Разбор и повторение всех времен!

Note: Simple present can replace the simple future with the meaning "according to schedule, timetable".

Examples: The ship arrives next week. He works tomorrow.

Note: Present continuous can replace the simple future with the meaning "preplanned action".

Examples: I'm going to leave tomorrow. I am leaving tomorrow.

Note: Present perfect may replace the present perfect continuous for the action that has lasted for some time by now.

Example: He has worked in this company for ten years.

Note: Present perfect continuous in Meaning 2 is often used without time expressions.

Example: It has been raining hard, and the ground is still wet.

Note: Simple present is used instead of the present continuous with stative verbs.

Examples: I see a little boy. I understand what you mean.

Note: Stative verbs "know, understand, remember, like, love, hate, want, see, hear, seem, look", etc., are generally not used in the continuous tenses.

Note: Present perfect is used instead of the present perfect continuous with stative verbs.

Examples: She has known them for six years. She has loved him all her life.

Note: Stative verbs "know, understand, remember, like, love, hate, want, see, hear, seem, look", etc., are generally not used in the continuous tenses.
