

My travelling

This summer I visited Kazan. It is very beautiful and a lot of attractions that are worth seeing with my own eyes.

The main attraction in Kazan  
"Kazan Kremlin", which is part of the  
Kul Sharif mosque.

Millenium-  
Bridge is  
the highest  
bridge in  
Kazan,  
passing  
over the  
river  
Kazanka.

The most memorable sights of Kazan is the Palace Square. From it you can see the Kazan Kremlin.

Once visited  
Kazan, you  
will want to  
go back there  
again. Her  
charm and  
attractions will  
remain in  
memory for a  
long time.
