

In 2003 Devidas Shetty came to
Kazakhstan (Aksai) for the first time

- On the 11 of June 2003 Devidas started his career in KPO as Rotating Equipment Engineer

- And as a result ,so many working days,hours worked out,meetings

- and plenty of kilometres during the trips from India to Aksai

- Many different events within CM Mech team:
birthdays,

- Devidas's birthdays as well

- New Year parties

-

Barbeques

- Weddings and new-borns

- Devidas,after having worked with you now we know that you are not only a professional figure,but also a great team builder

Girls' favorite

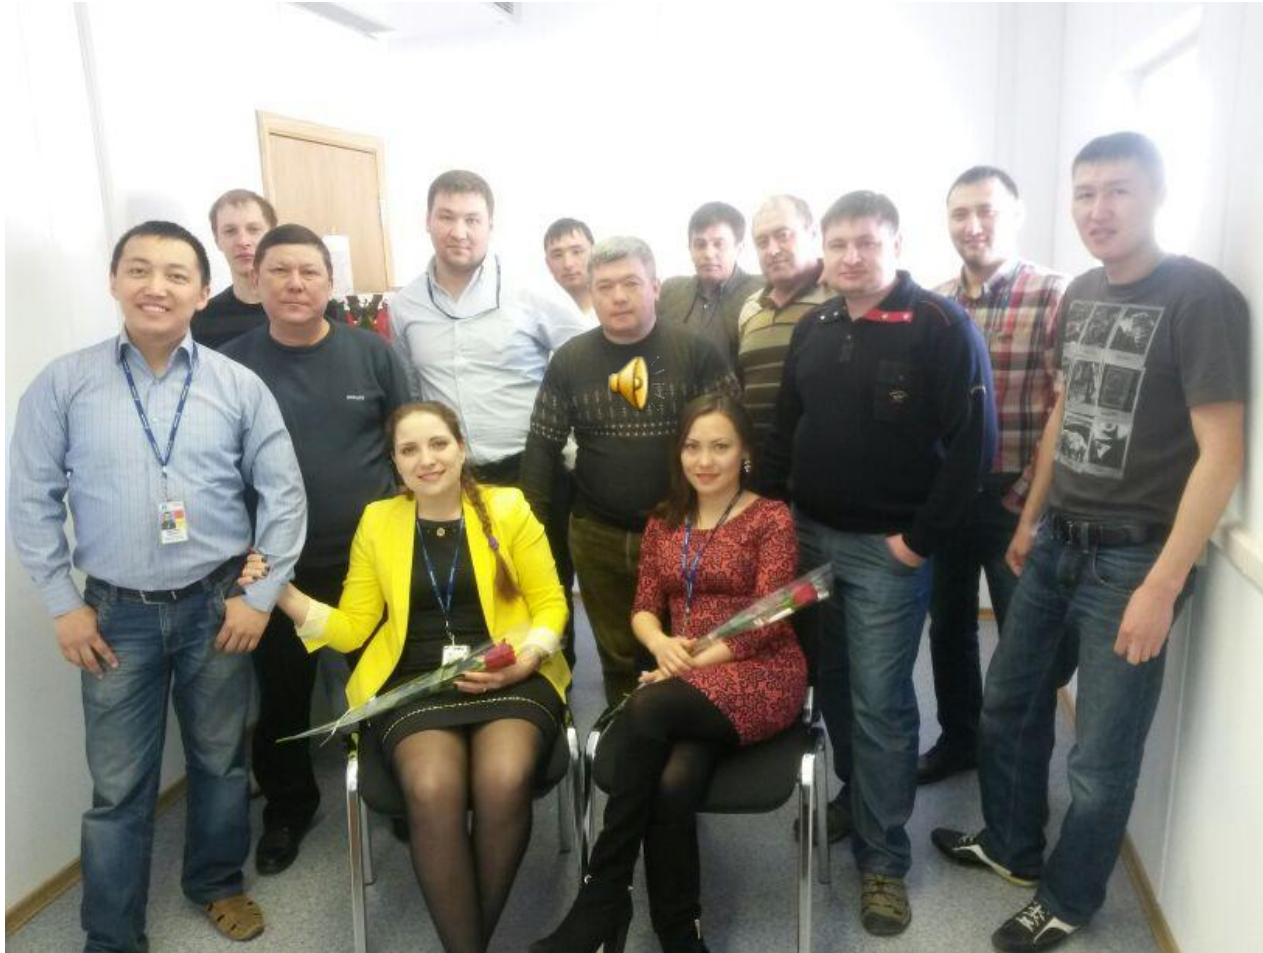

- and just a good and cheerful Person

- We spent a joyful time together with you ...
and will miss it...

- Hope you were proud if your team
