Red can be the colour of danger. When traffic lights are red, they warn drivers stop.

The red light is always the top of the lights

where everyone can see it.

Red is also the colour for kings and queens. When royalty visits places, people roll out a red carpet for them to walk on. This is a sign of respect.

The red cross is a sign
protection. It's the symbol of
an
organization which gives help
to
those who need it. During a
war,
soldiers don't fire those who
carry
the red cross symbol.
