Bachelor Degree - 3-4 years

Master Degree - 1-2 years

Doctoral Degree - 1 year

The academic year begins on the 1-st of October
and divided in three trimesters

At the end of each trimester students take exams

Main Majors

Faculty of Engineering

Aeronautical Engineering

Biomedical Engineering

Computing

Mathematics and Computer Science

Design Engineering

Electronic and Information Engineering

Materials with Management

Aerospace Materials.

Mathematics

Computer technologies

Programming

Equipment of the faculty

Specialized laboratories

Computer center

High-tech devices

Lecture rooms

Students accomodation

The university provides
rooms for one, two or three people

All hostels have free Internet

Students accomodation

Room for 1 person

Students accomodation

Room for 2 people

Leisure time

Sightseeing tours of London

College theater community

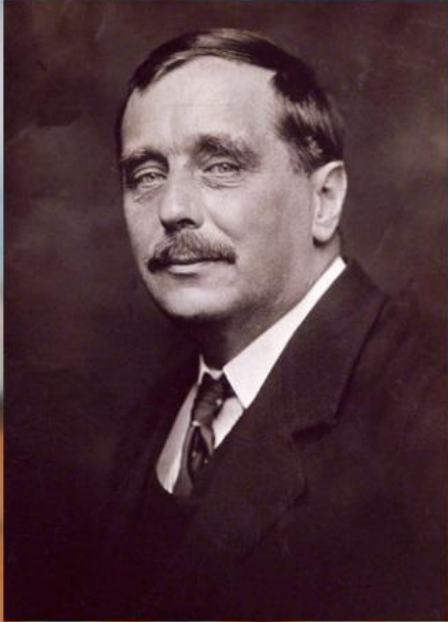

Host a show on university radio

Sports complex Ethos Sports Center

Ethos Sports Centre

Famous graduates

Herbert George Wells
Writer and publicist

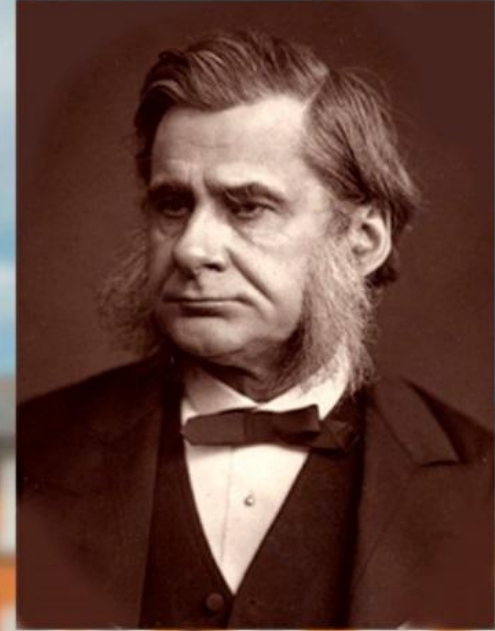

Brian Harold May
Guitarist of Queen

Famous graduates

Rajiv Ratna Gandhi
Former Prime Minister of India

Thomas Henry Huxley
Biologist
