WHO?
WHEN?
WHERE?
WHAT?
WHY?

•When?
•What?
•Where?
•Why?

WHO is the story about?

WHEN did it take place?

WHERE are the main characters
from?

WHAT happened?

WHY are the animals in the
basket?

• When?
• What?
• Where?

experiments →

to invent →

safe and sound →

to lift →

research →

to catch →

come to the conclusion →

experiments → tests

to invent → to create smth

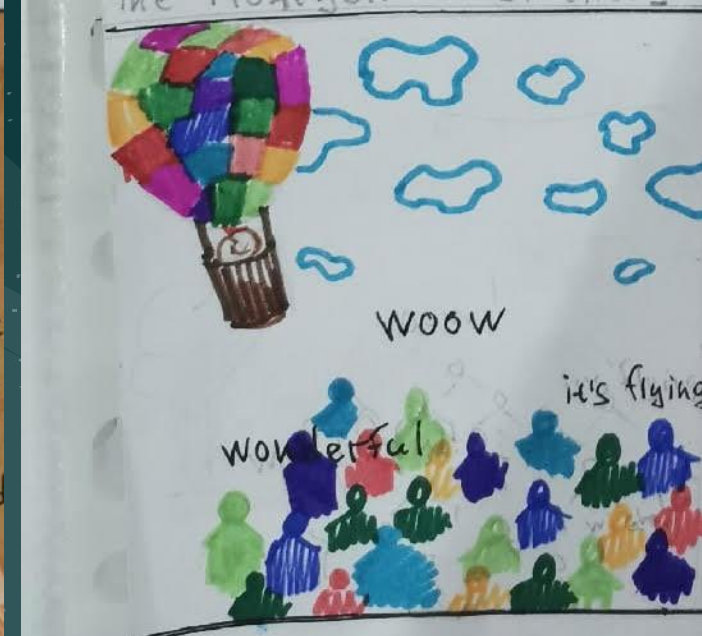

safe and sound → not damaged

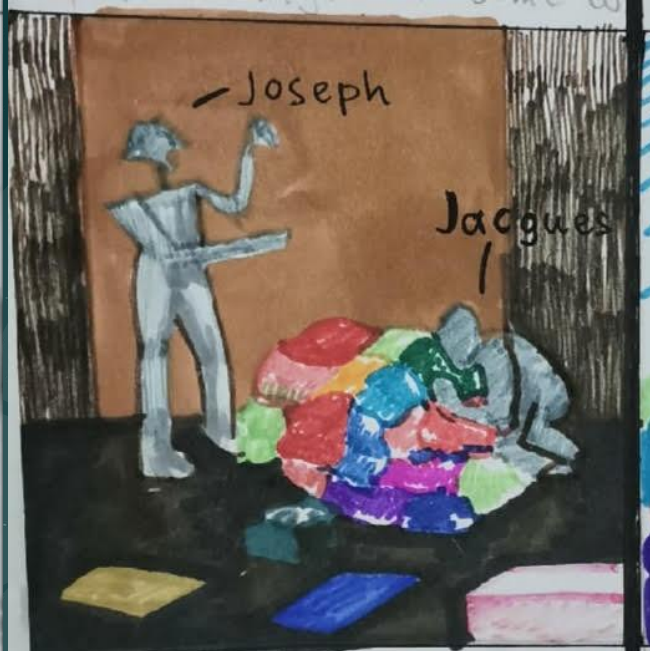

to lift → to raise

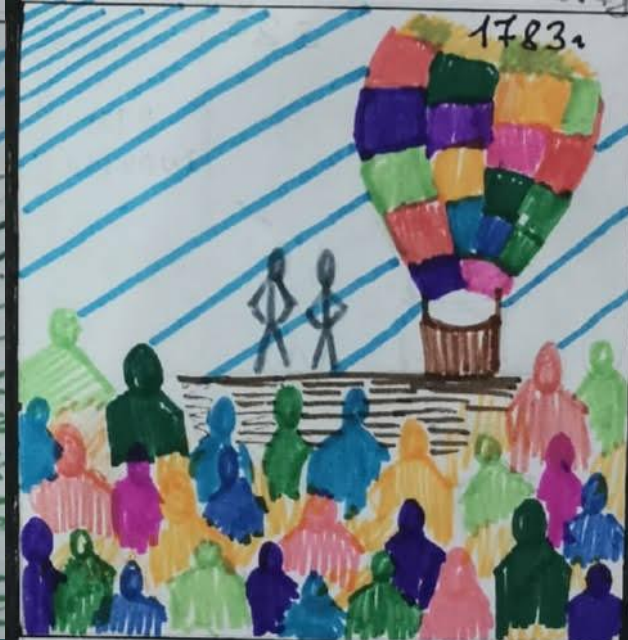

**research → look for the information
about smth**

to catch → to capture

come to the conclusion → to decide

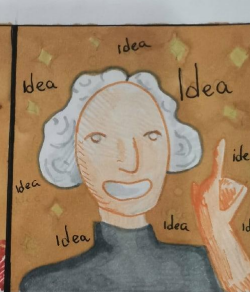

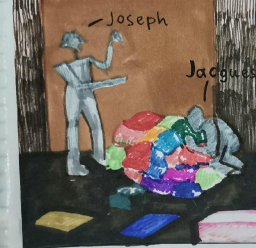

- When?
- What?
- Where?
- Why?

Animals

In the air

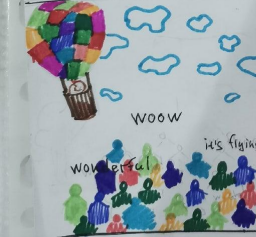

Joseph Montgolfier come to the conclusion of creating

The Montgolfier brothers

perform the experiment of

making the balloon

The first trip on a balloon.

• When?
• What?
• How?
• Joseph Montgolfier

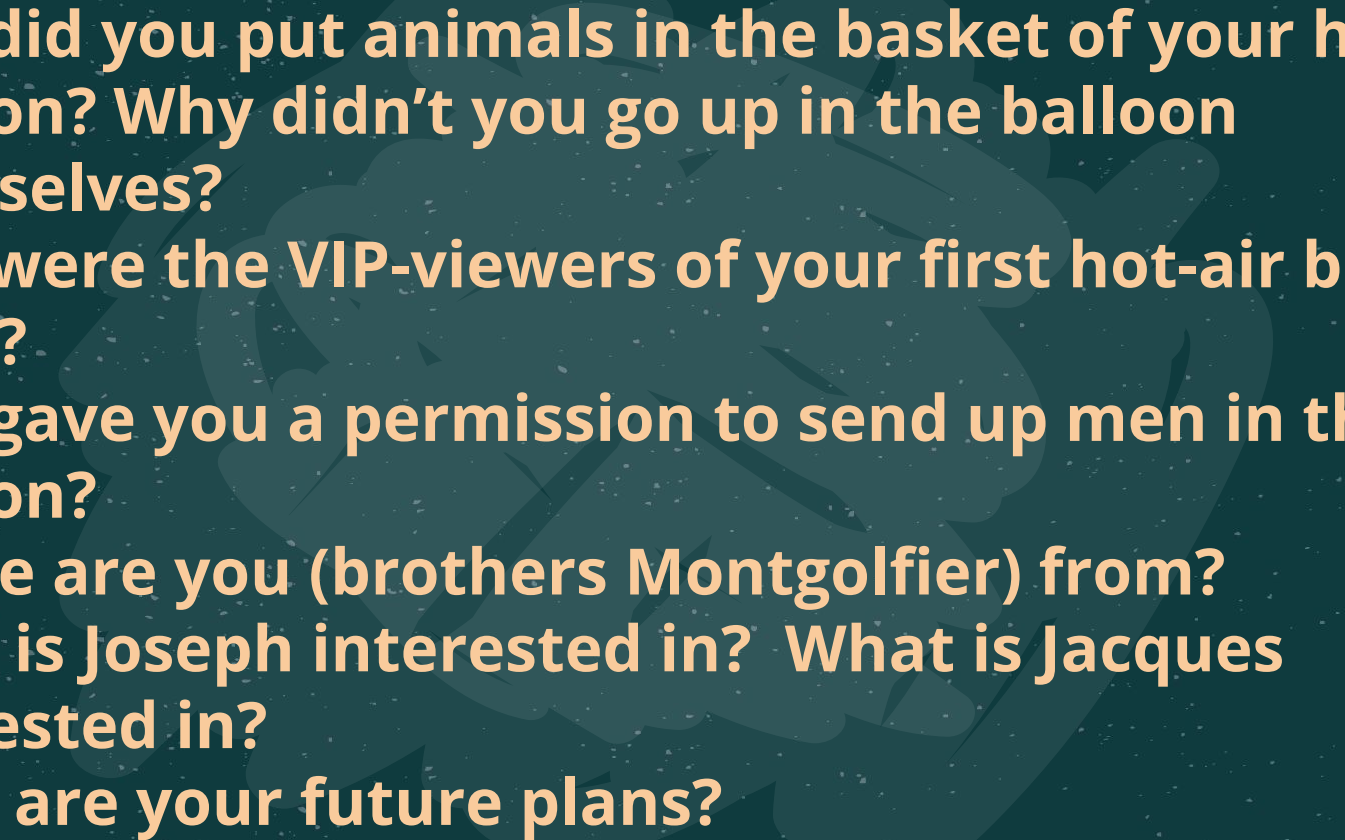

• the French King

• a chicken

• the hot-air balloon

• Jacques Montgolfier

• a man from the crowd

- 
1. What is the power to lift things: smoke or the heat?
 2. What did you make your first hot-air balloon from?
 3. Why did you put animals in the basket of your hot-air balloon? Why didn't you go up in the balloon themselves?
 4. Who were the VIP-viewers of your first hot-air balloon flight?
 5. Who gave you a permission to send up men in the balloon?
 6. Where are you (brothers Montgolfier) from?
 7. What is Joseph interested in? What is Jacques interested in?
 8. What are your future plans?

•When?
•What?
•Where?
•Why?
