

They love what
they do!

People who have
unusual
professions

He has the best
job in the world!

**Ben Southall is Hamilton island
caretaker**

**Ben is the winner of the
Australian reality show.**

He wins among 34000 applicants from more than 200 countries. Now he has the best job in the world.

As Ben says, he wins the competition, because he is physically strong, adventurous, crazy, sociable and also a great swimmer.

As an island caretaker he explores the sea and forests, takes photos and writes a weekly blog.

He gets a 69000£ salary a year
for the life in the paradise.

She works in male
field

Christina Rodriguez is the leading
engineer in Ford Motors

She is a super-woman. She breaks gender barriers and becomes the top-rated Ford engineer. She spends her workdays creating and testing the cars to make sure they work well.

Christina Rodriguez designed
