flowers

flower

A vibrant, stylized illustration of a pond in a grassy field. The pond is a deep blue color, with several green lily pads floating on its surface. The surrounding landscape is lush green, with rolling hills and a sandy bank in the foreground. The text "That's all, folks!" is written in a large, yellow, sans-serif font across the middle of the image. The overall style is reminiscent of classic children's book illustrations.

That's all, folks!
