

Advantages and  
disadvantages of  
talking on the phone  
and of using the  
Internet.

Advantages.

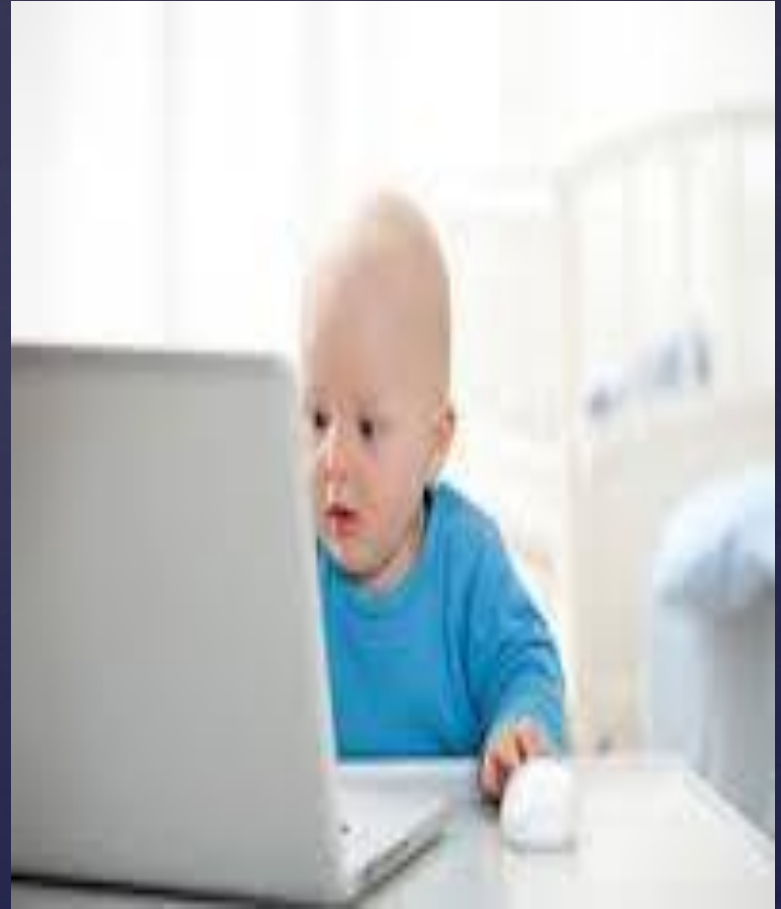

I can:

- 1) communicate with my friends
- 2) send and receive fax messages or e-mail

# Disadvantages

- 1) It is a waste of time
- 2) Students have no time to do homework

Use the phone and the  
Internet usefully!

Thank you for  
the attention!
