As for me**, when you work you learn to organize your time and become more responsible.

Time-management is a key to successful combination of working and studying at the same time.

5. Conclusion (с подтверждением позиции автора)

To sum up, I want to underline that for me it is absolutely acceptable to study and school or university and have part-time job that gives you experience and extra money. But it is up for everybody to decide whether to work while studying or not.
