Trade Course Curriculum

- Intensive Course: 20 classes are dedicated to intensive trade review of our students trades, and my trades, from each day. Understand why I buy where I buy, and why I sell where I sell.
- In addition to reviewing the nitty gritty details of all of my trades for 20 days, we will also review YOUR trades that you want to share with us. My goal is to review your trades and help guide you in the direction to becoming a successful trader. This is an opportunity to perfect your skills and get one-on-one mentoring time with a professional day trader.
- Sharing my set of Proprietary Scanner including my 20-scanner package priced in our Scanner Store at \$997.00
