

My dream house

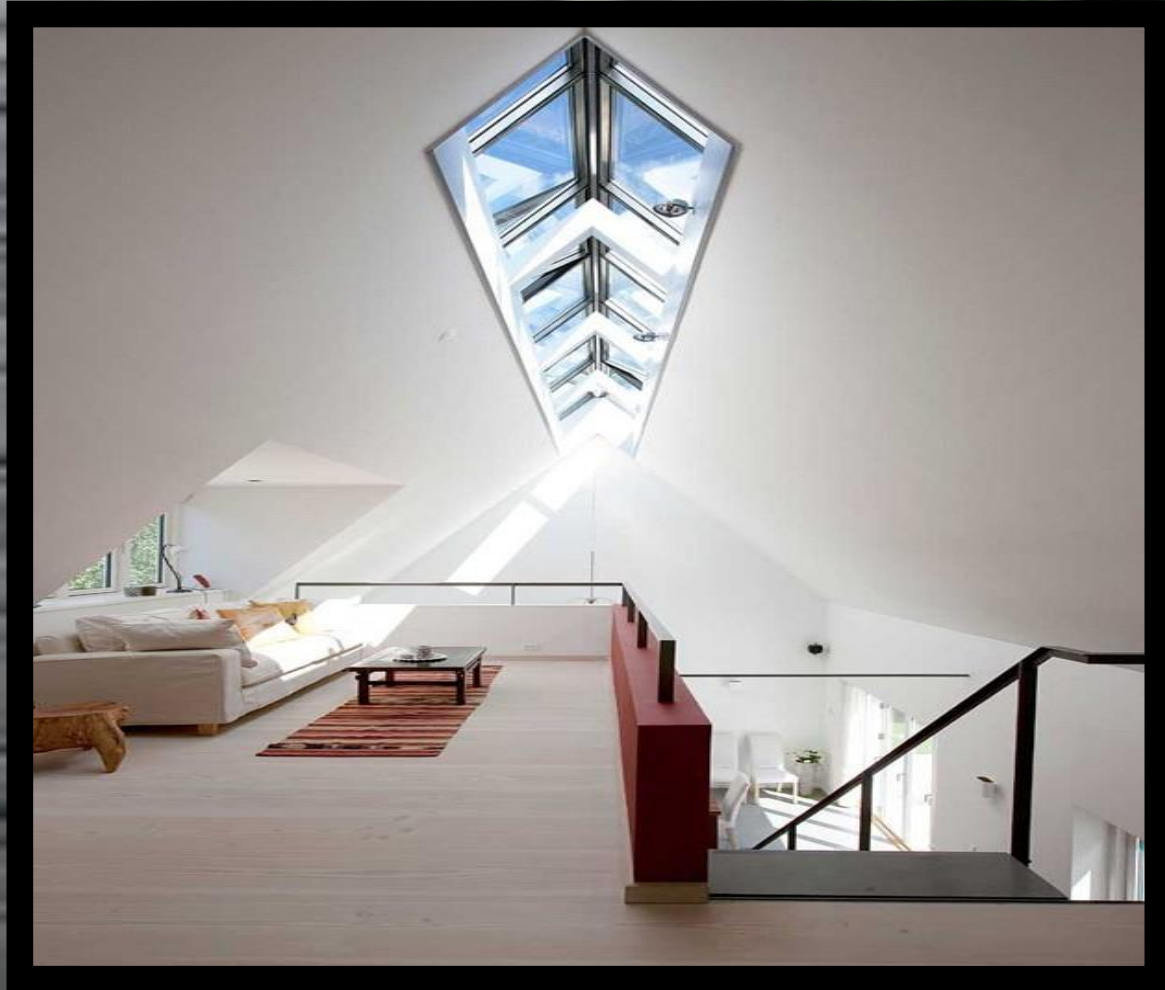

Made by: Zhenisova Diana

- 
- Sure, everyone has a dream : become a millionaire, have a good luck, have the last phone model. And, of course, everyone thjugh about their dream house. So, «Dream house» at my sight is...

My dream house will
look like this

At first, a balcony with workroom and a gorgeous roof

Also, my dream will have a pool with swings, ball in the garden and cool glass guests room

**And in the end, my
house will welcome
every guest with
pleasure**

Thank you for your attention!
